# MISERY DEPOT

ROMERA '07

The old creature *hungers*.

Nothing left  
but hunger.

Hunger and open  
*tumors*.

Its mind fades.

...are *forgotten*.

The perils  
of the familiar...

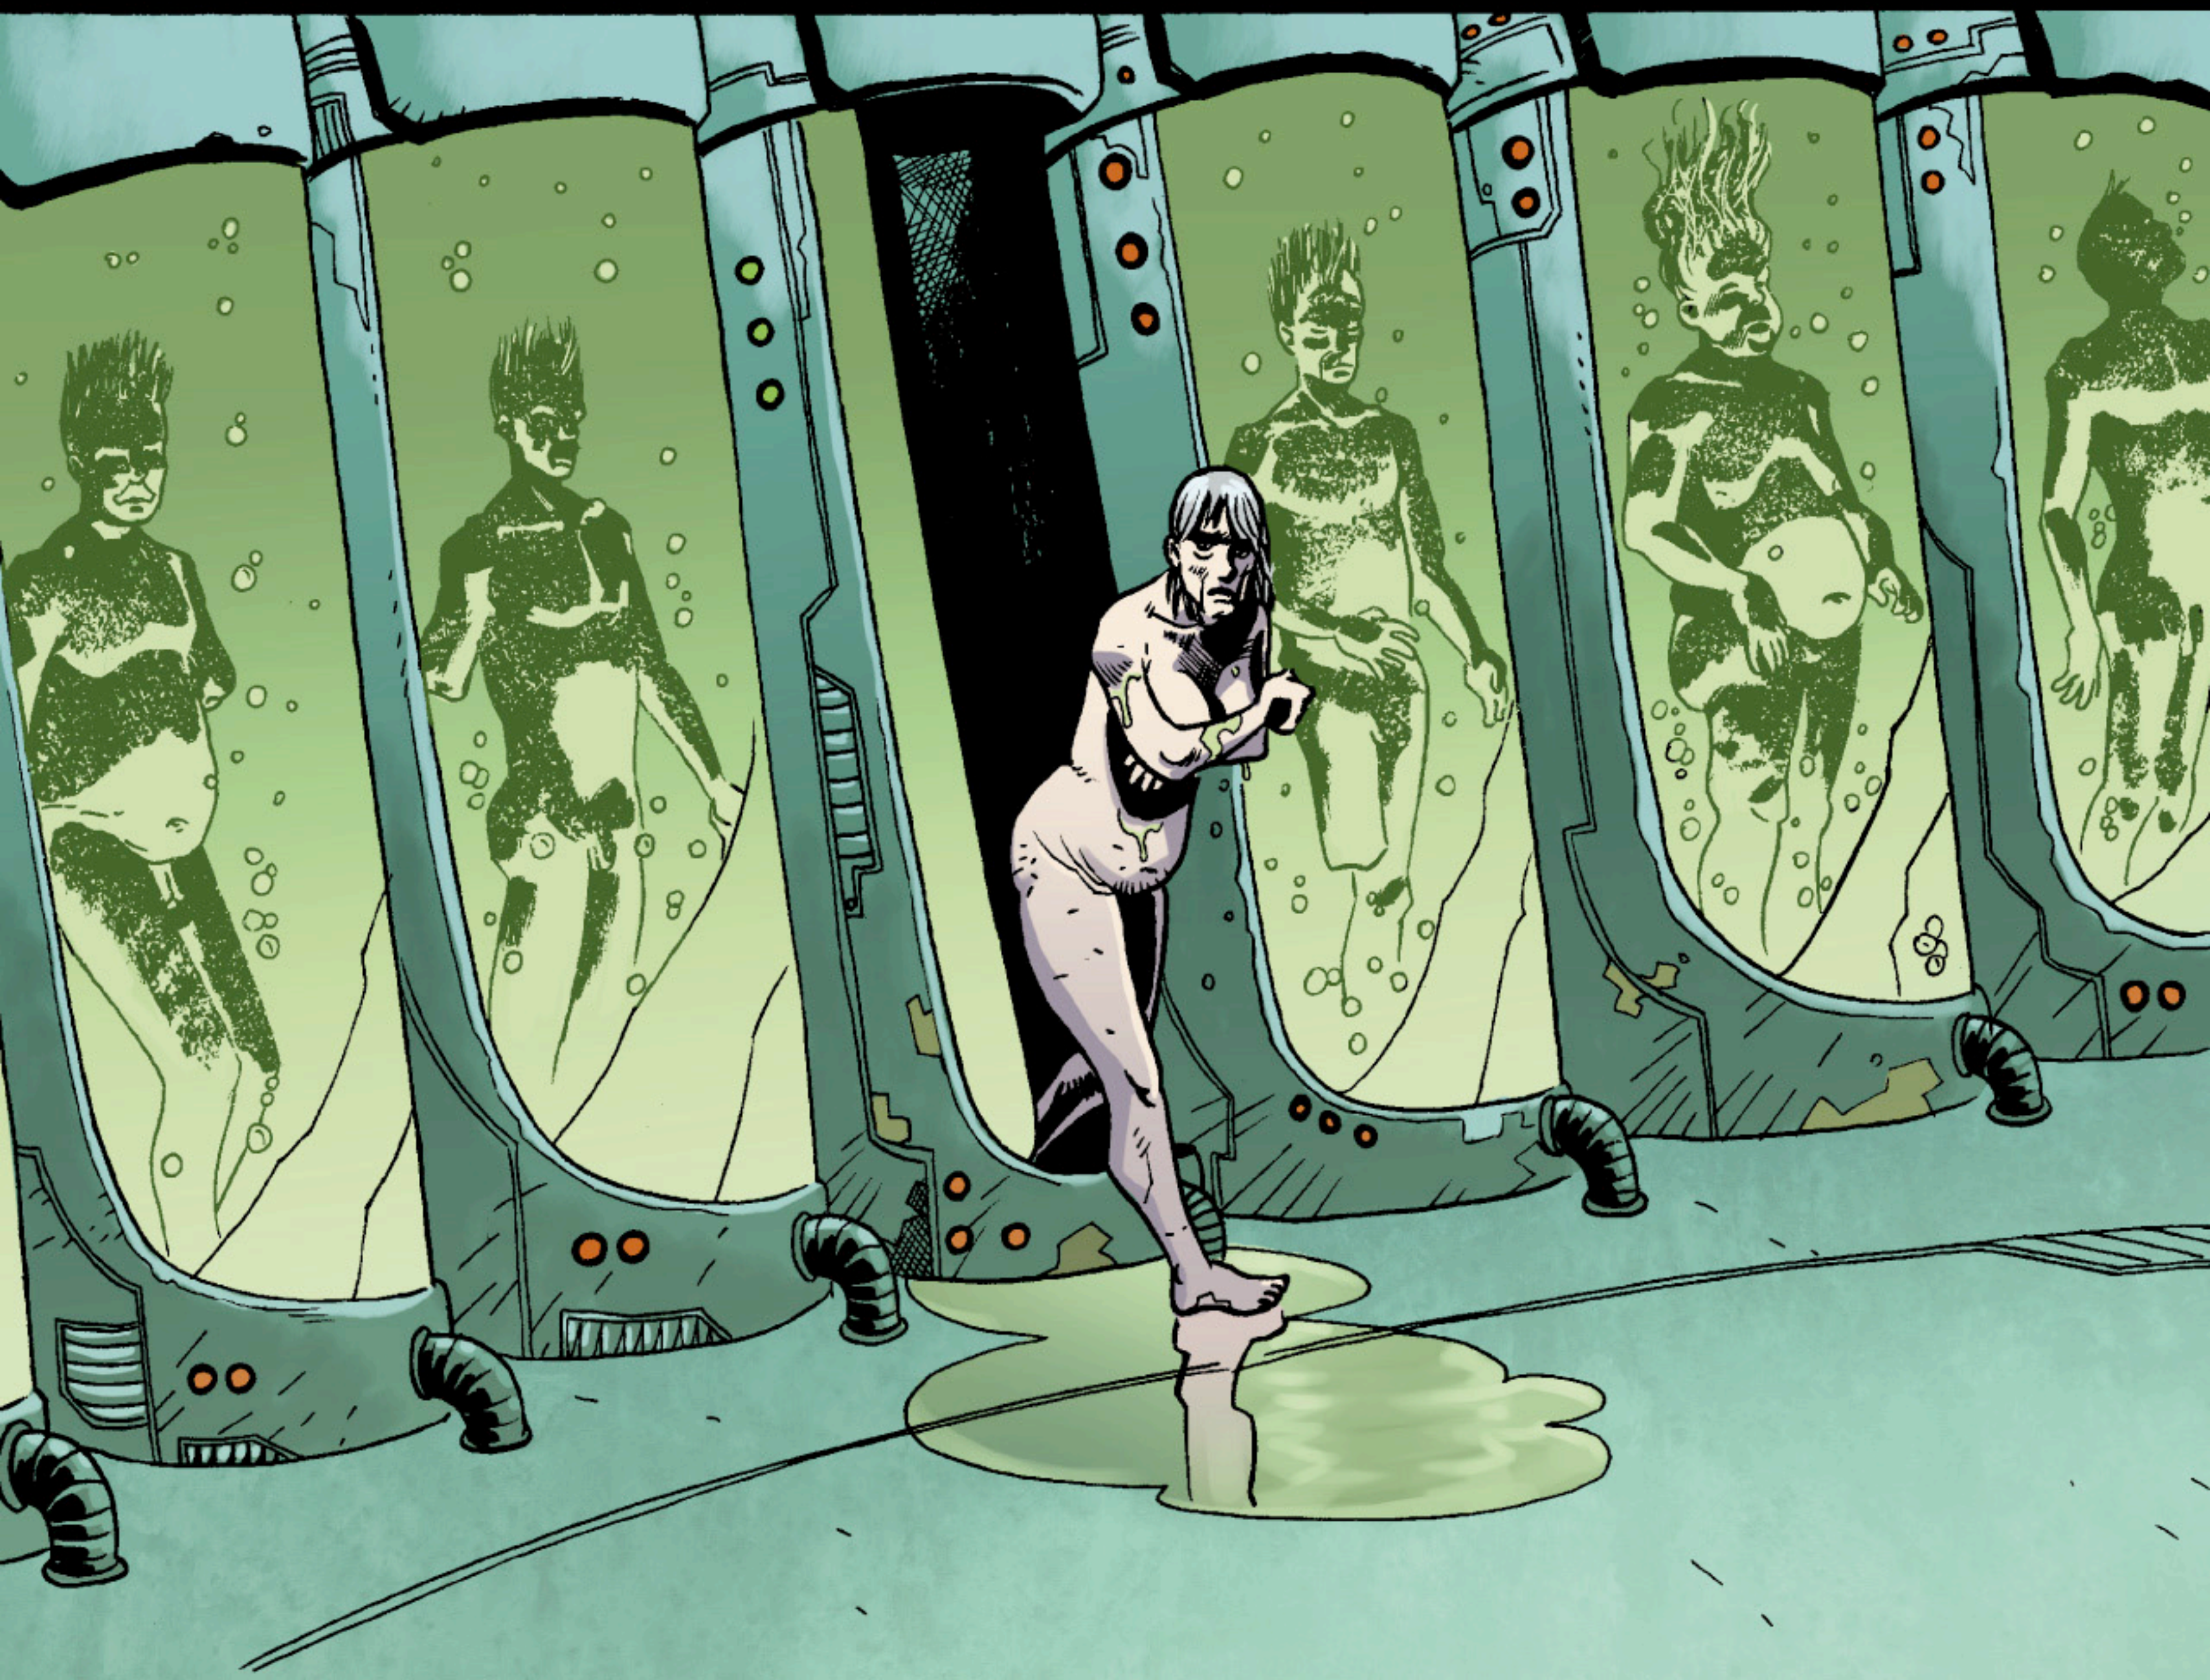

This is how it *ends*.

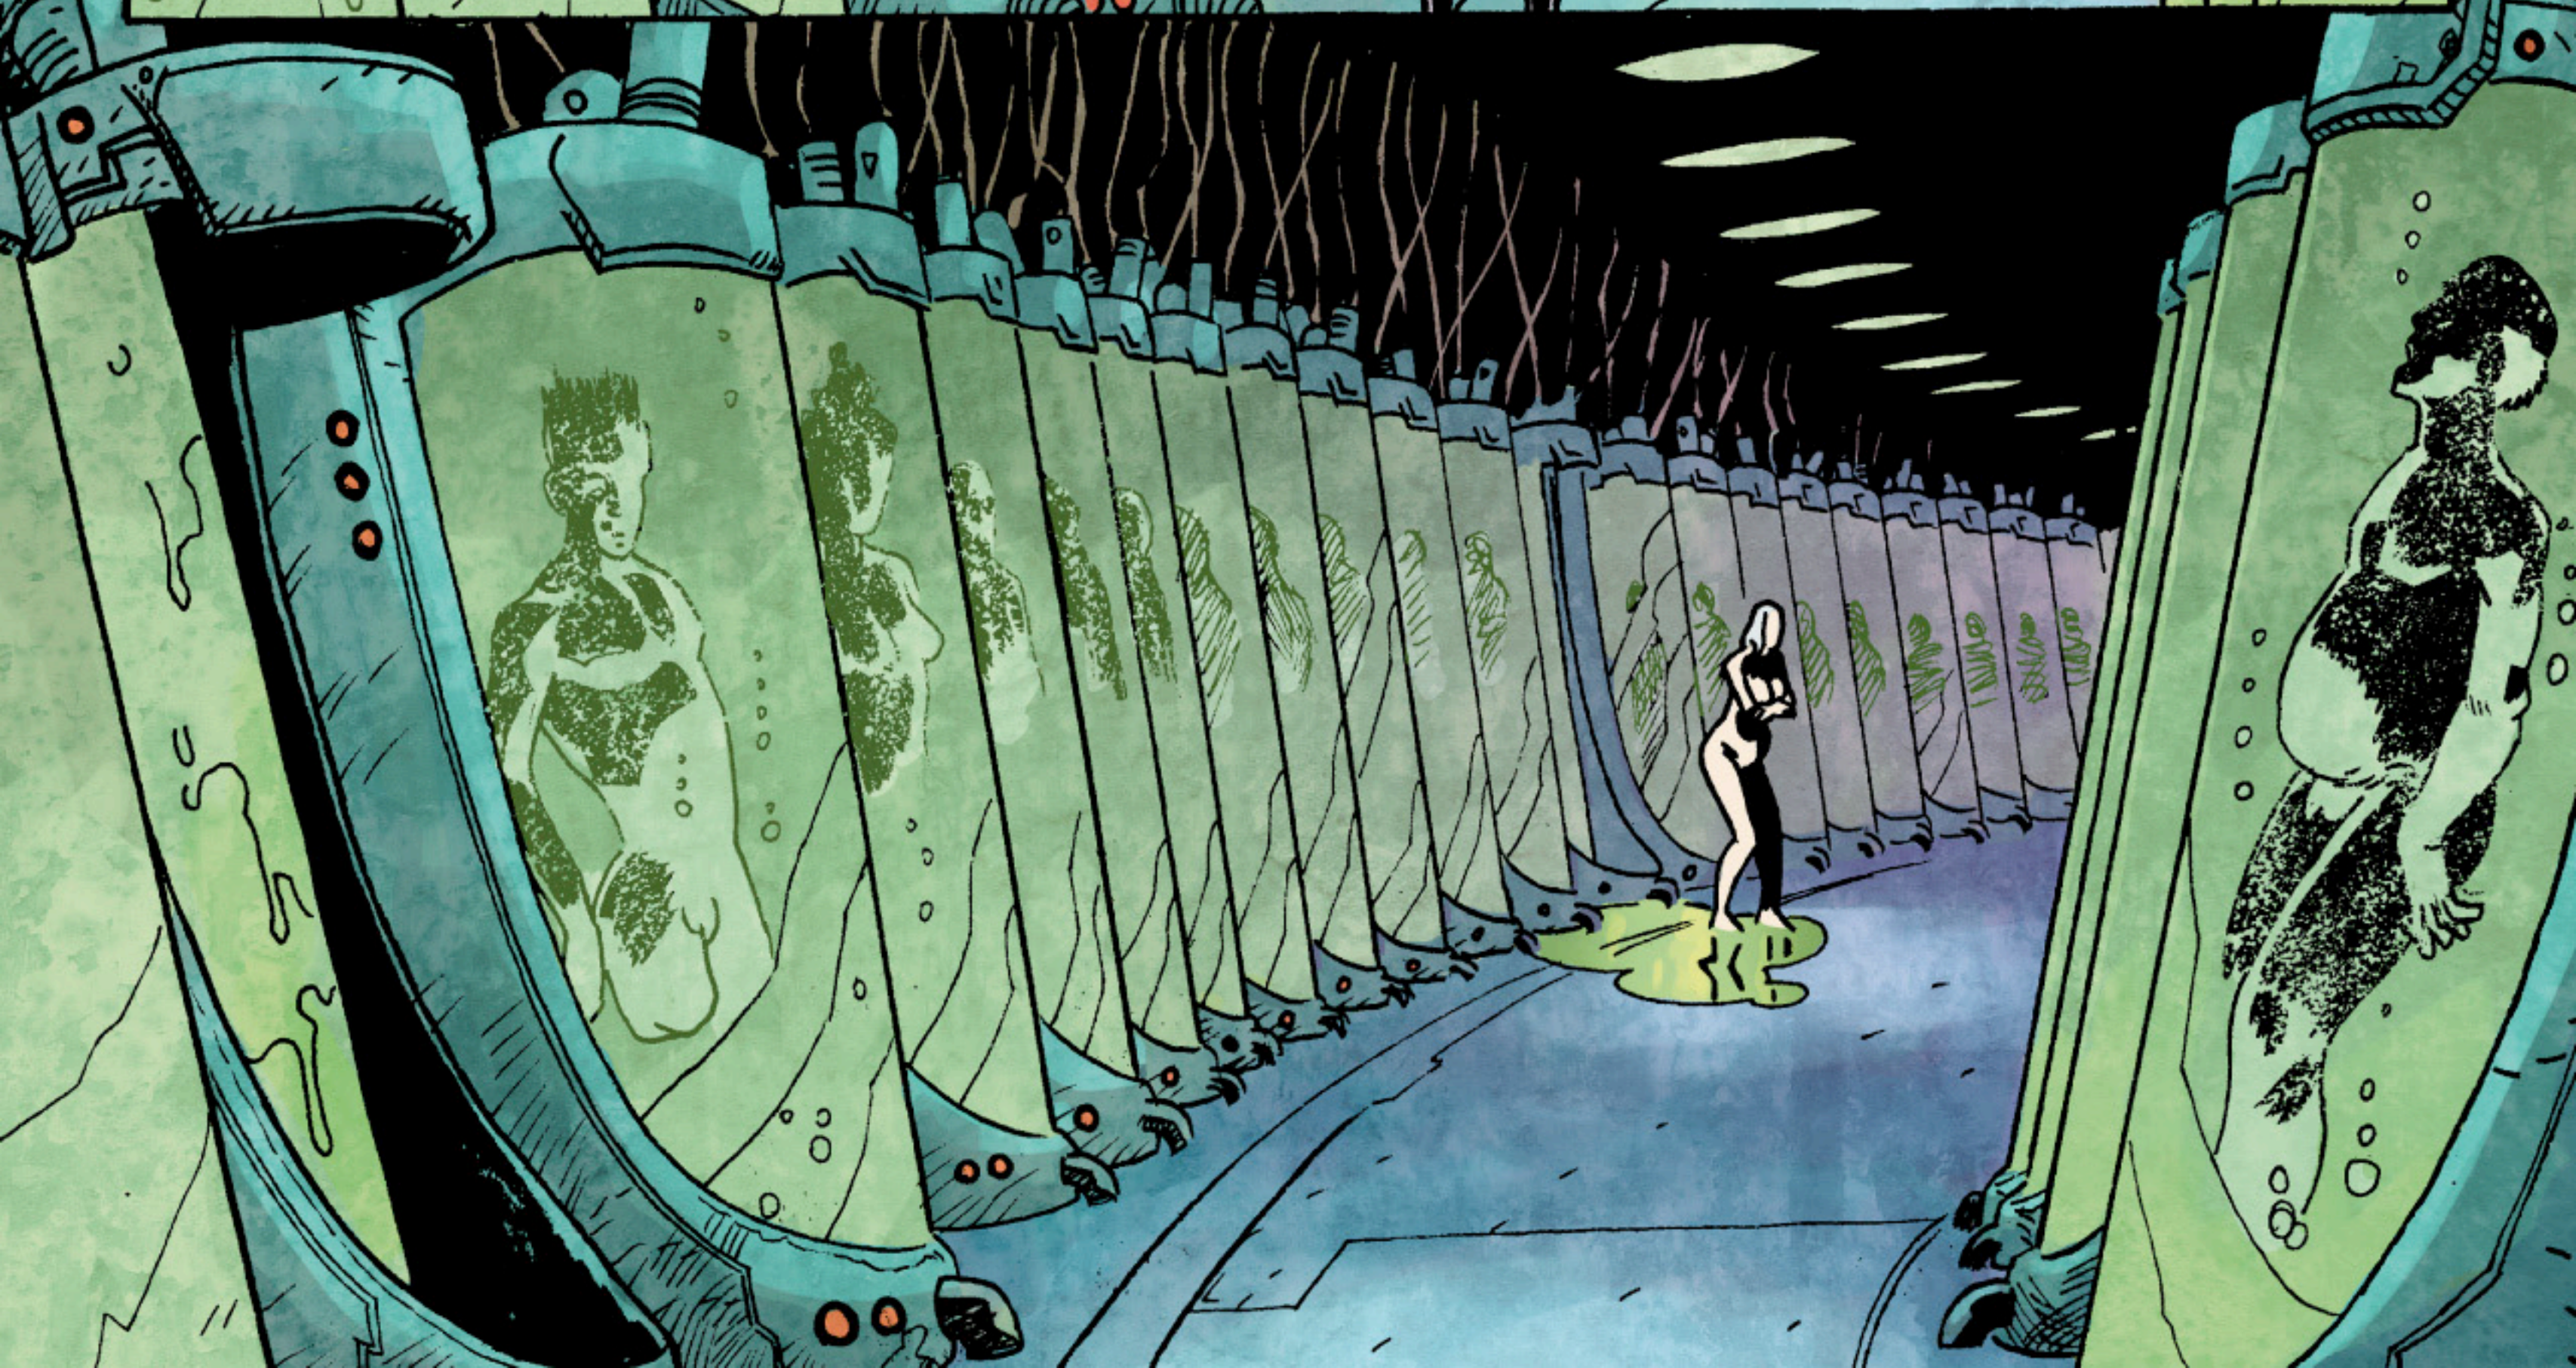

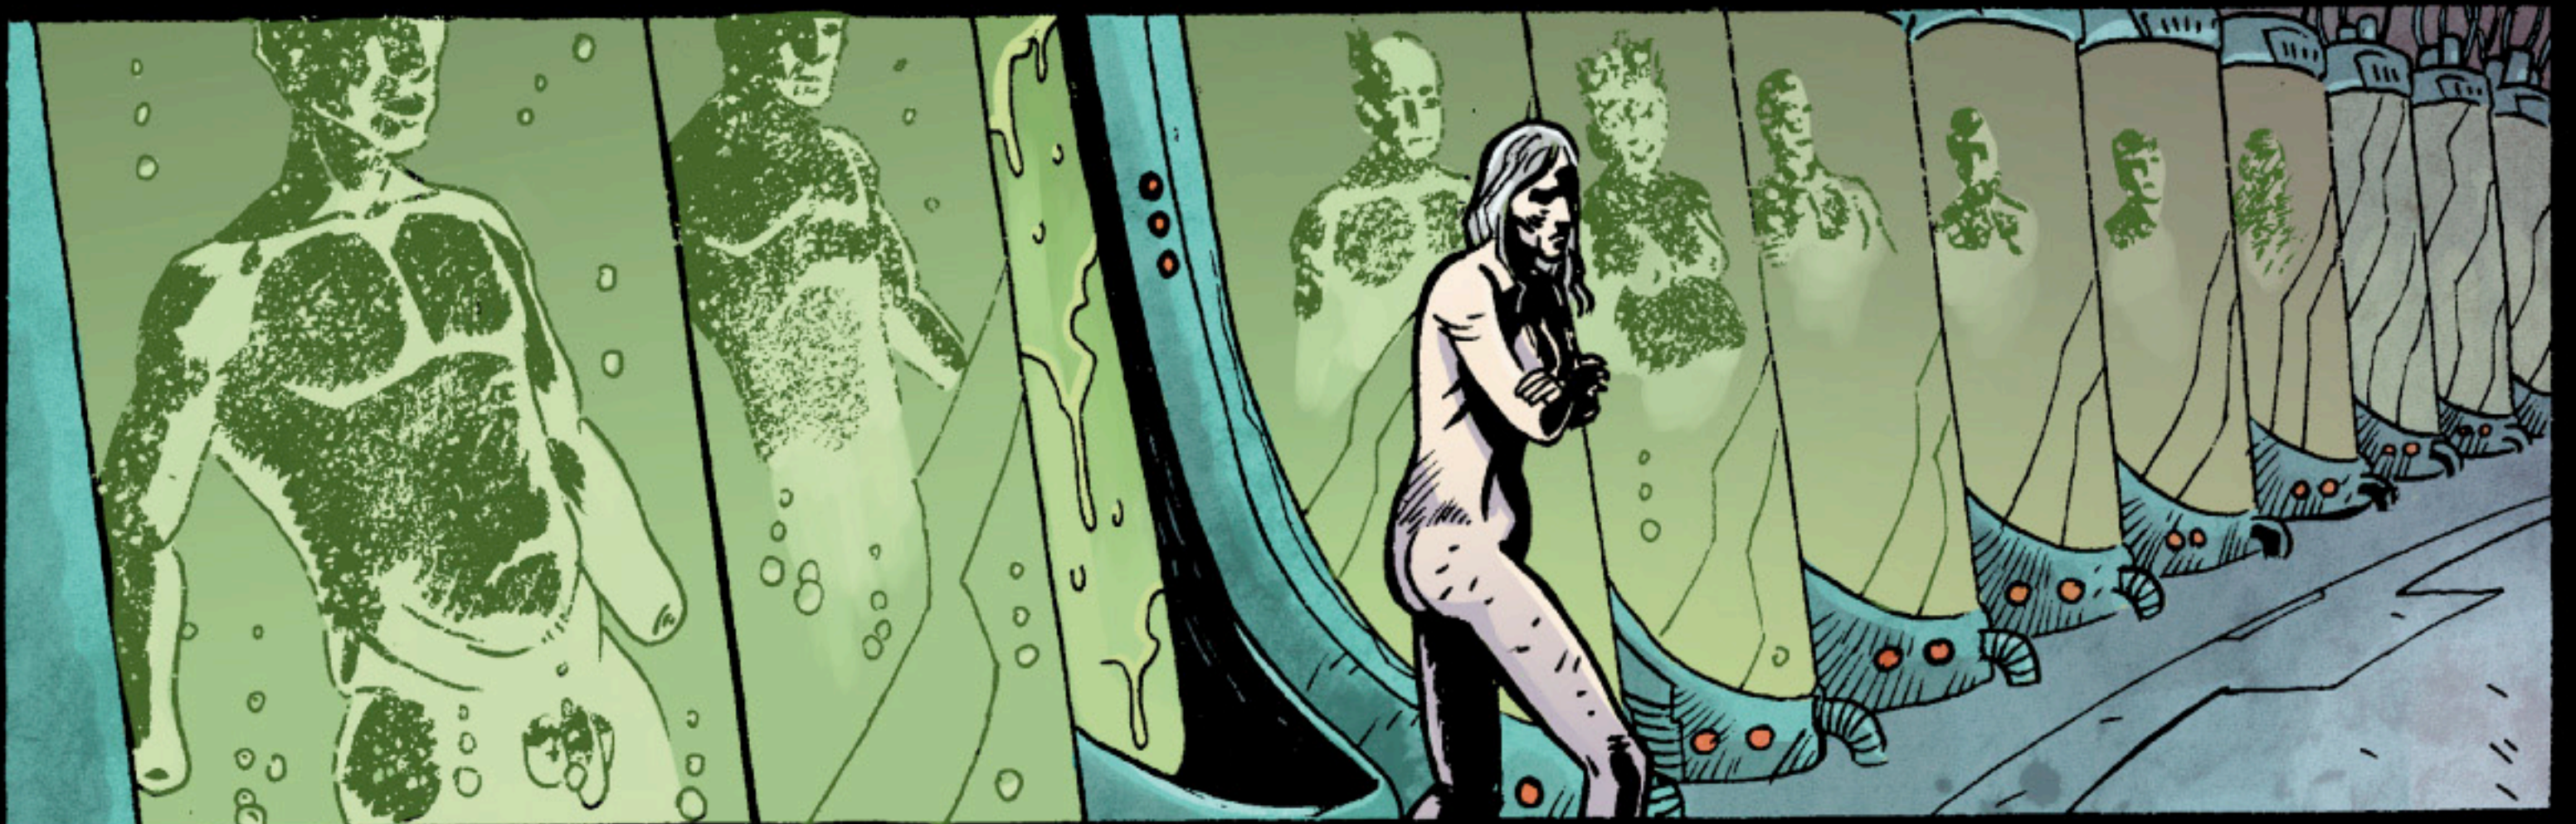

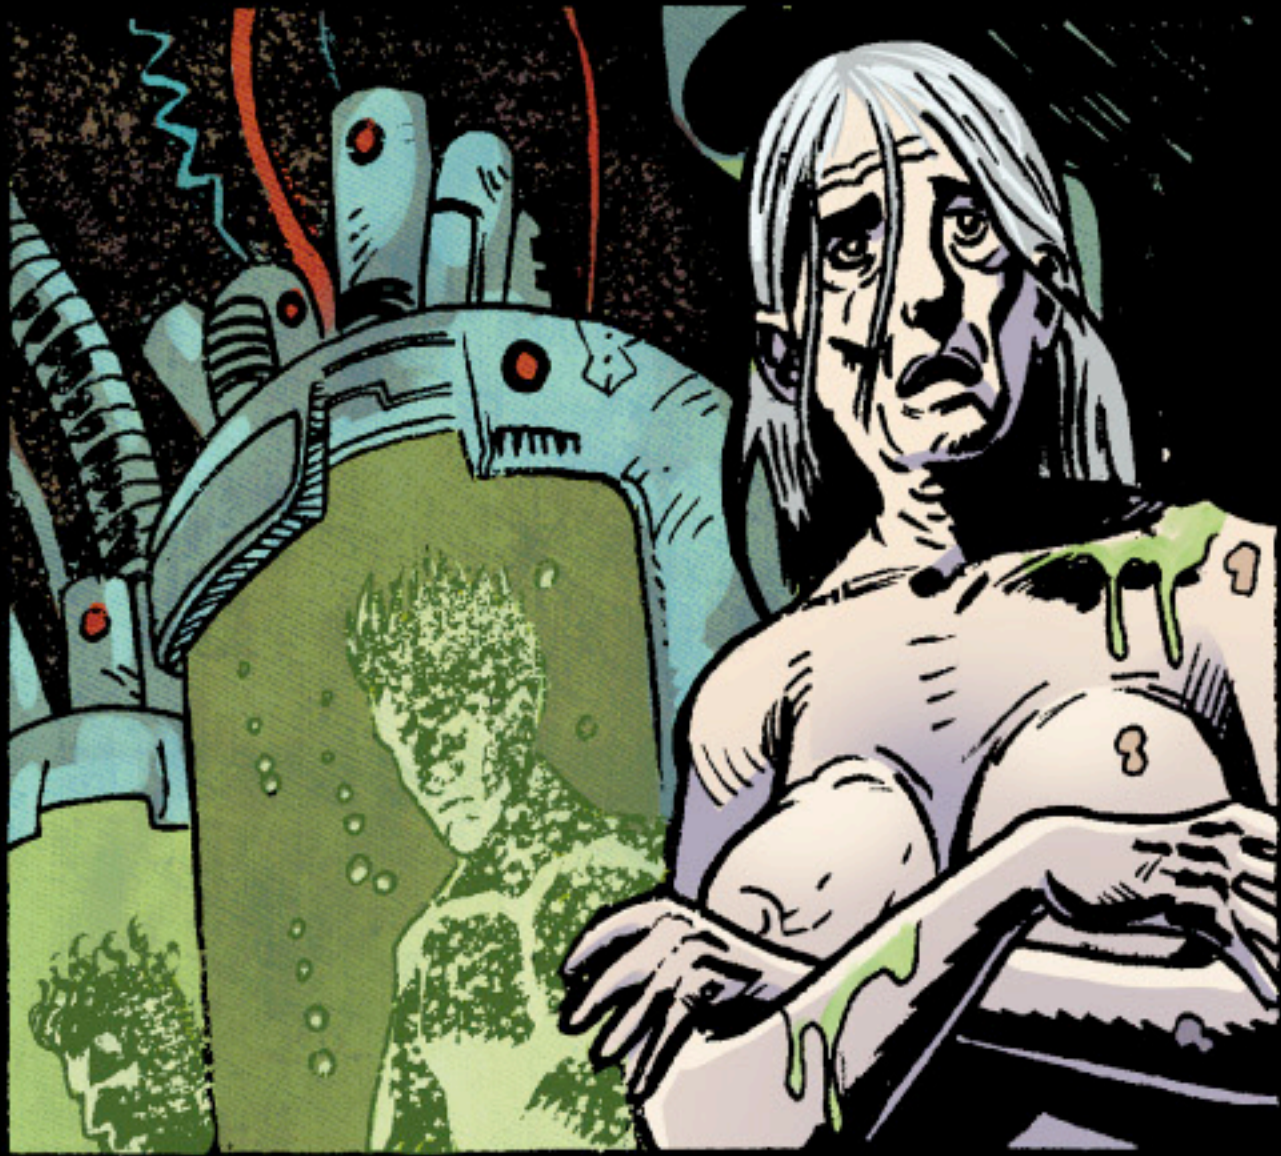

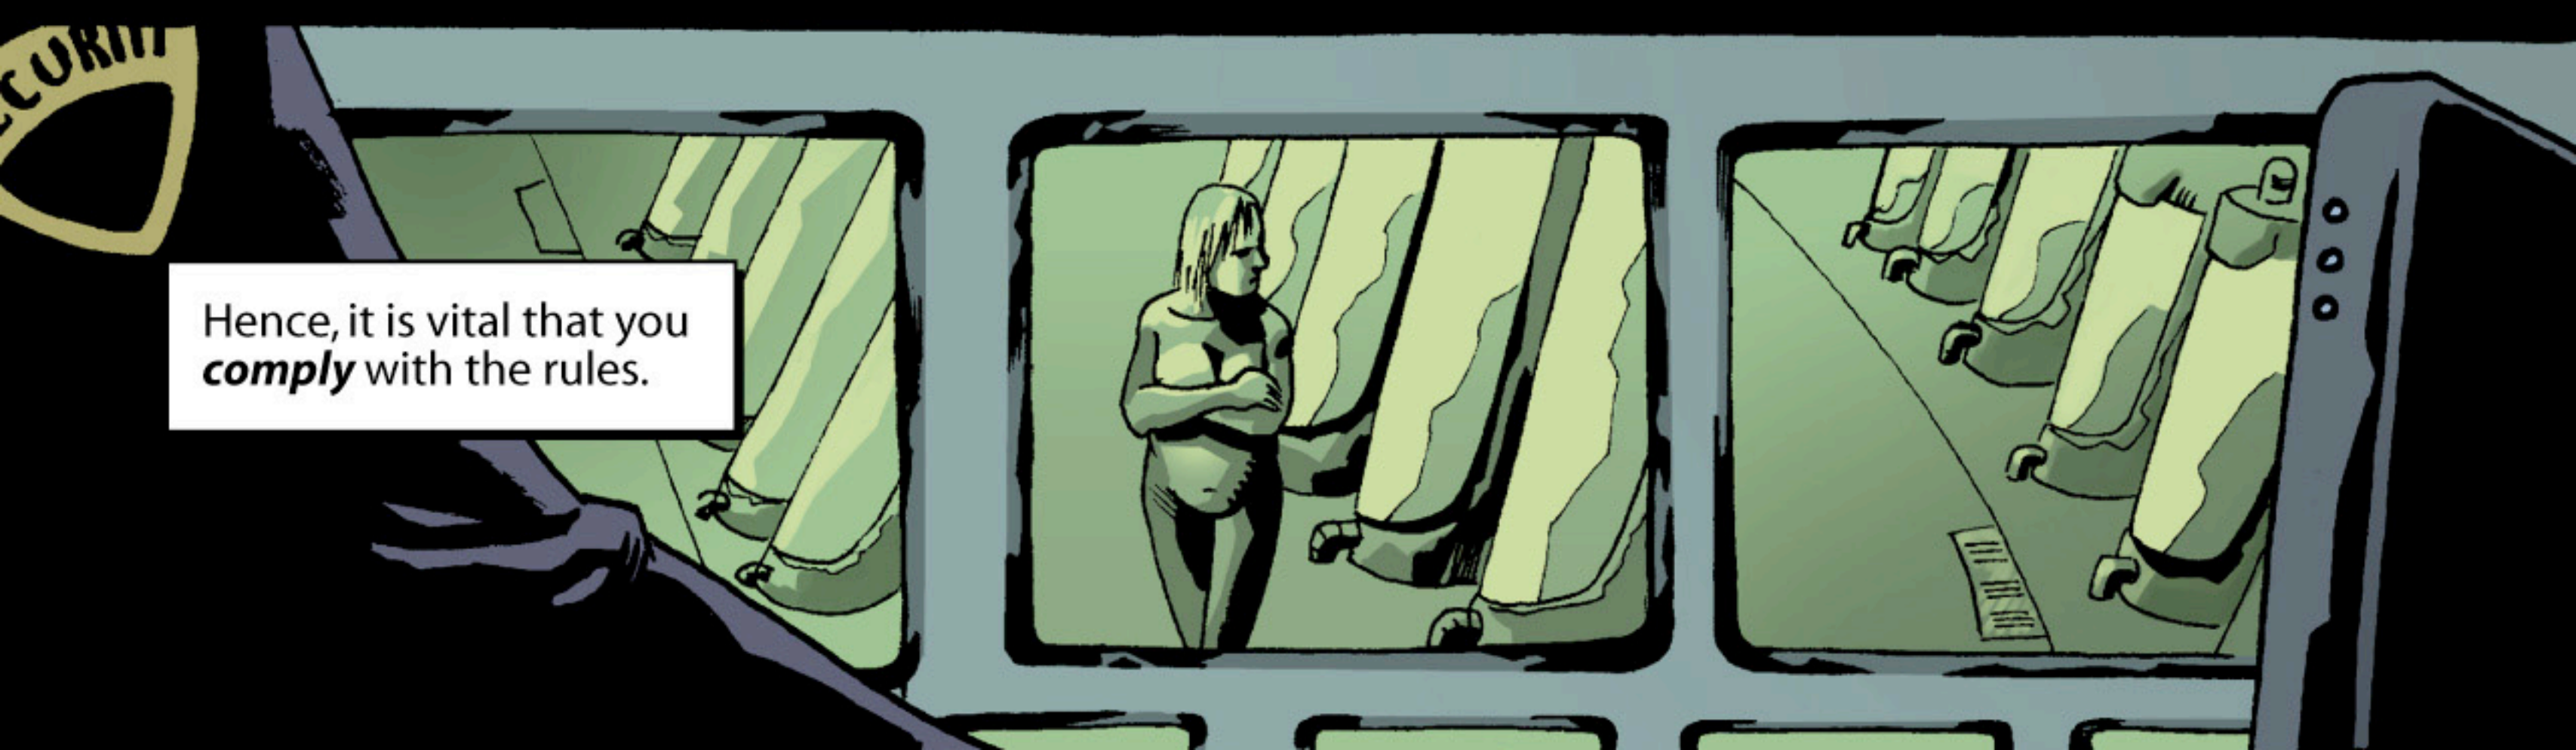

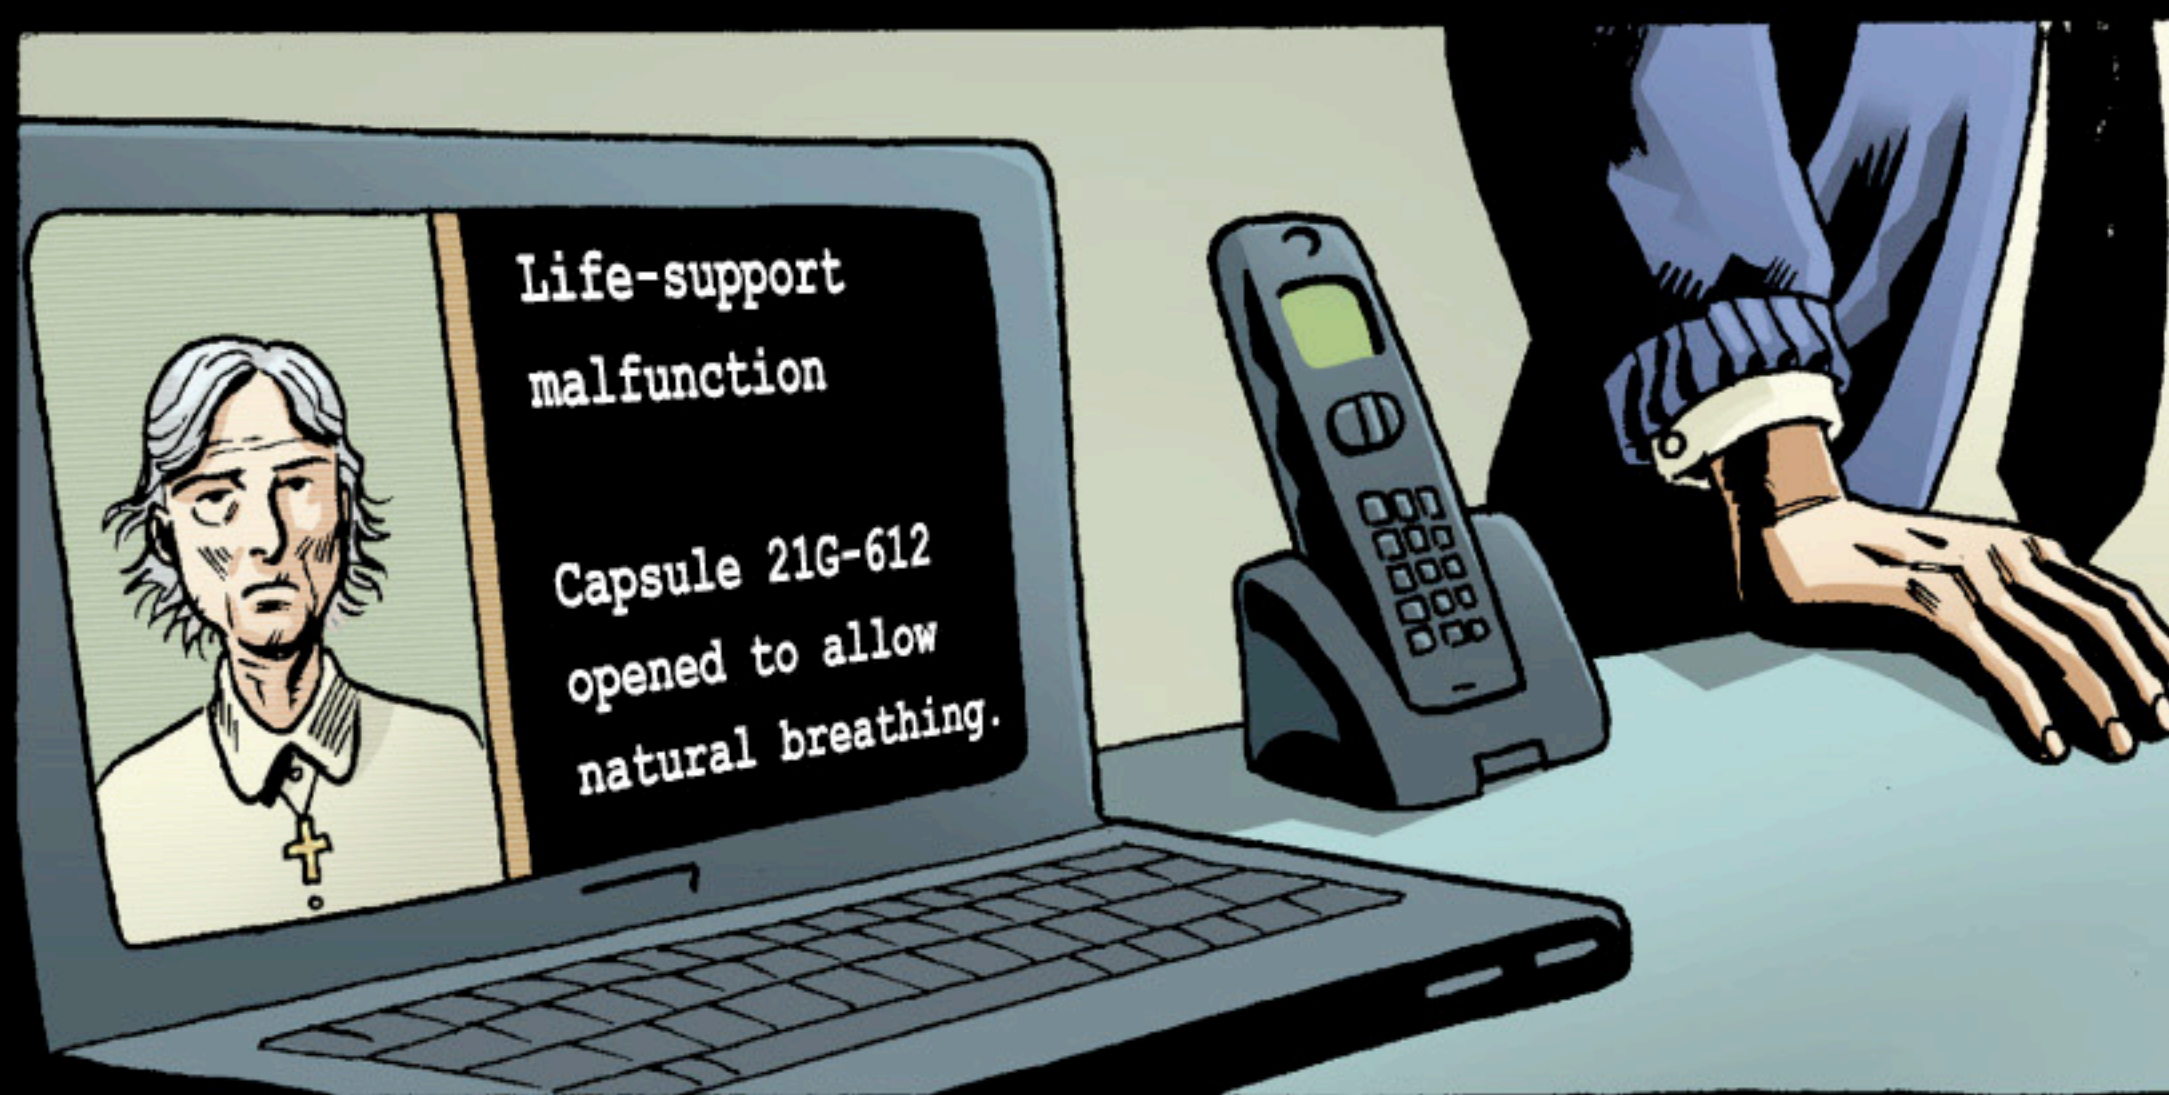

This is how it ***begins***.

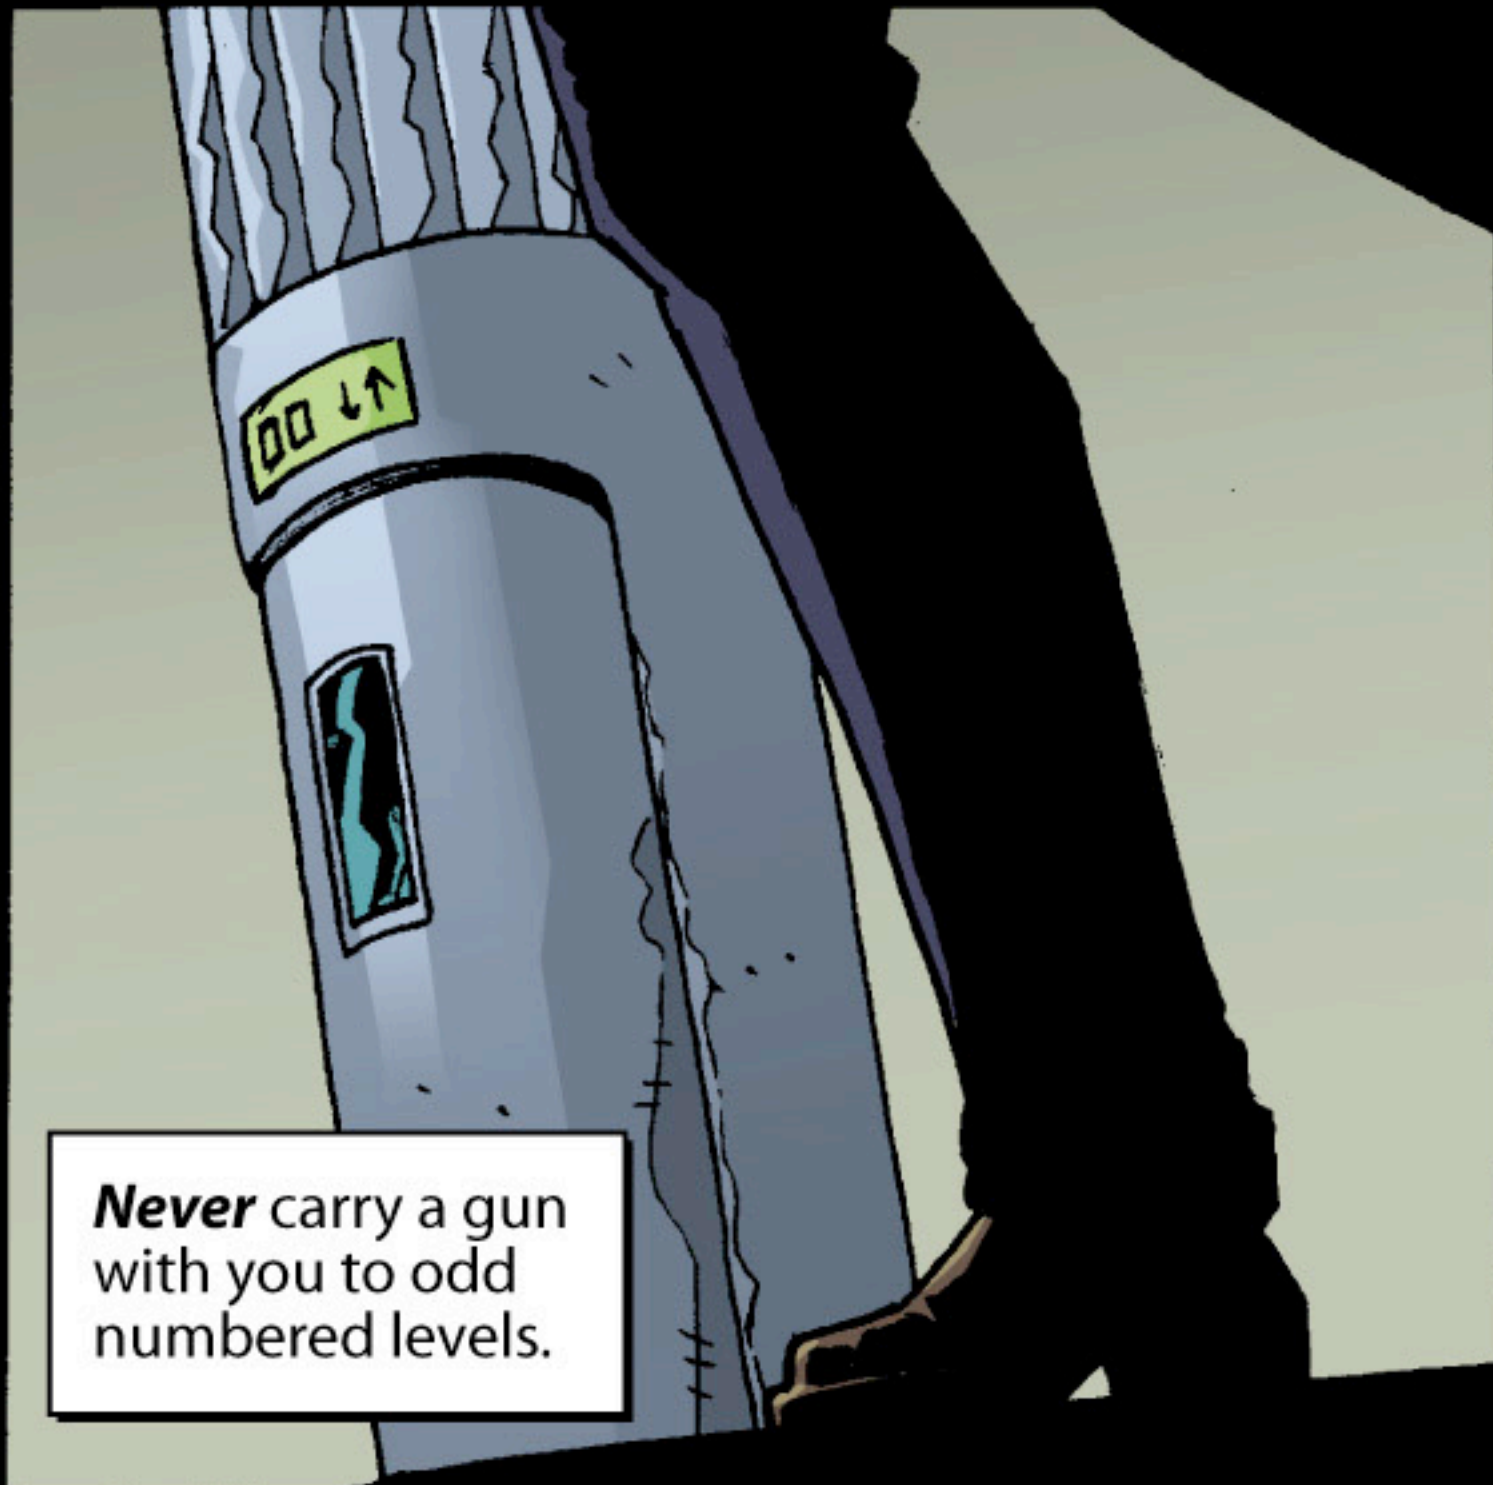

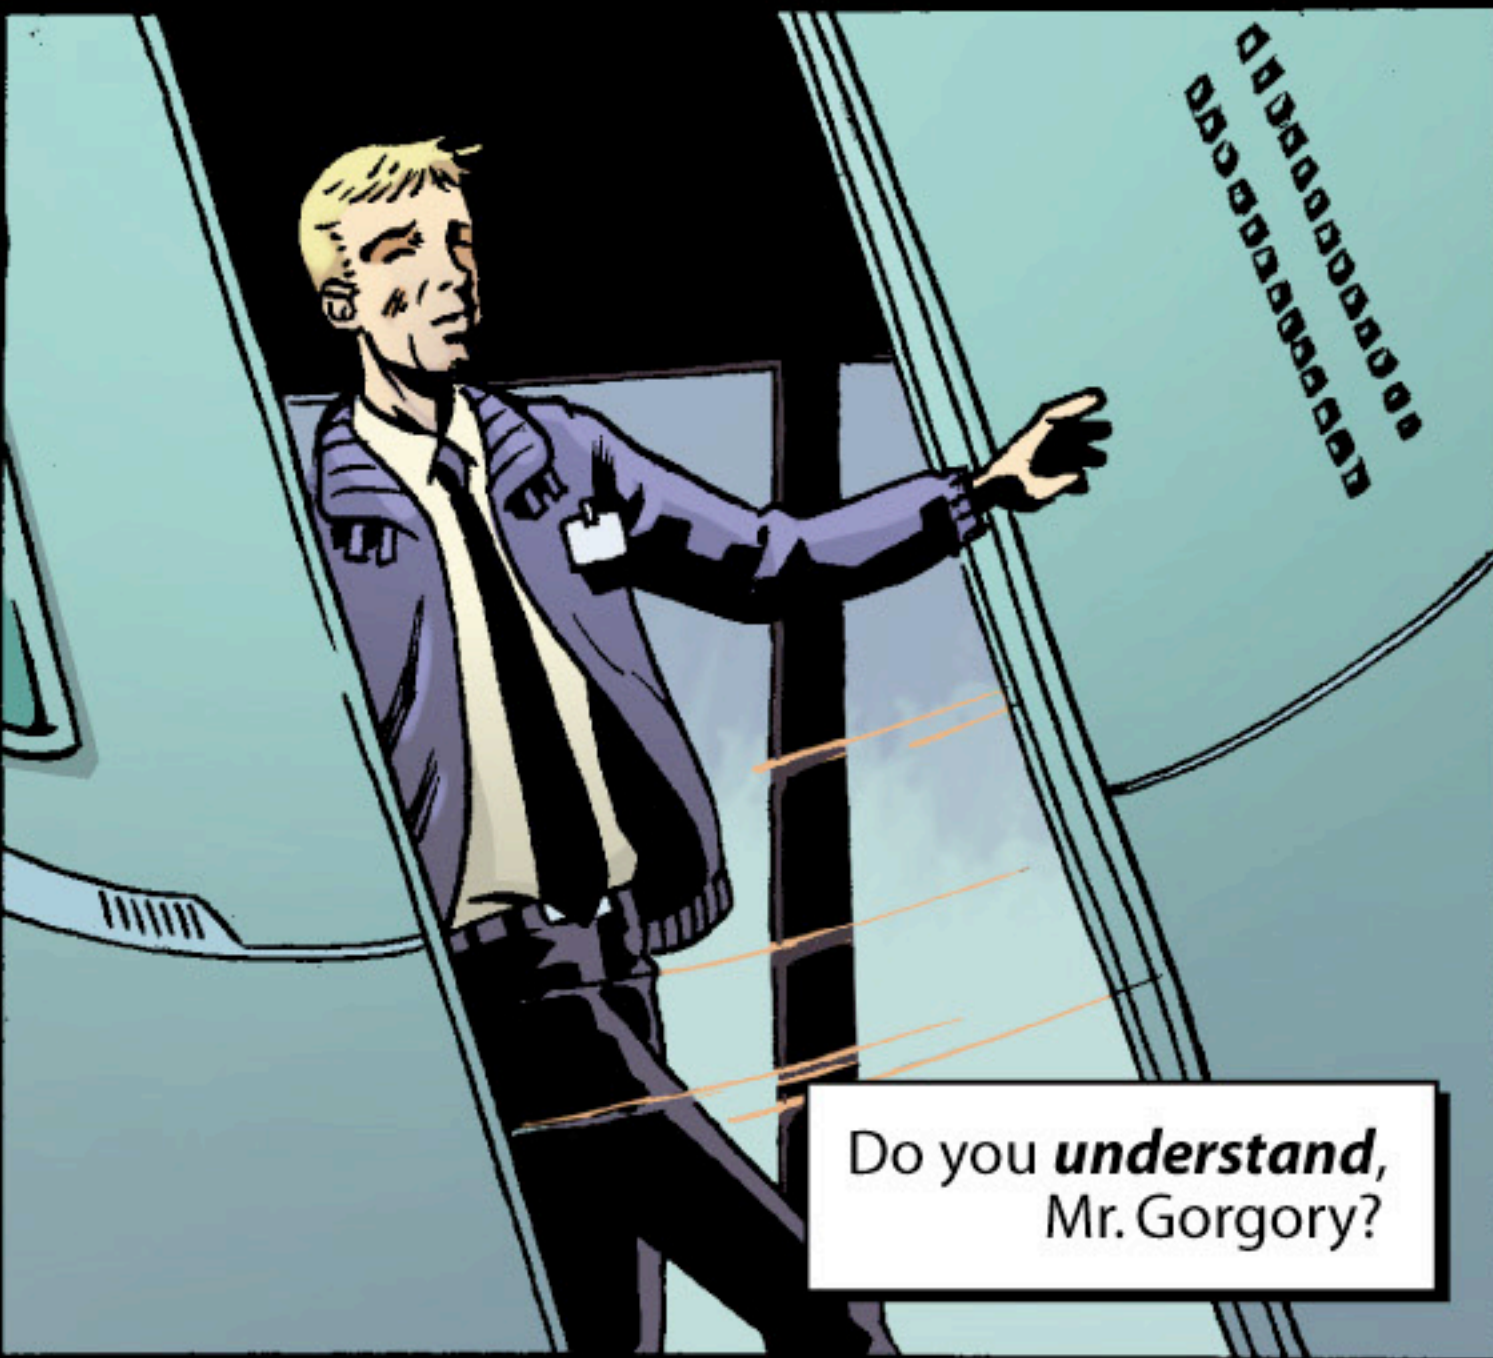

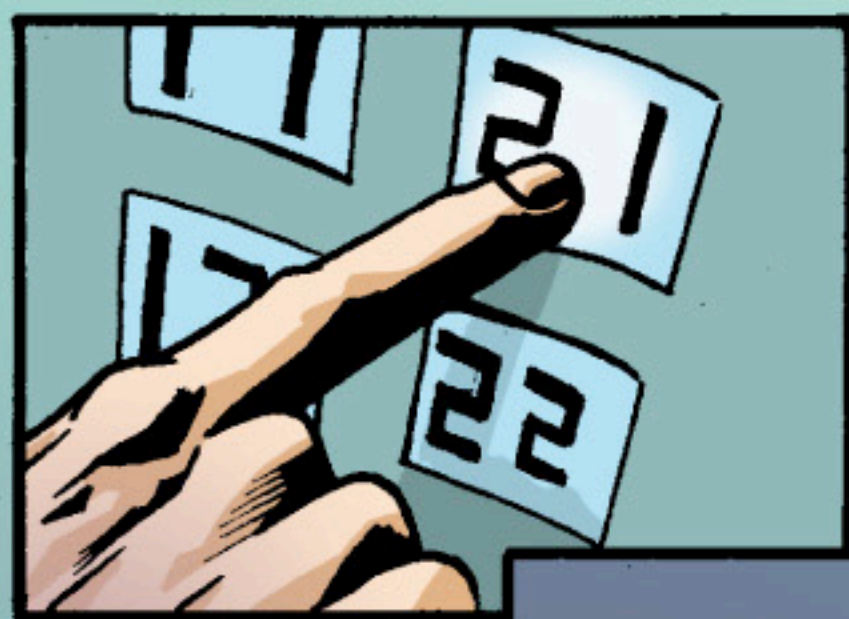

**Never** carry a gun with you to odd numbered levels.

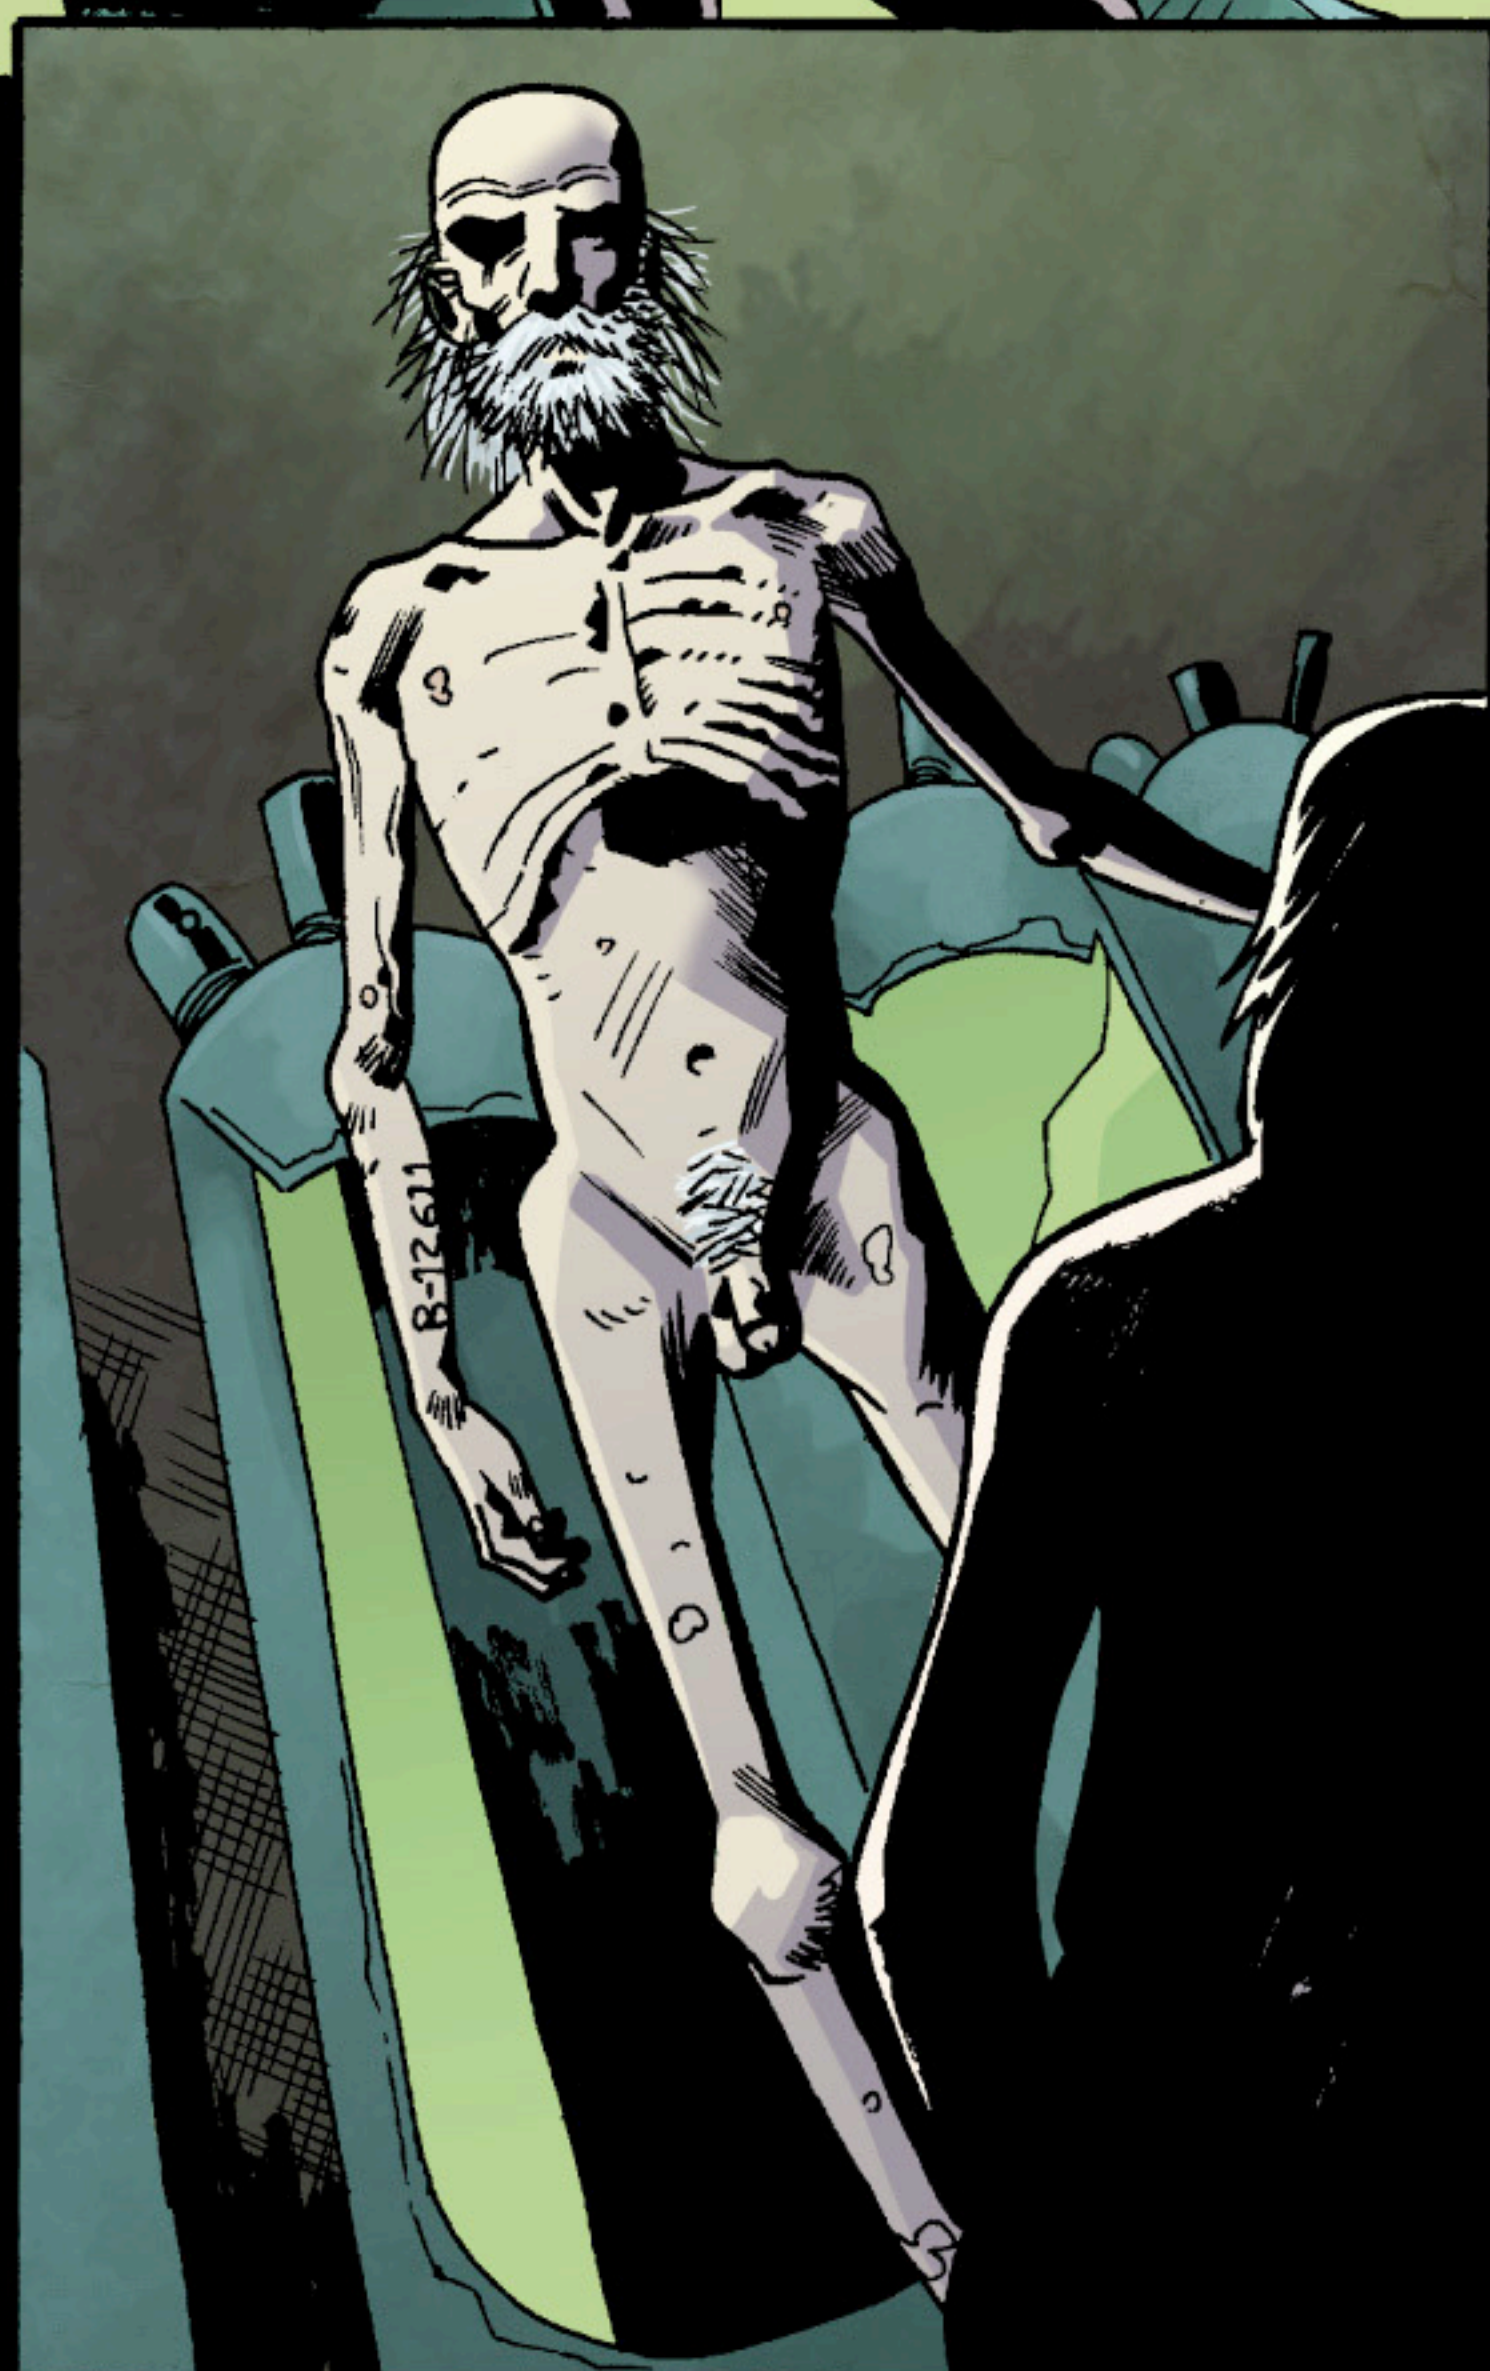

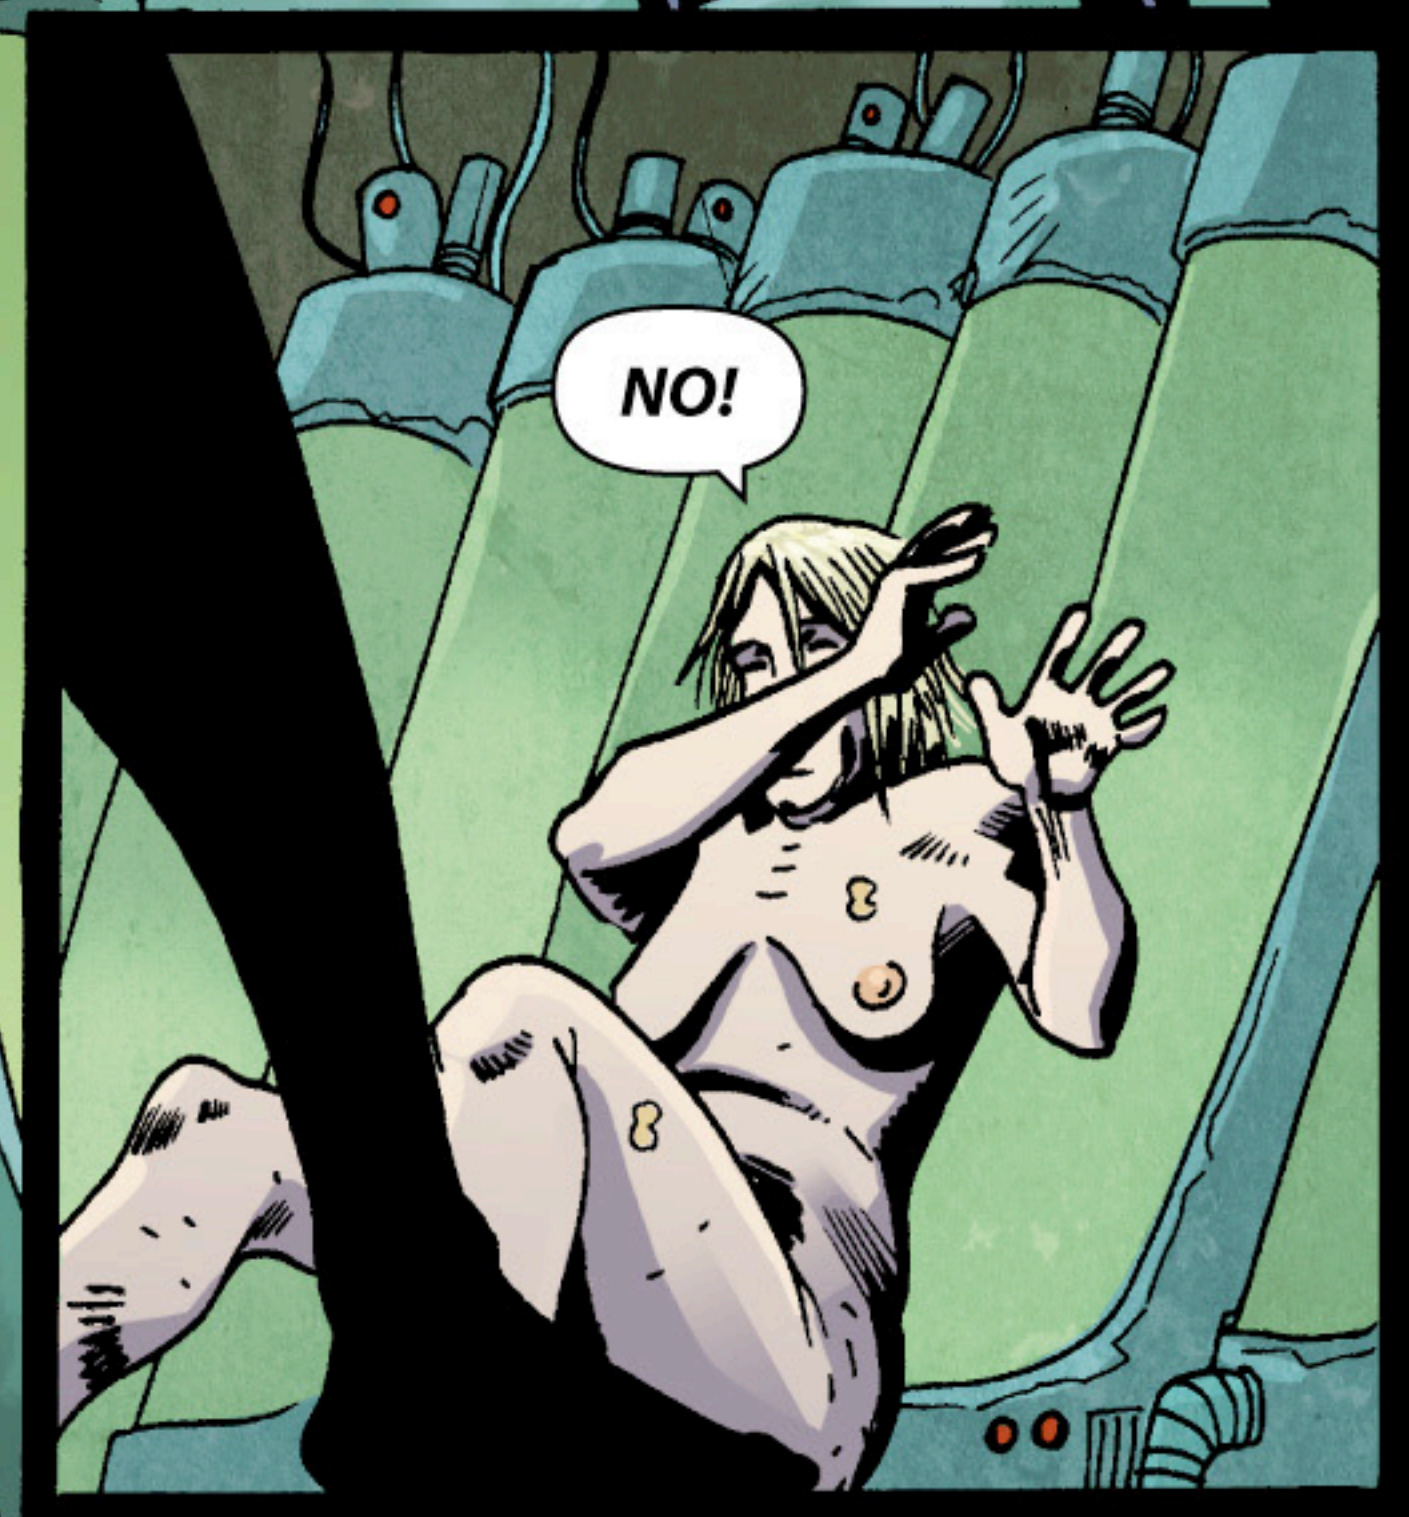

Do you **understand**, Mr. Gorgory?

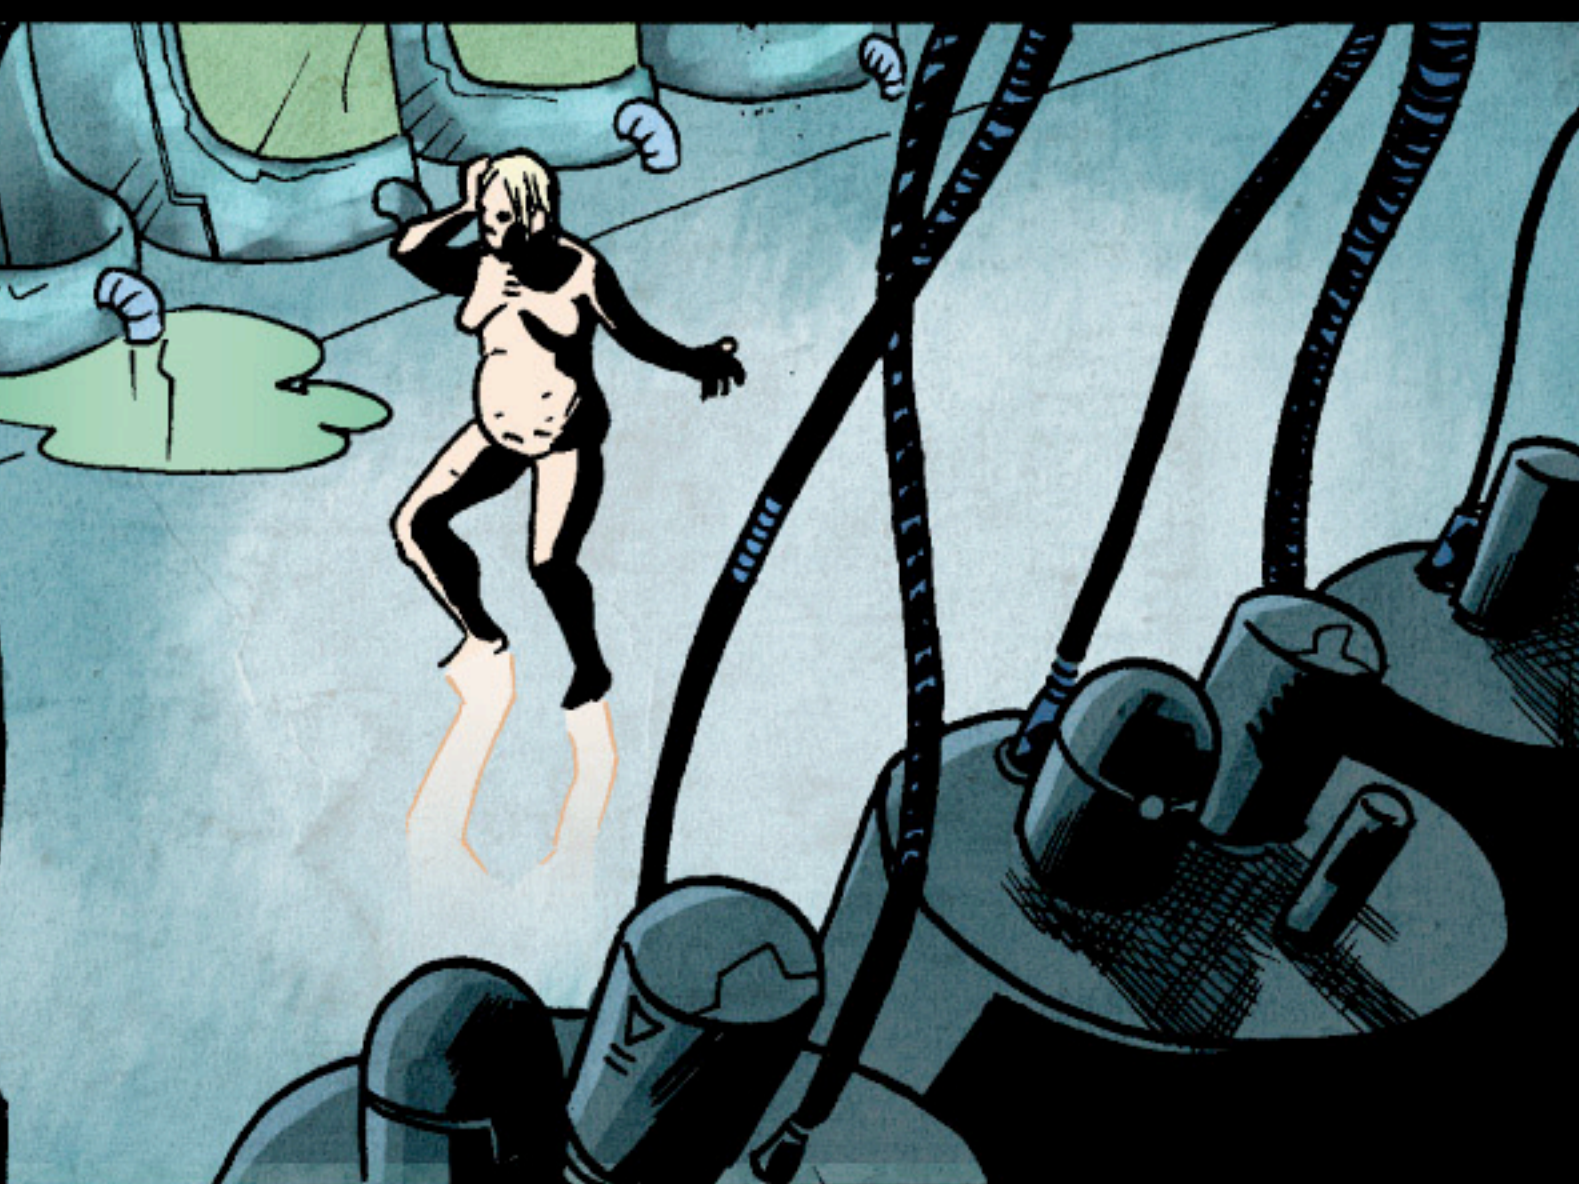

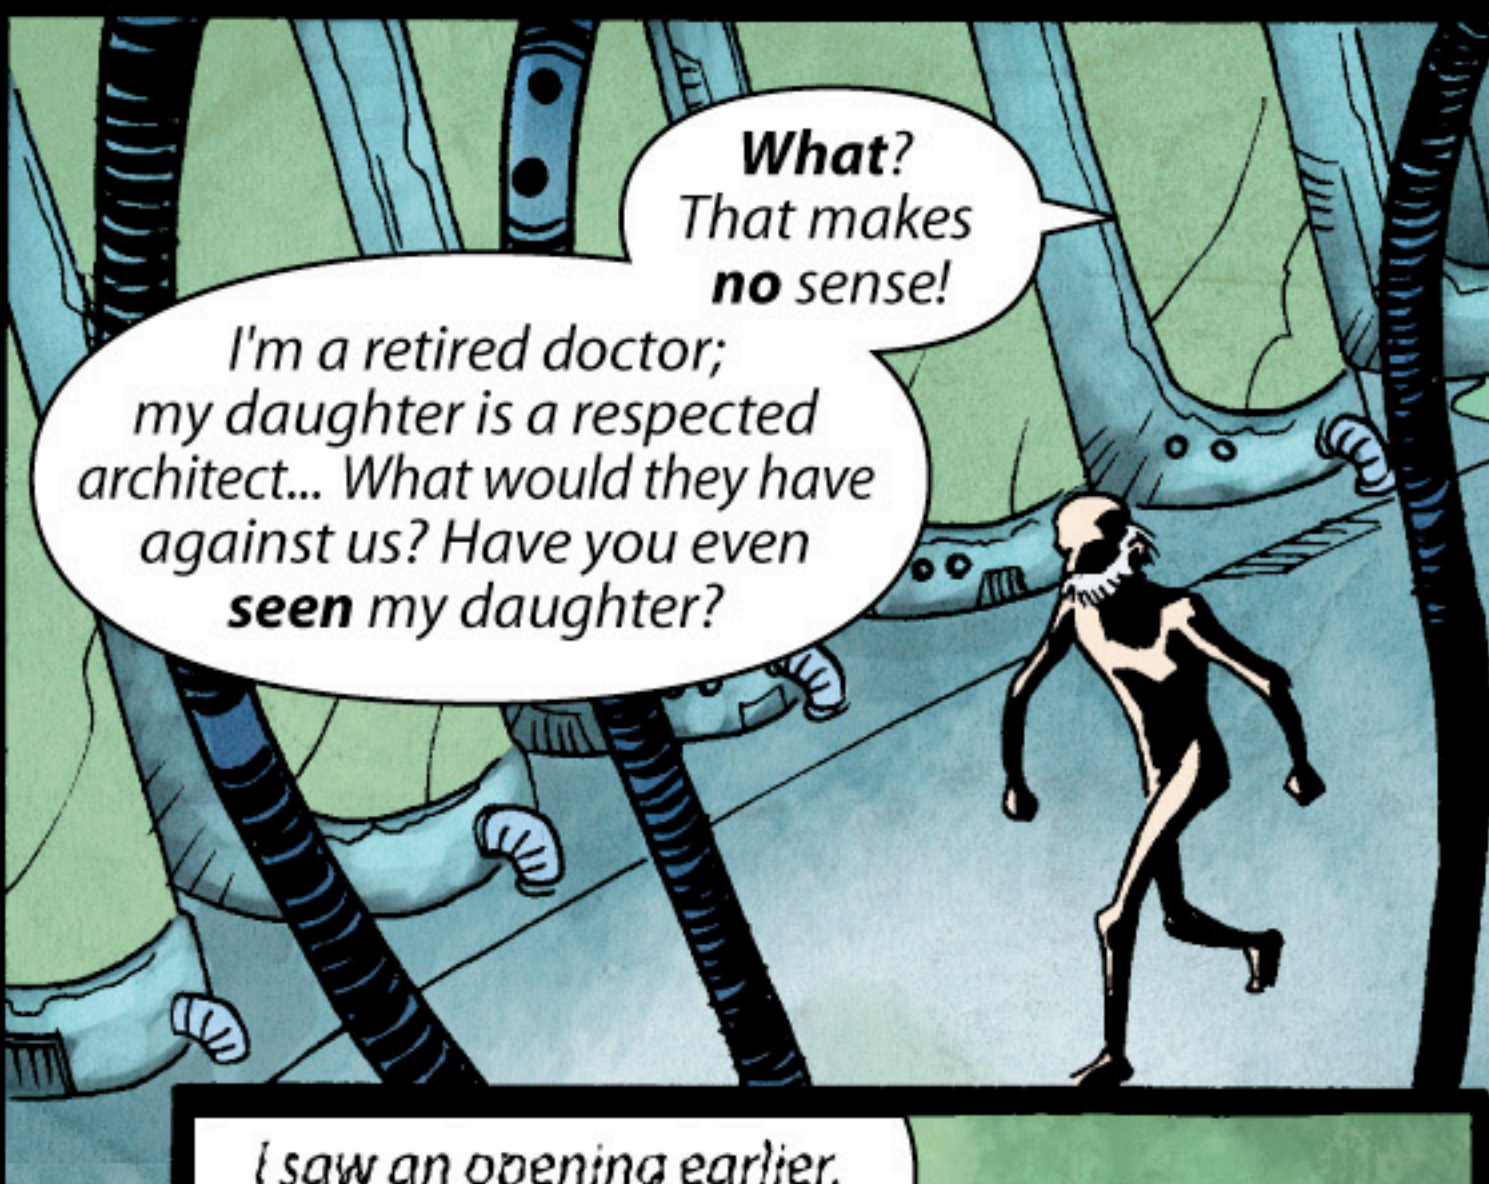

Yes, Mr. Dvorak.

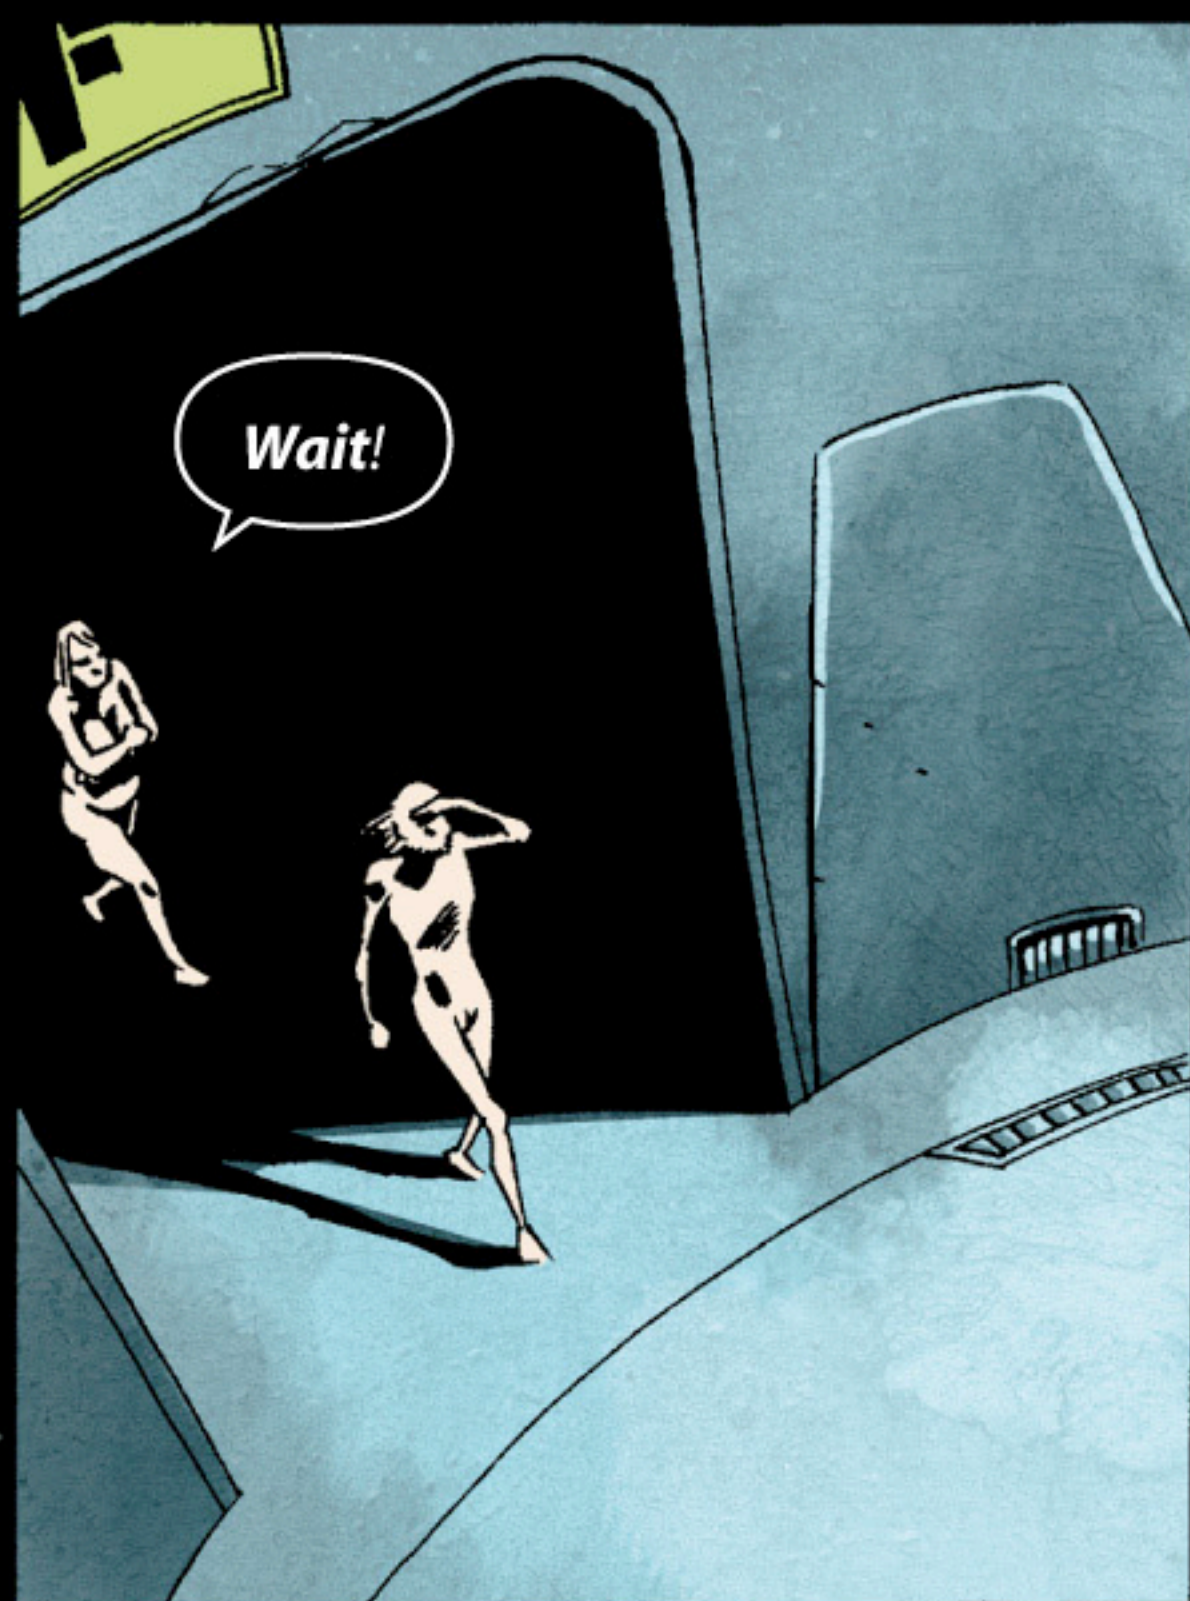

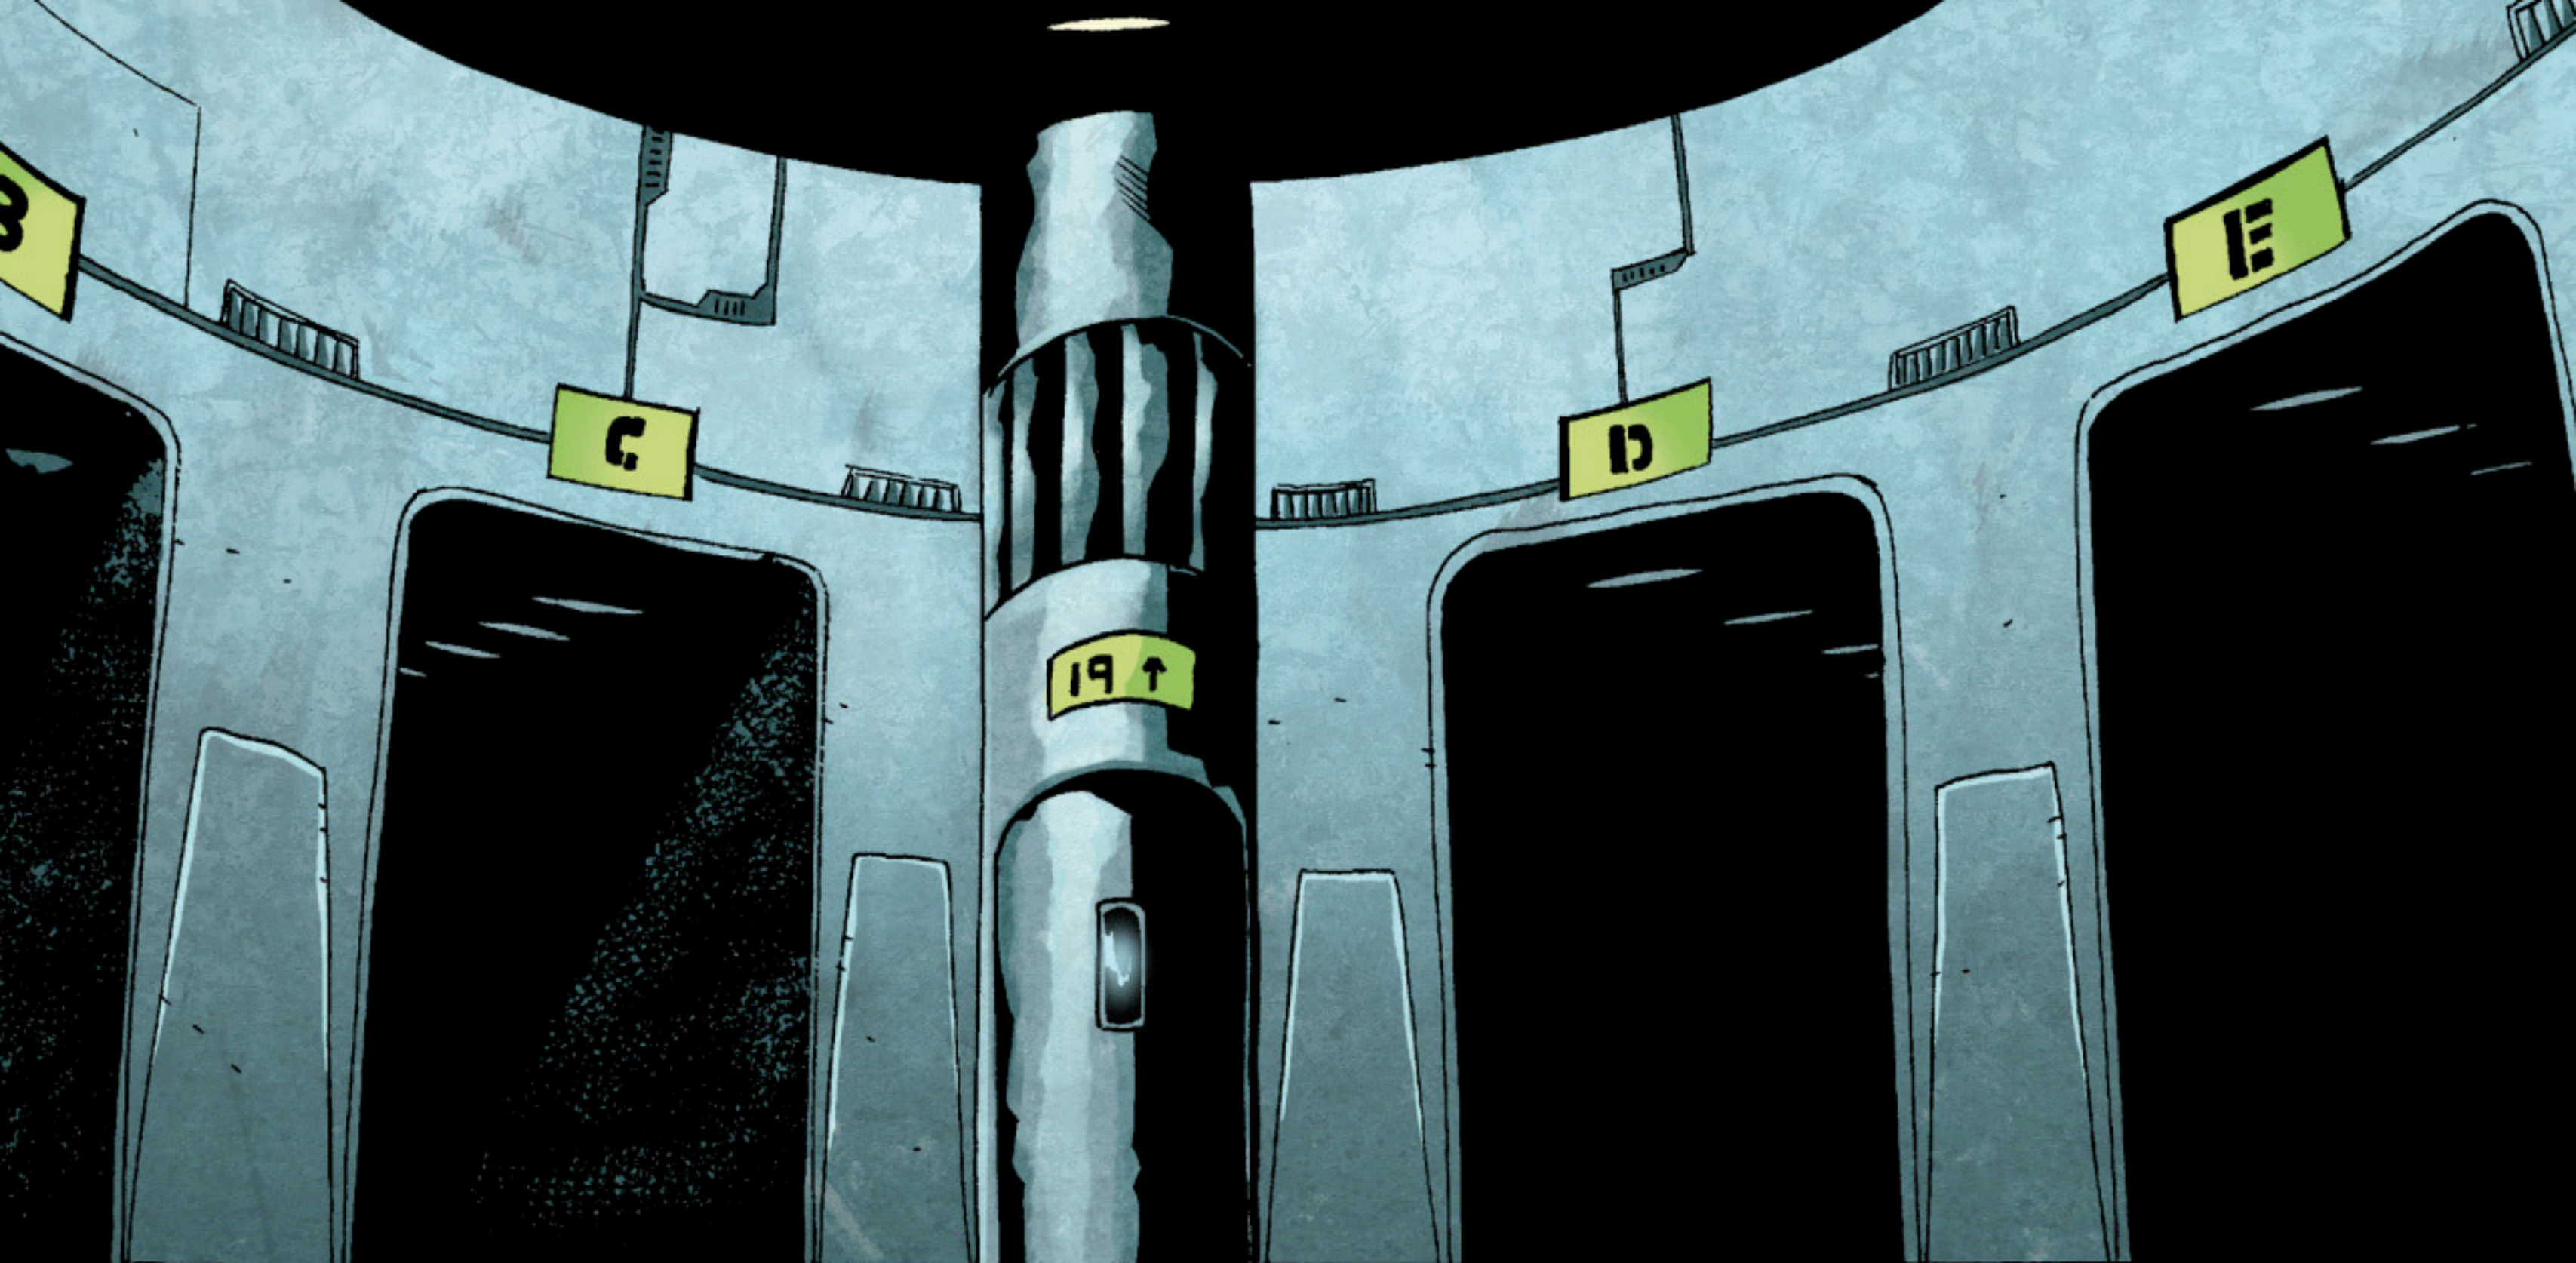

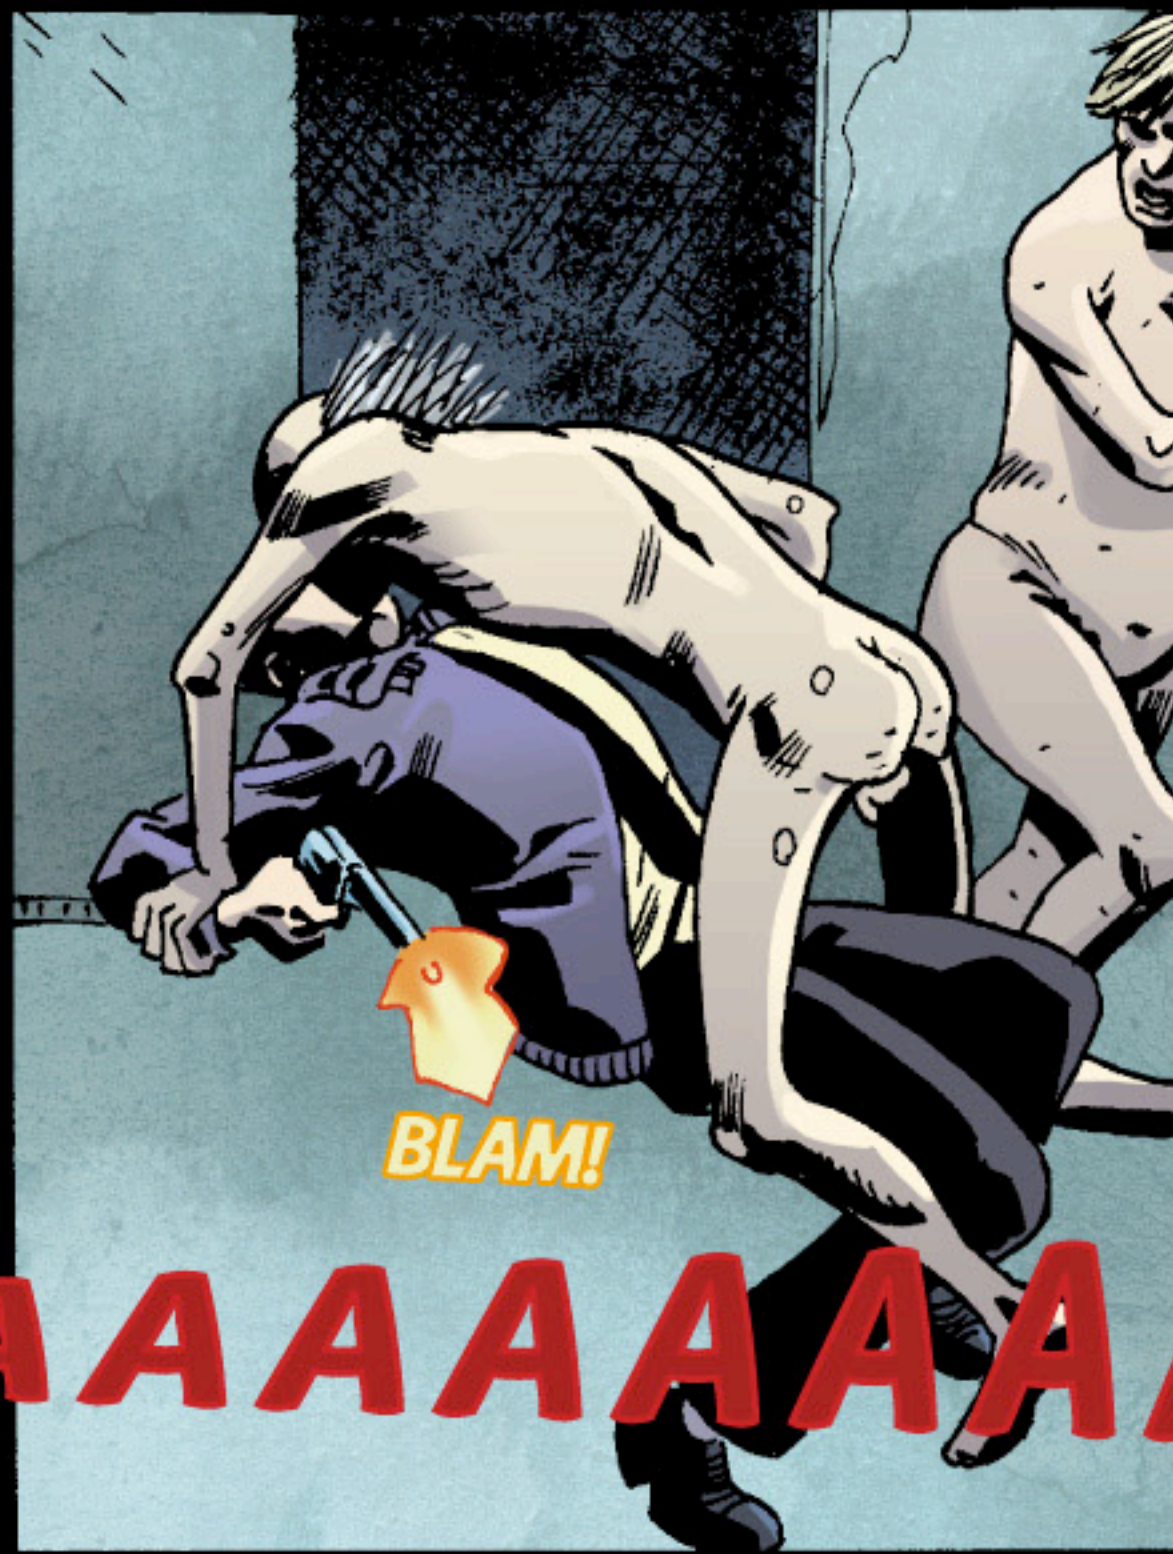

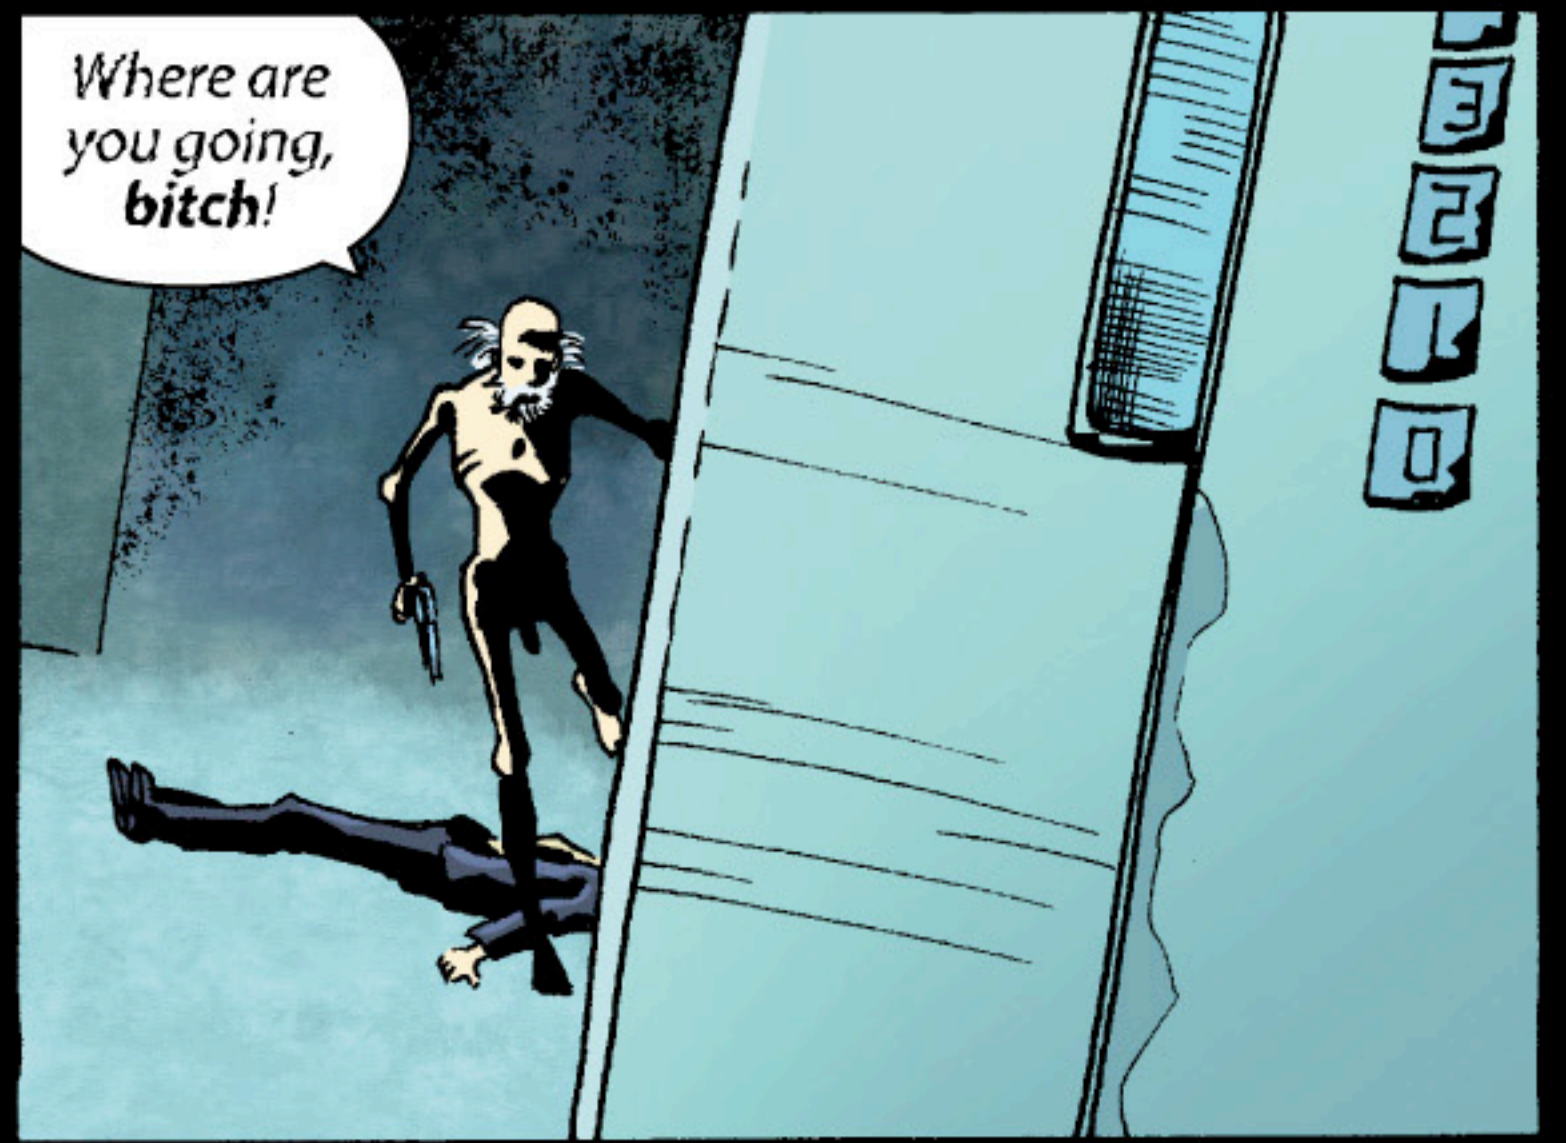

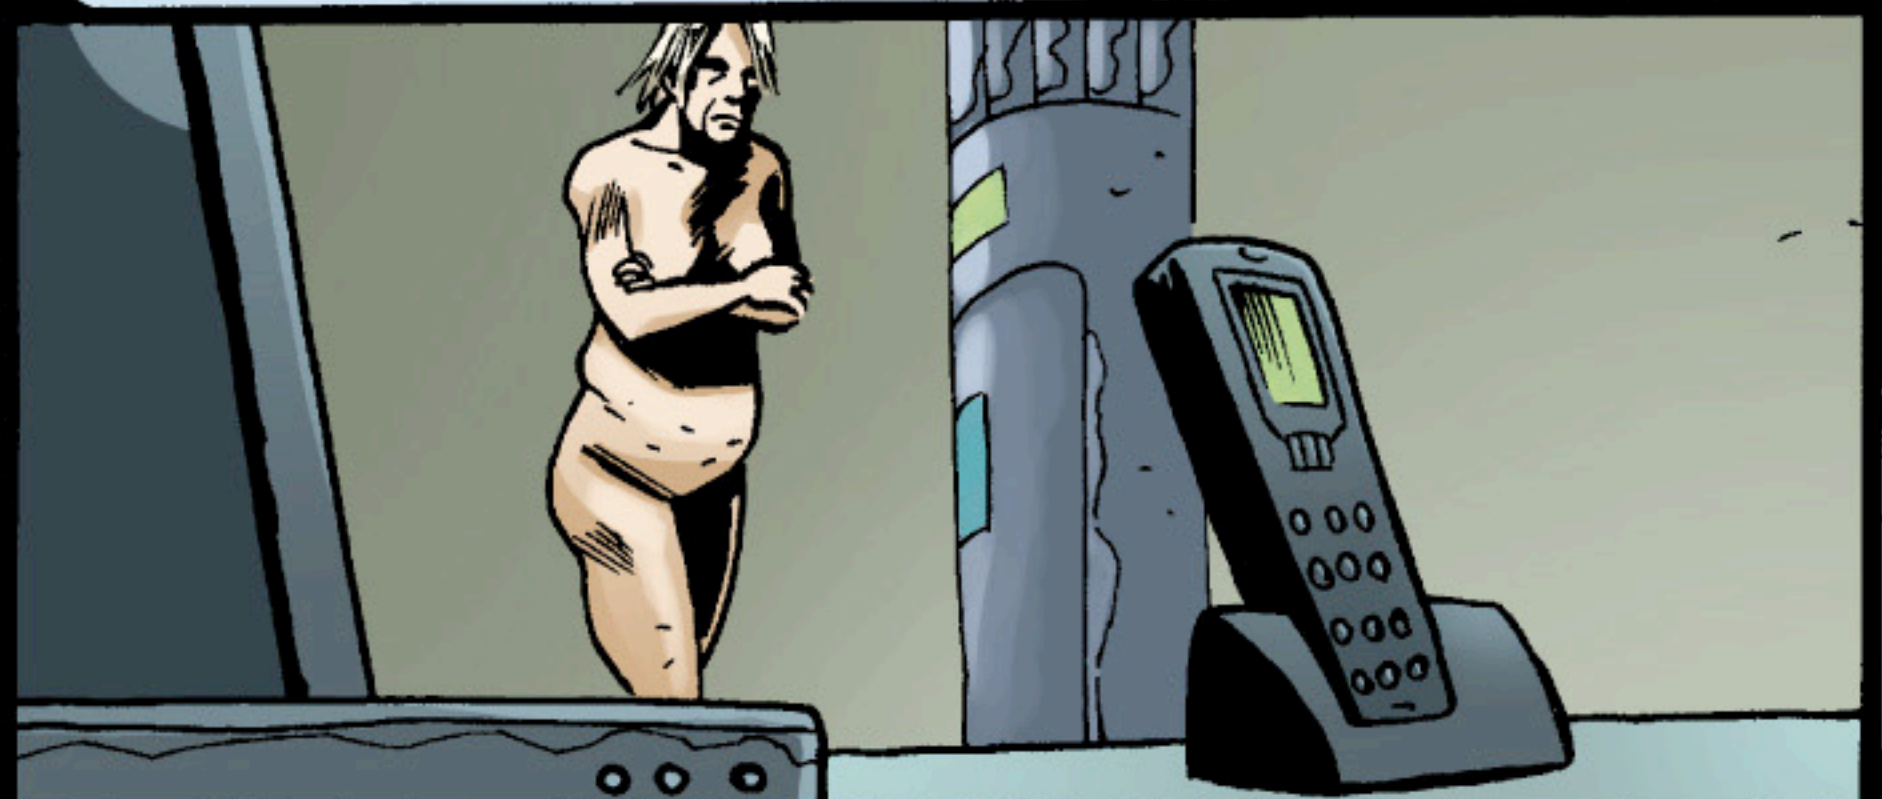

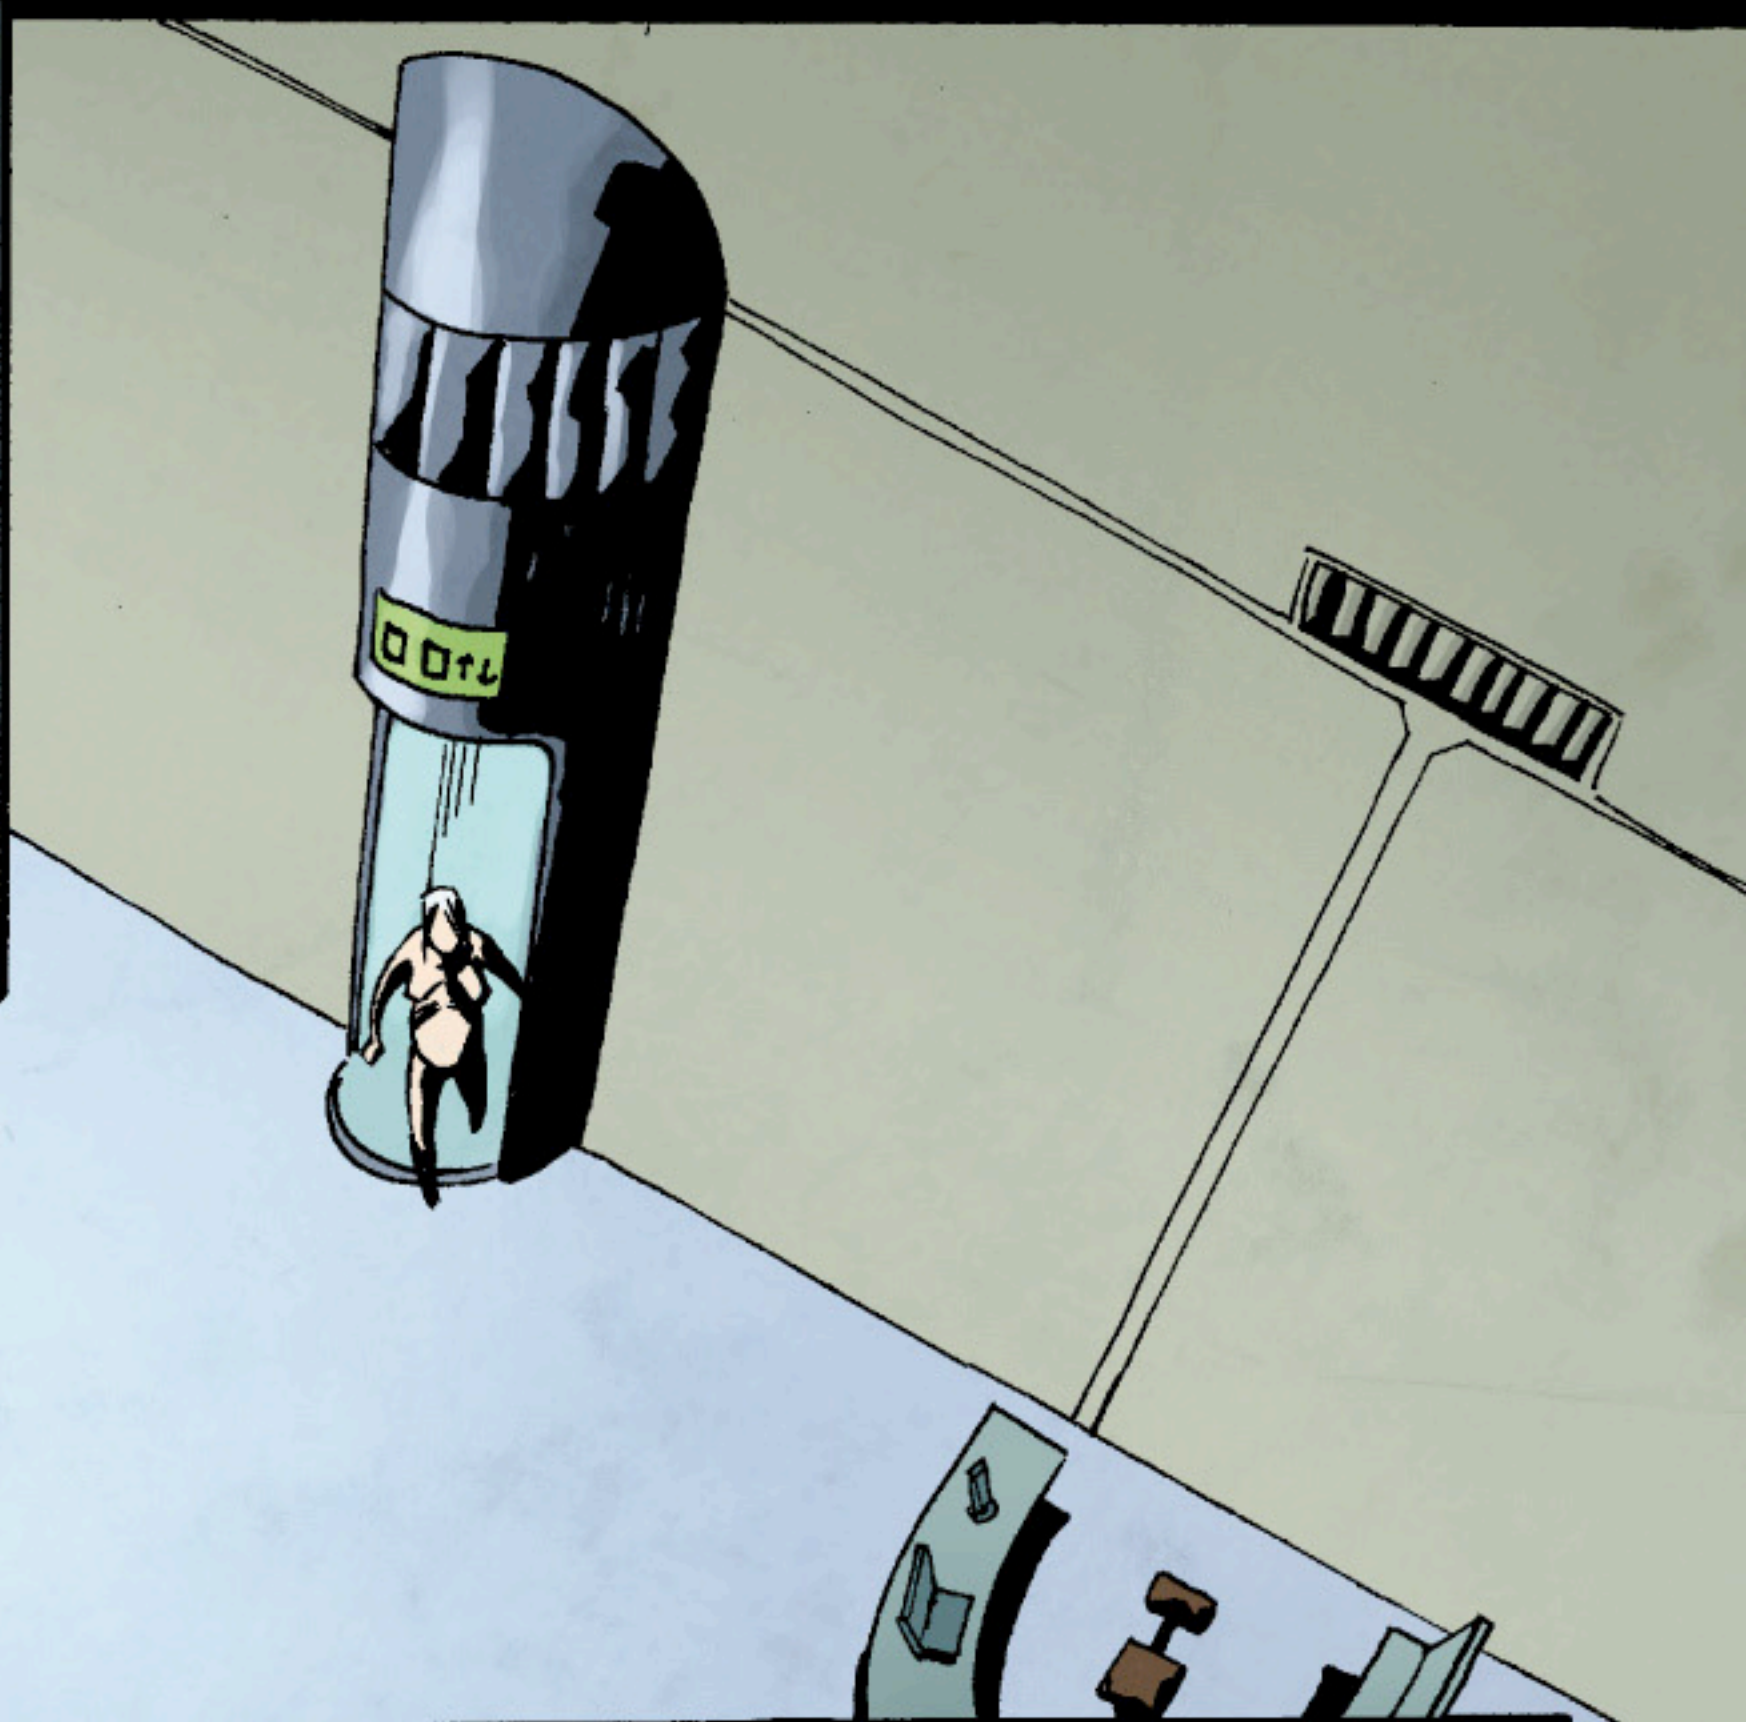

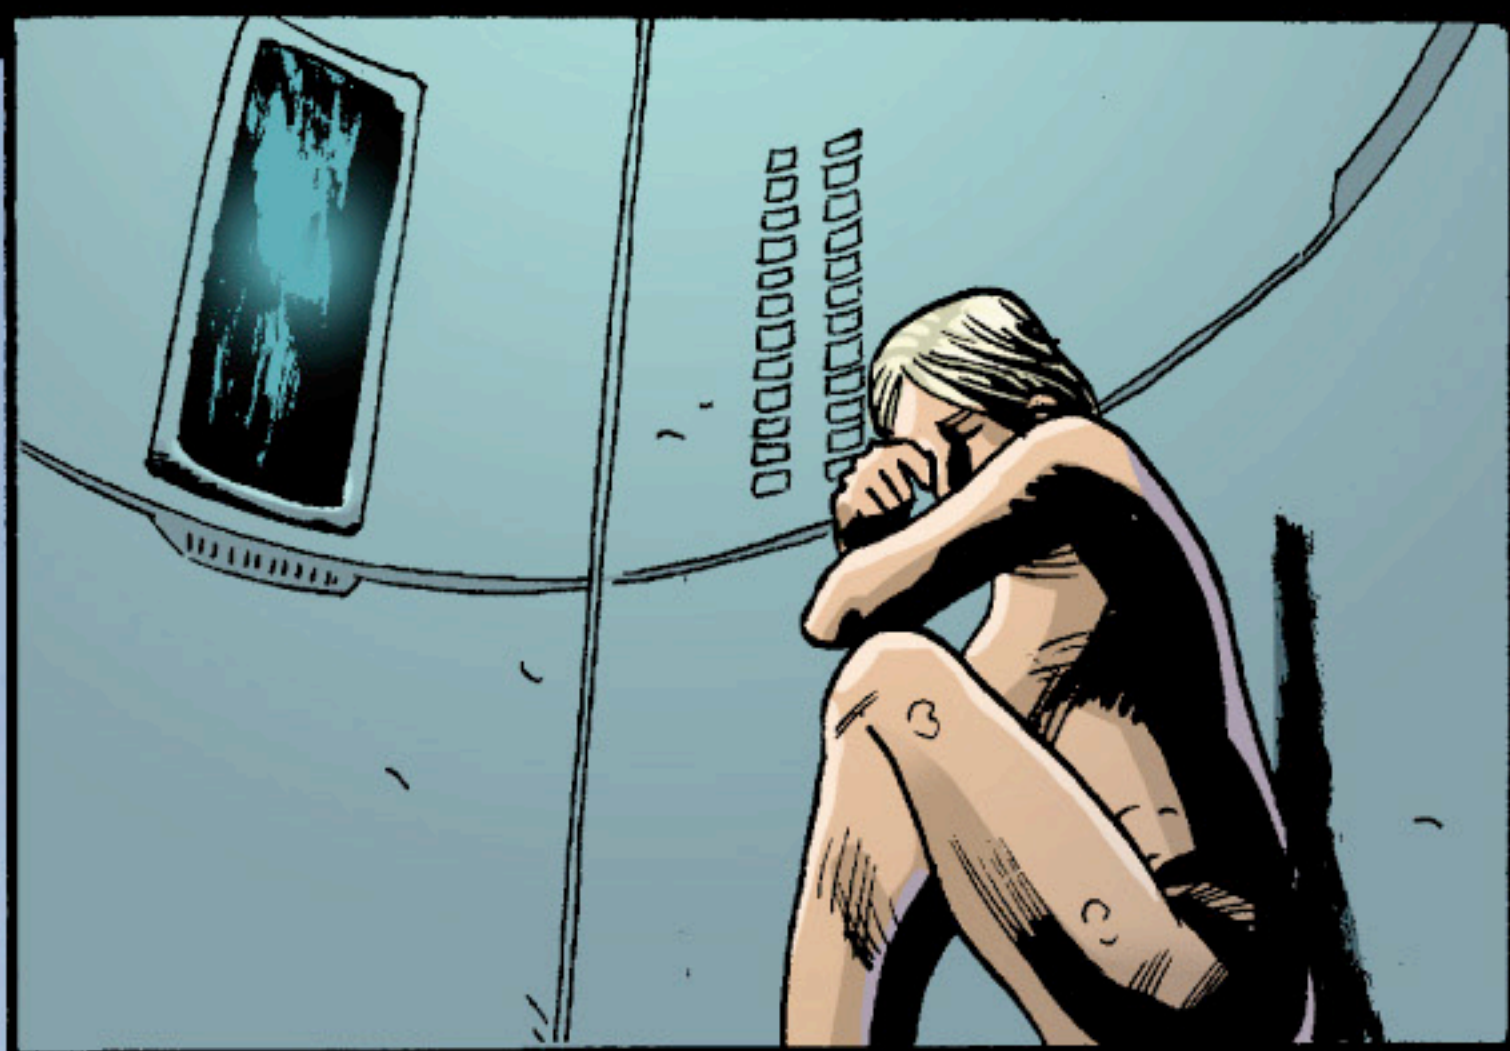

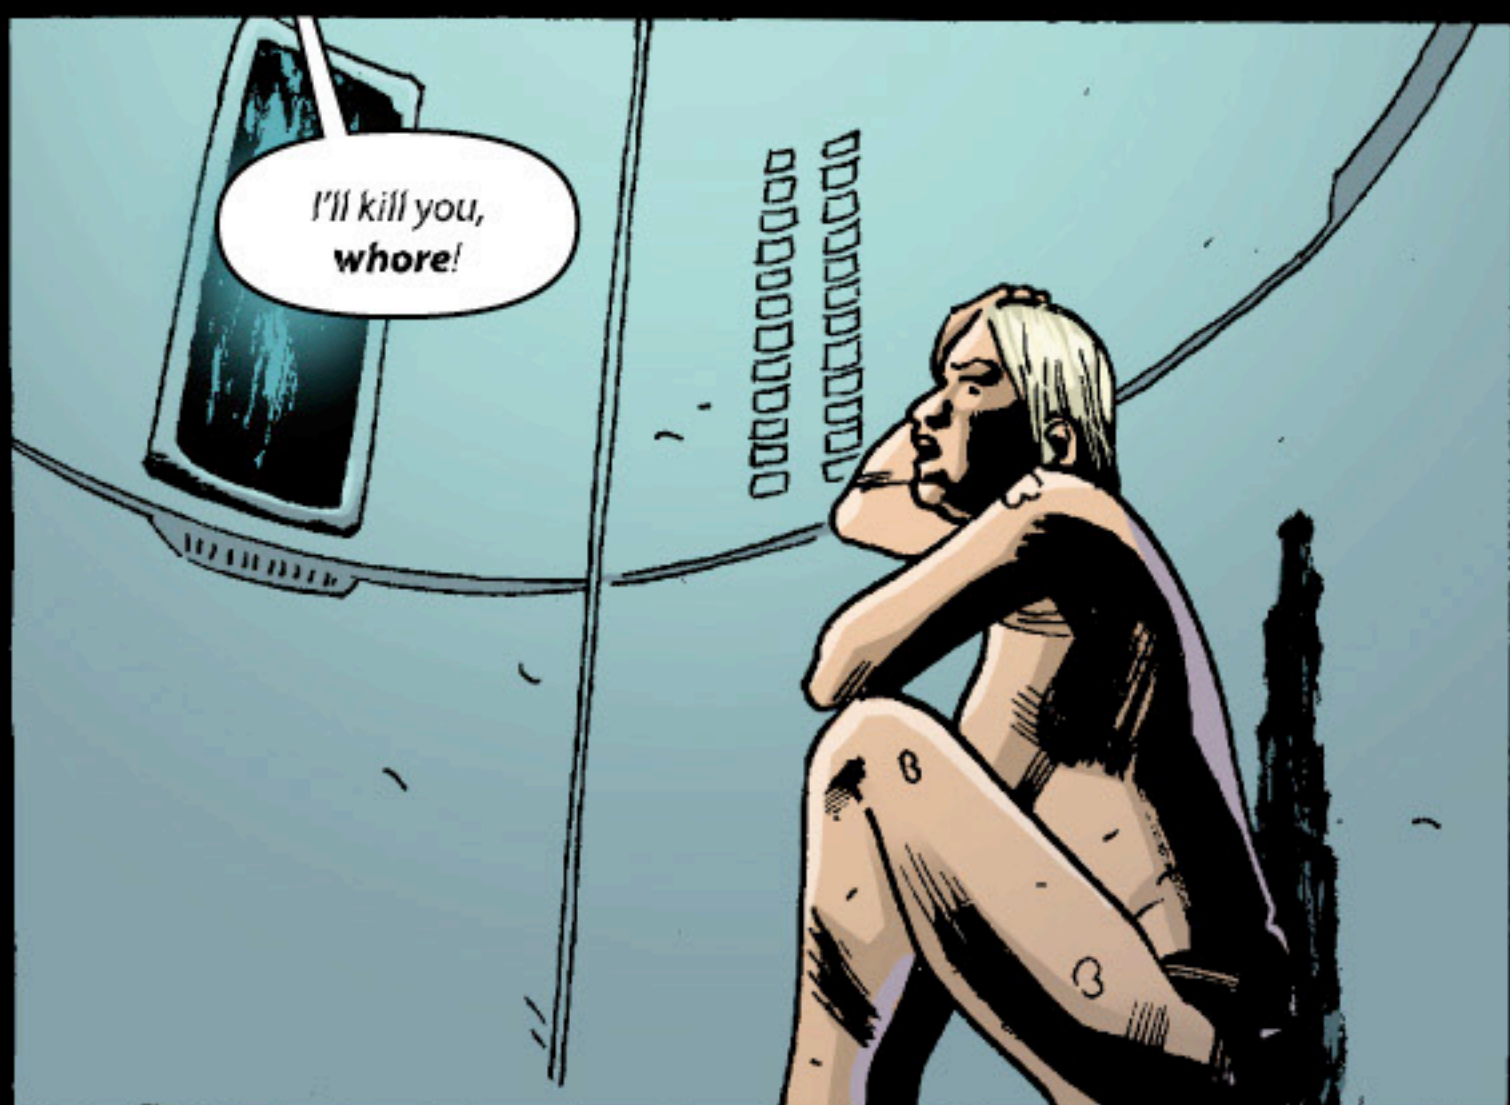

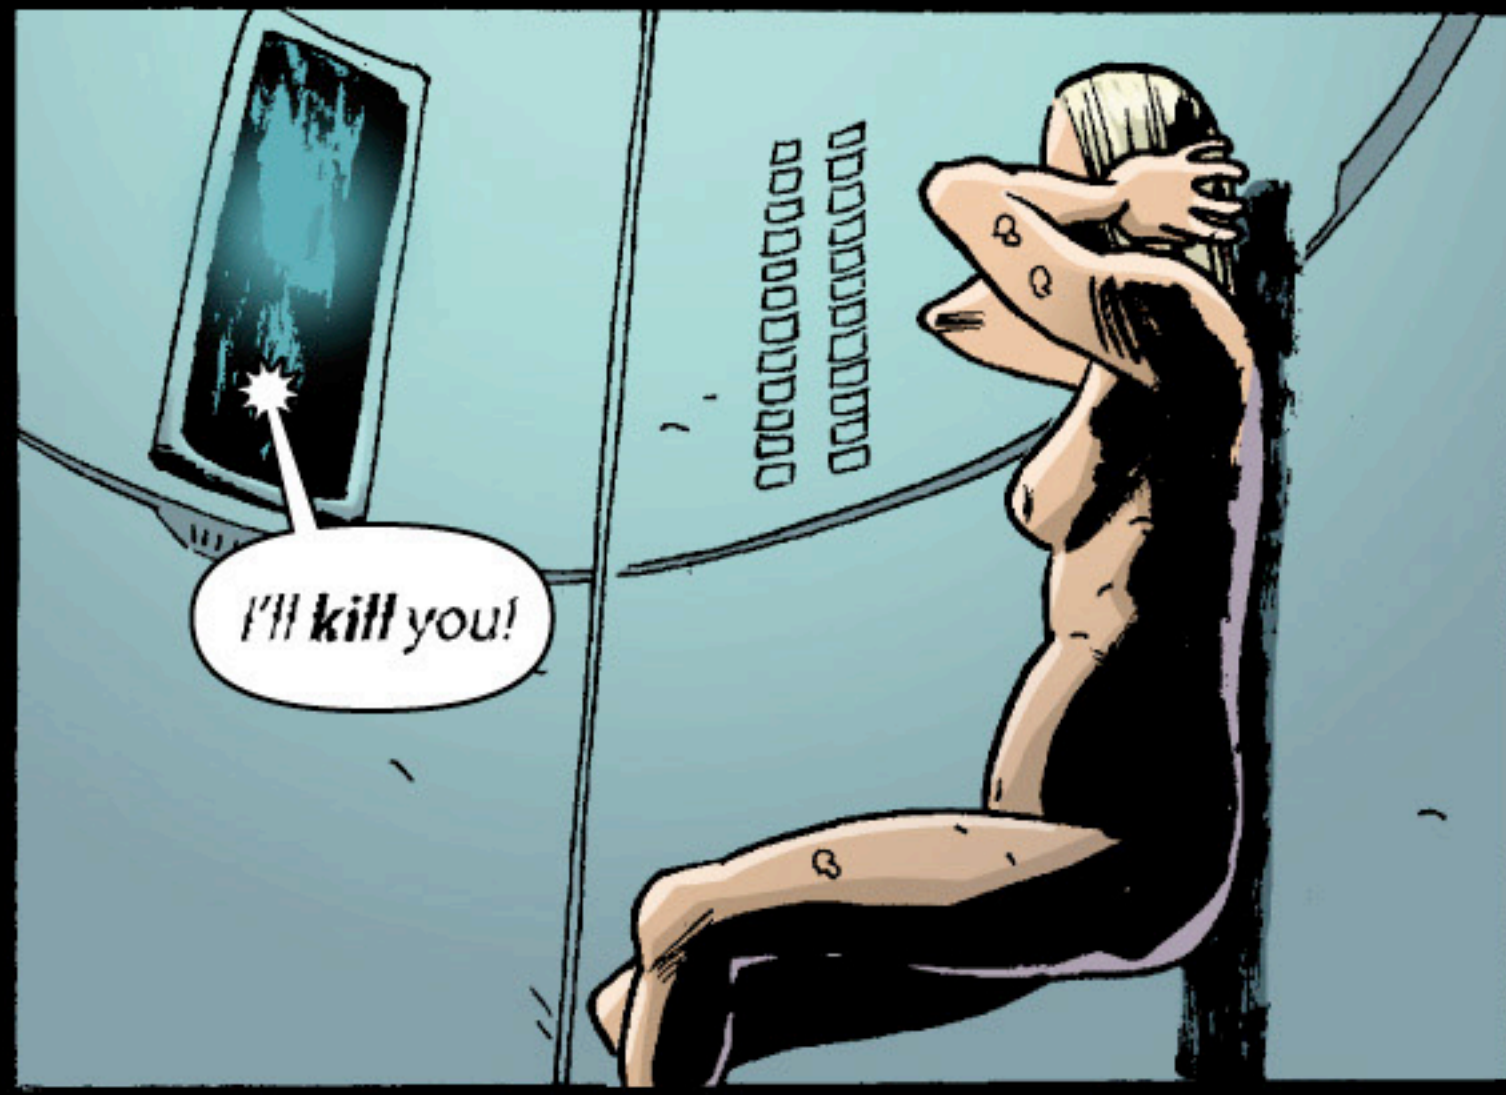

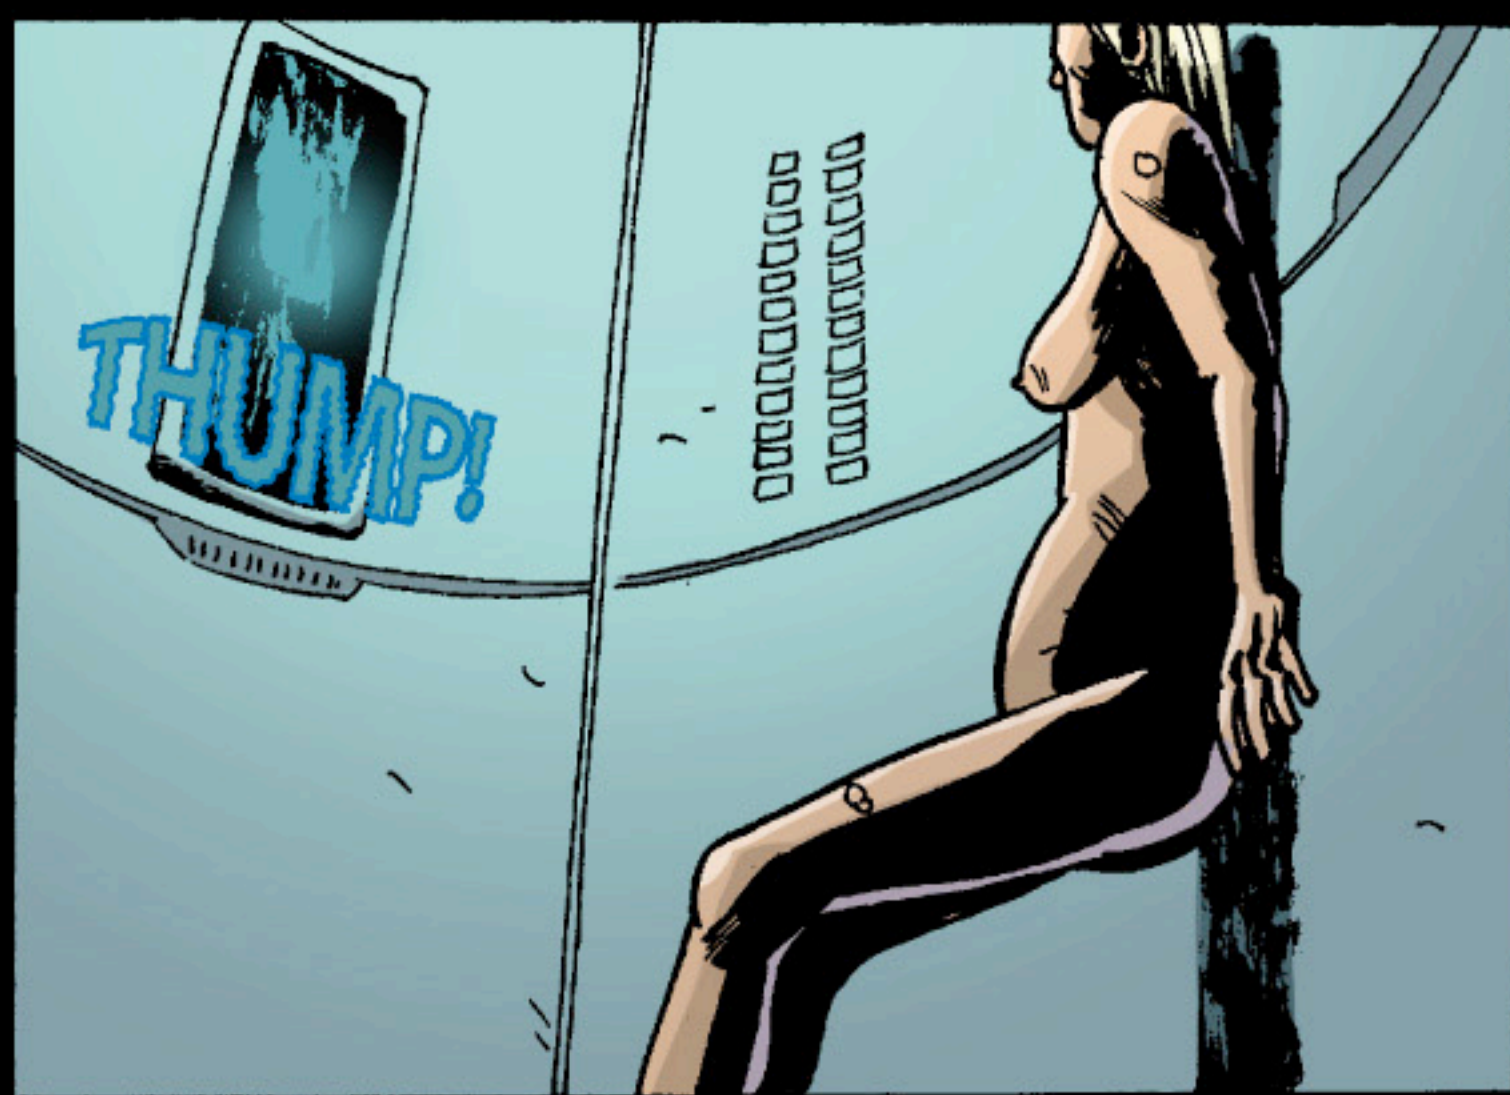

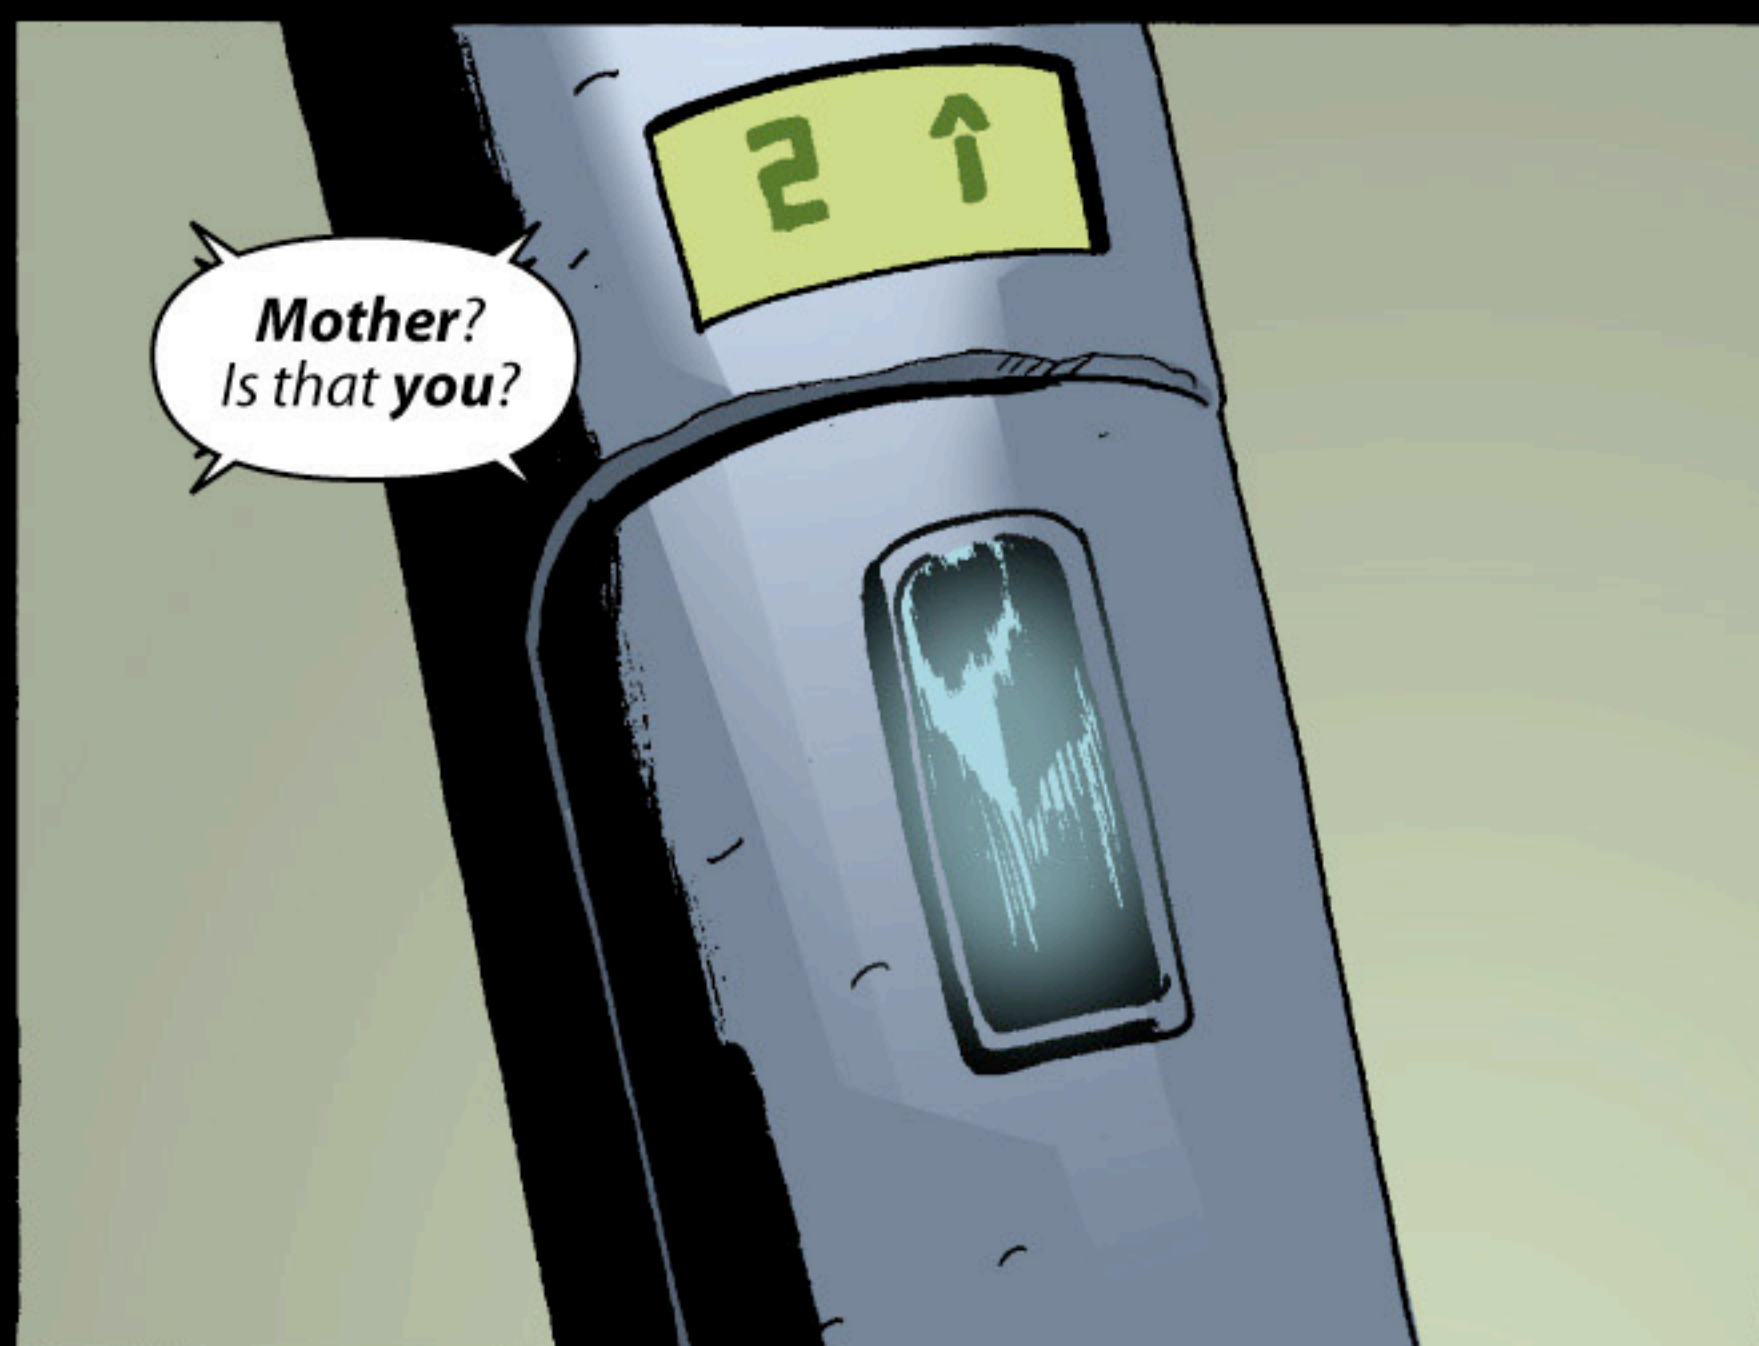

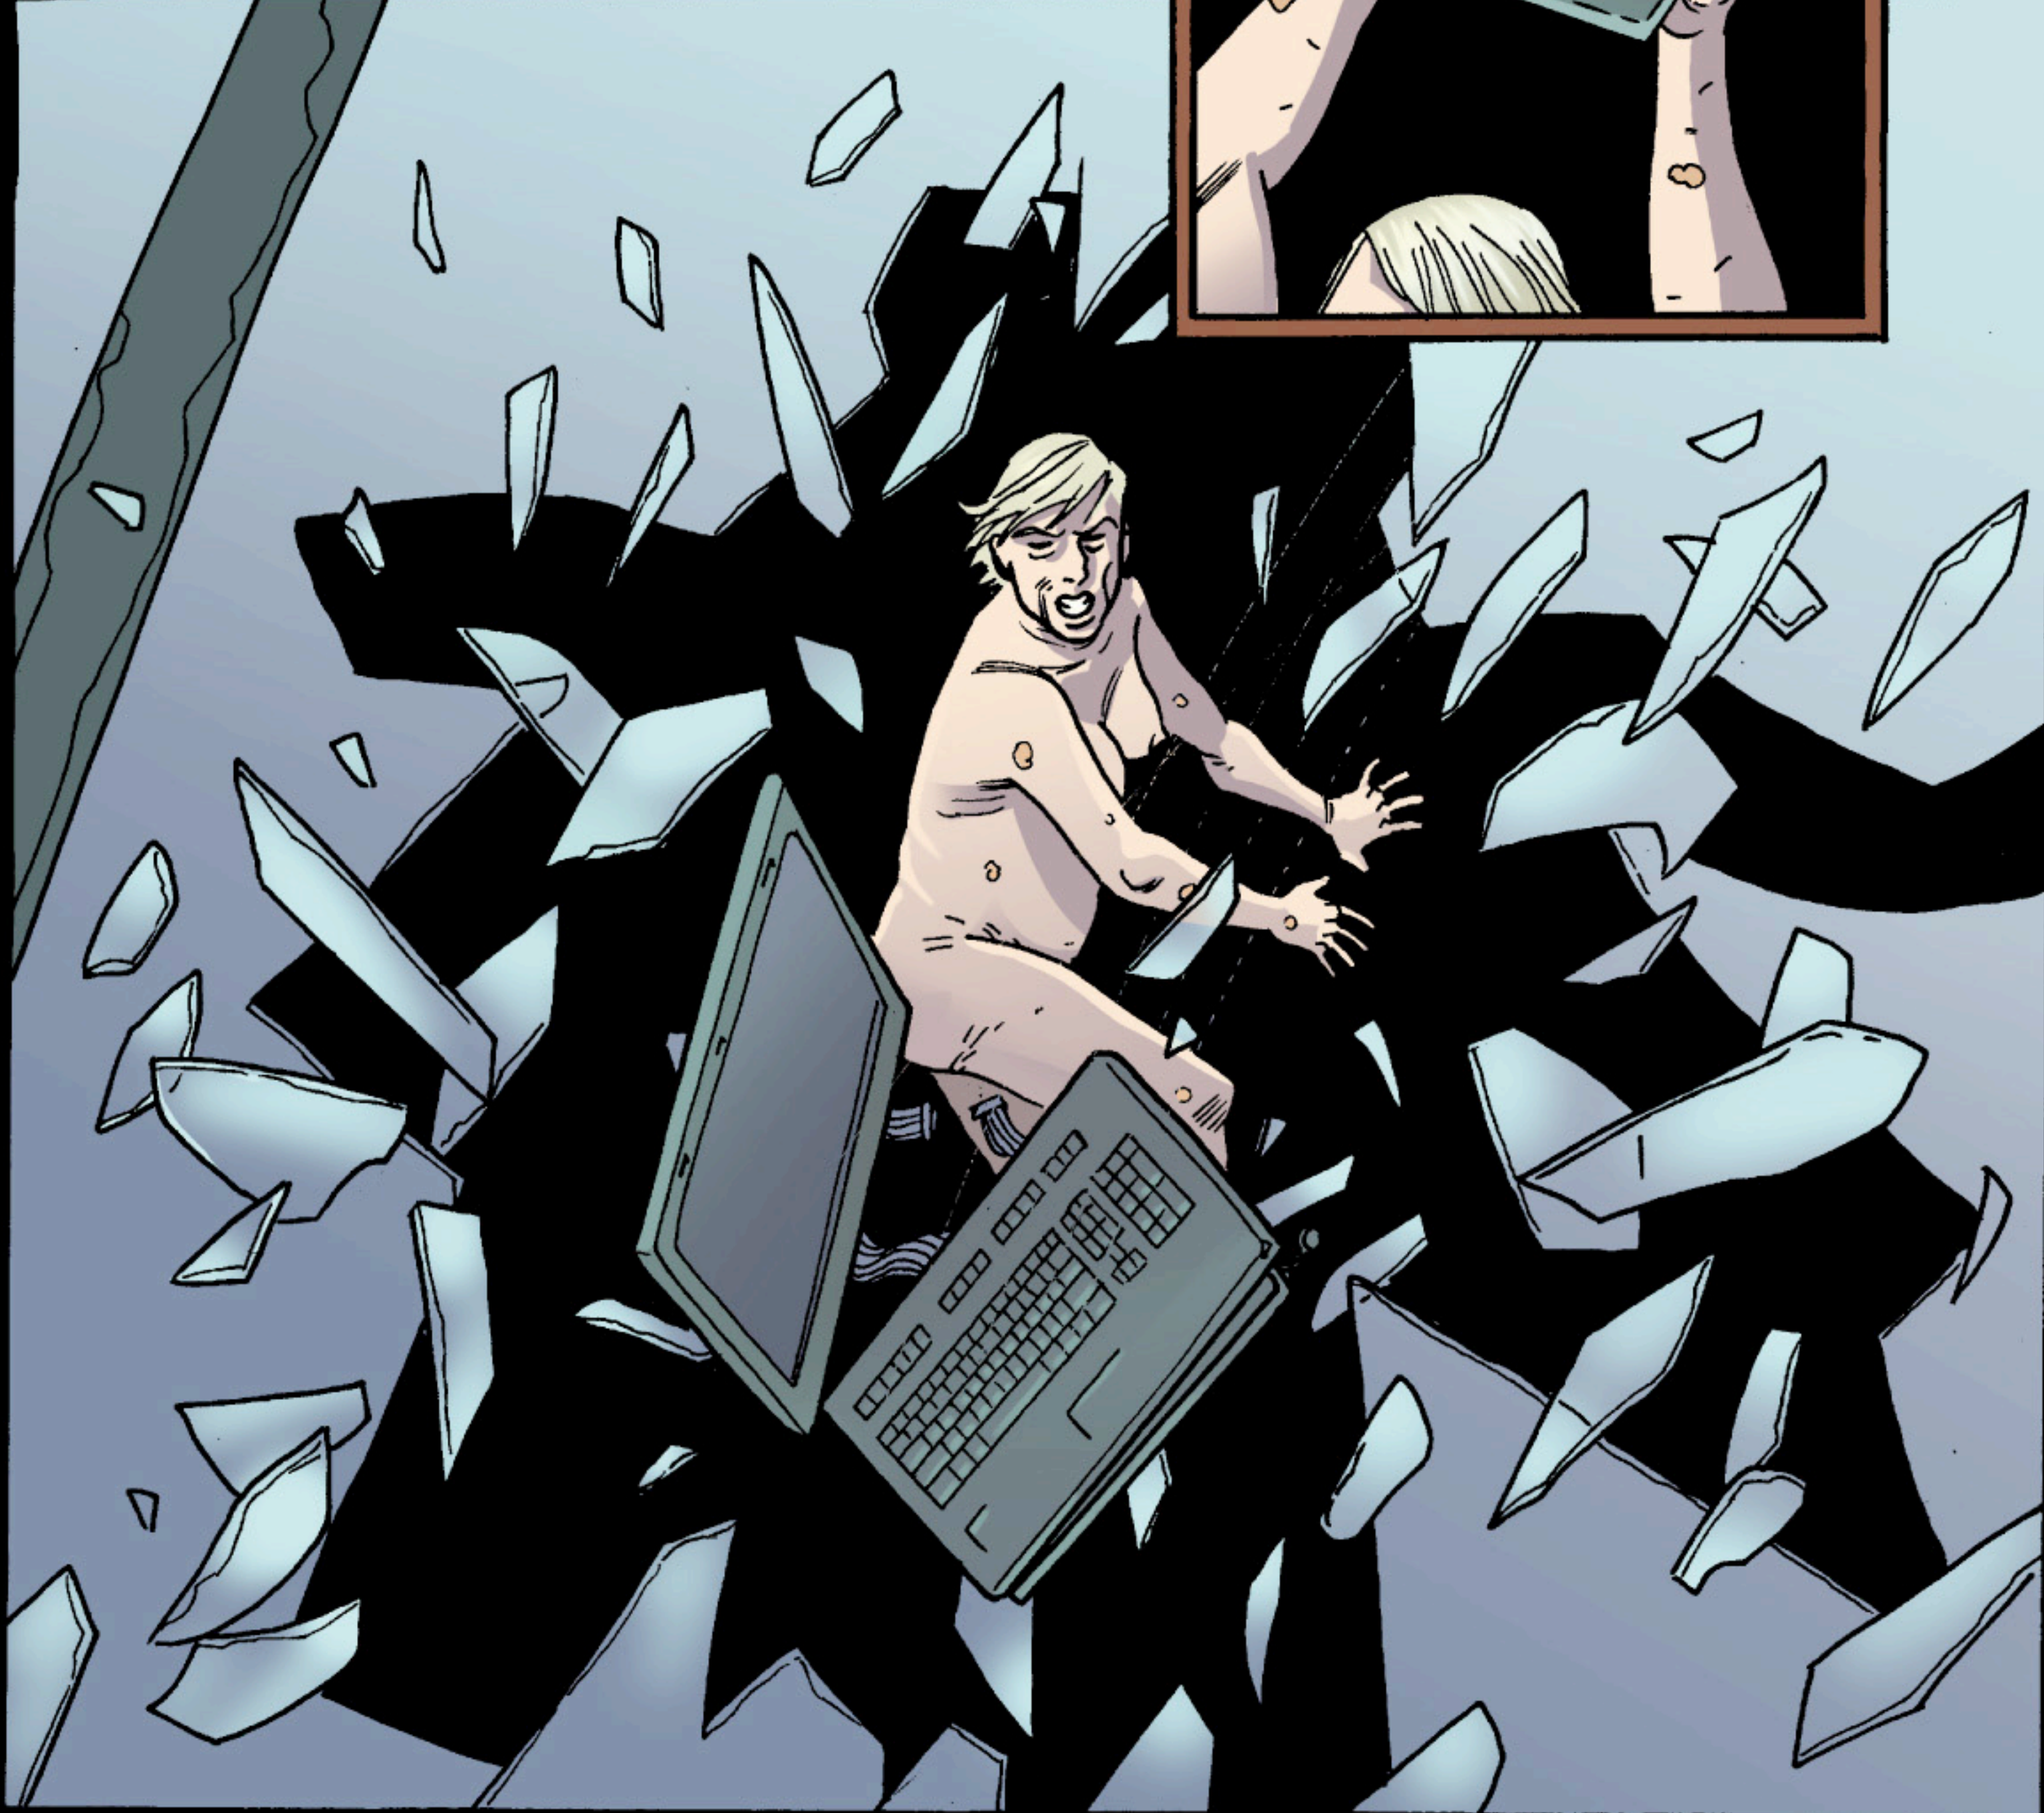

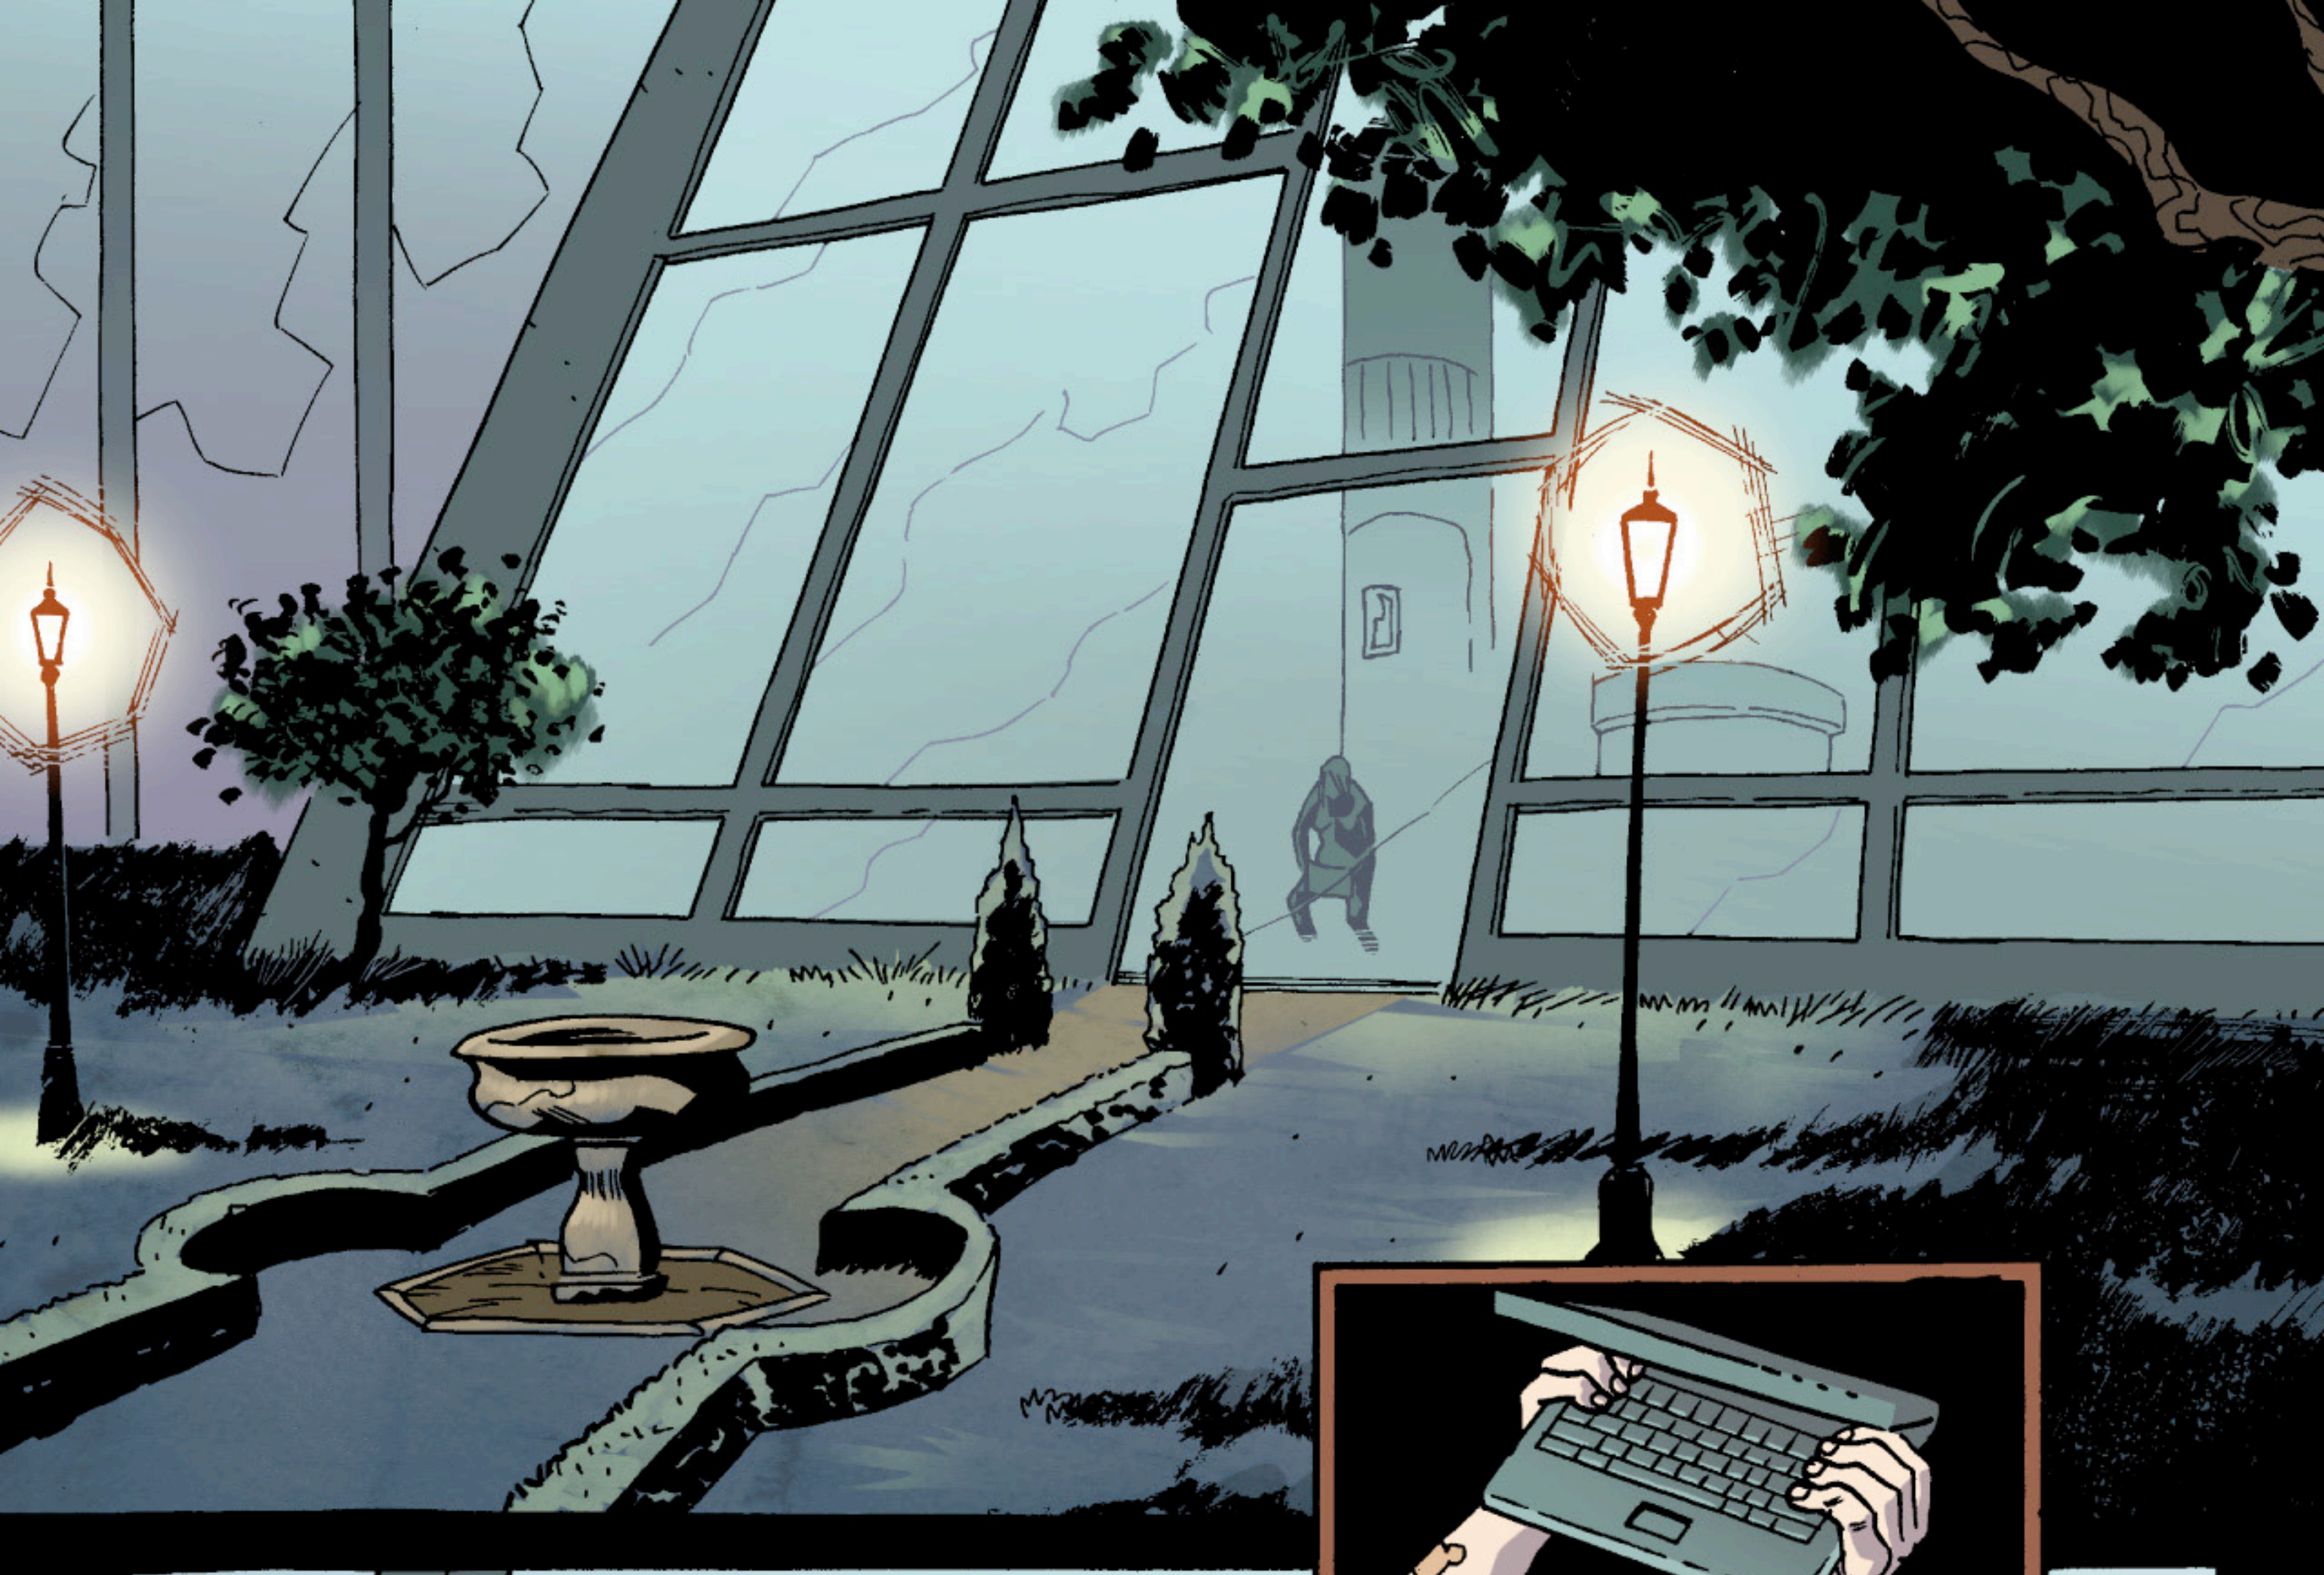

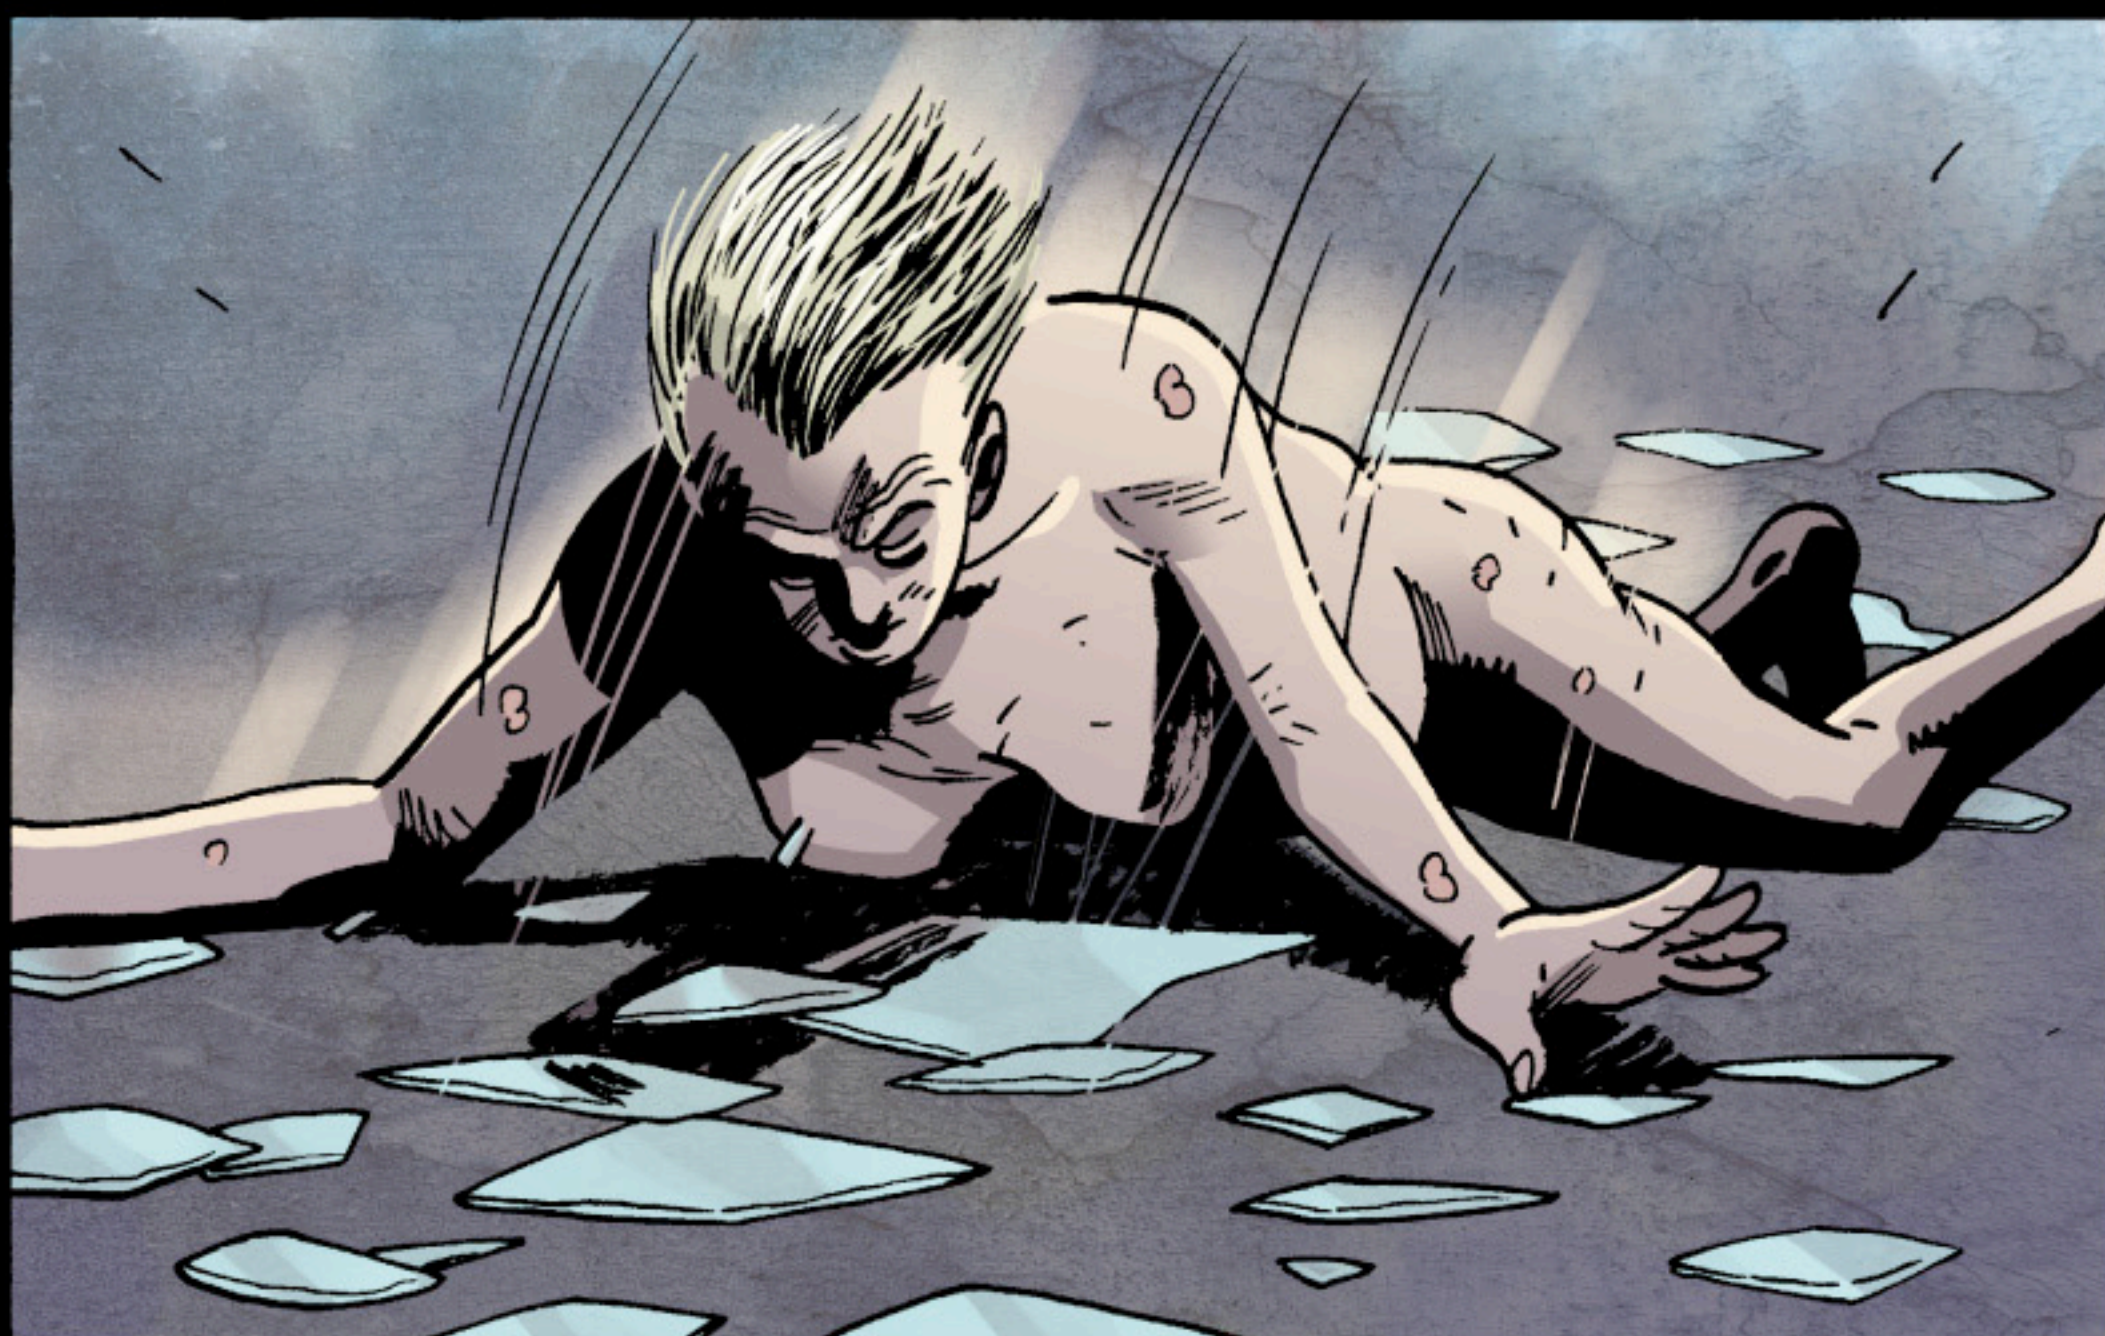

I have to get  
to my daughter.

I don't want  
to worry her.

She will be  
waiting for me.

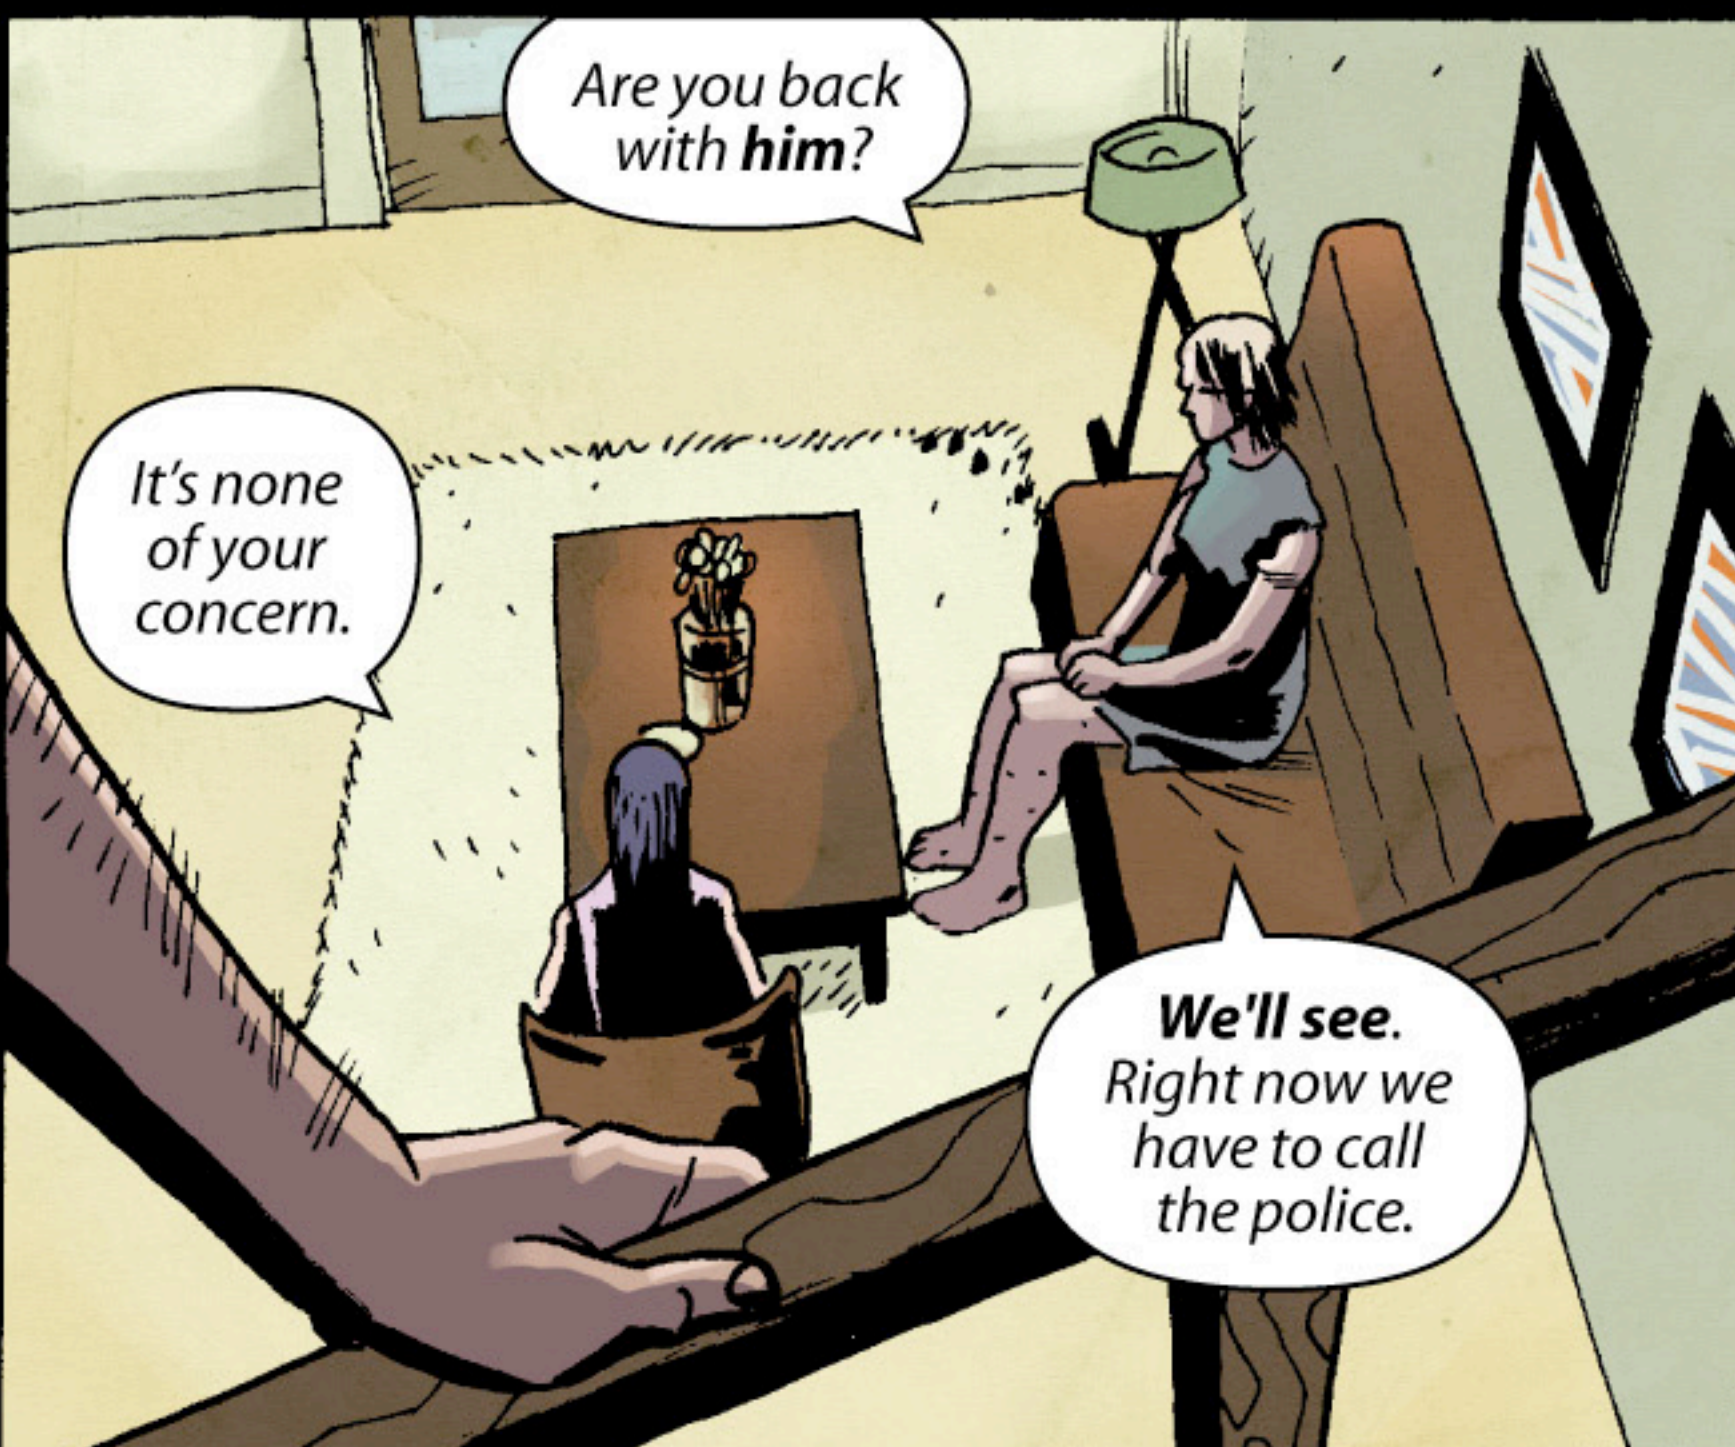

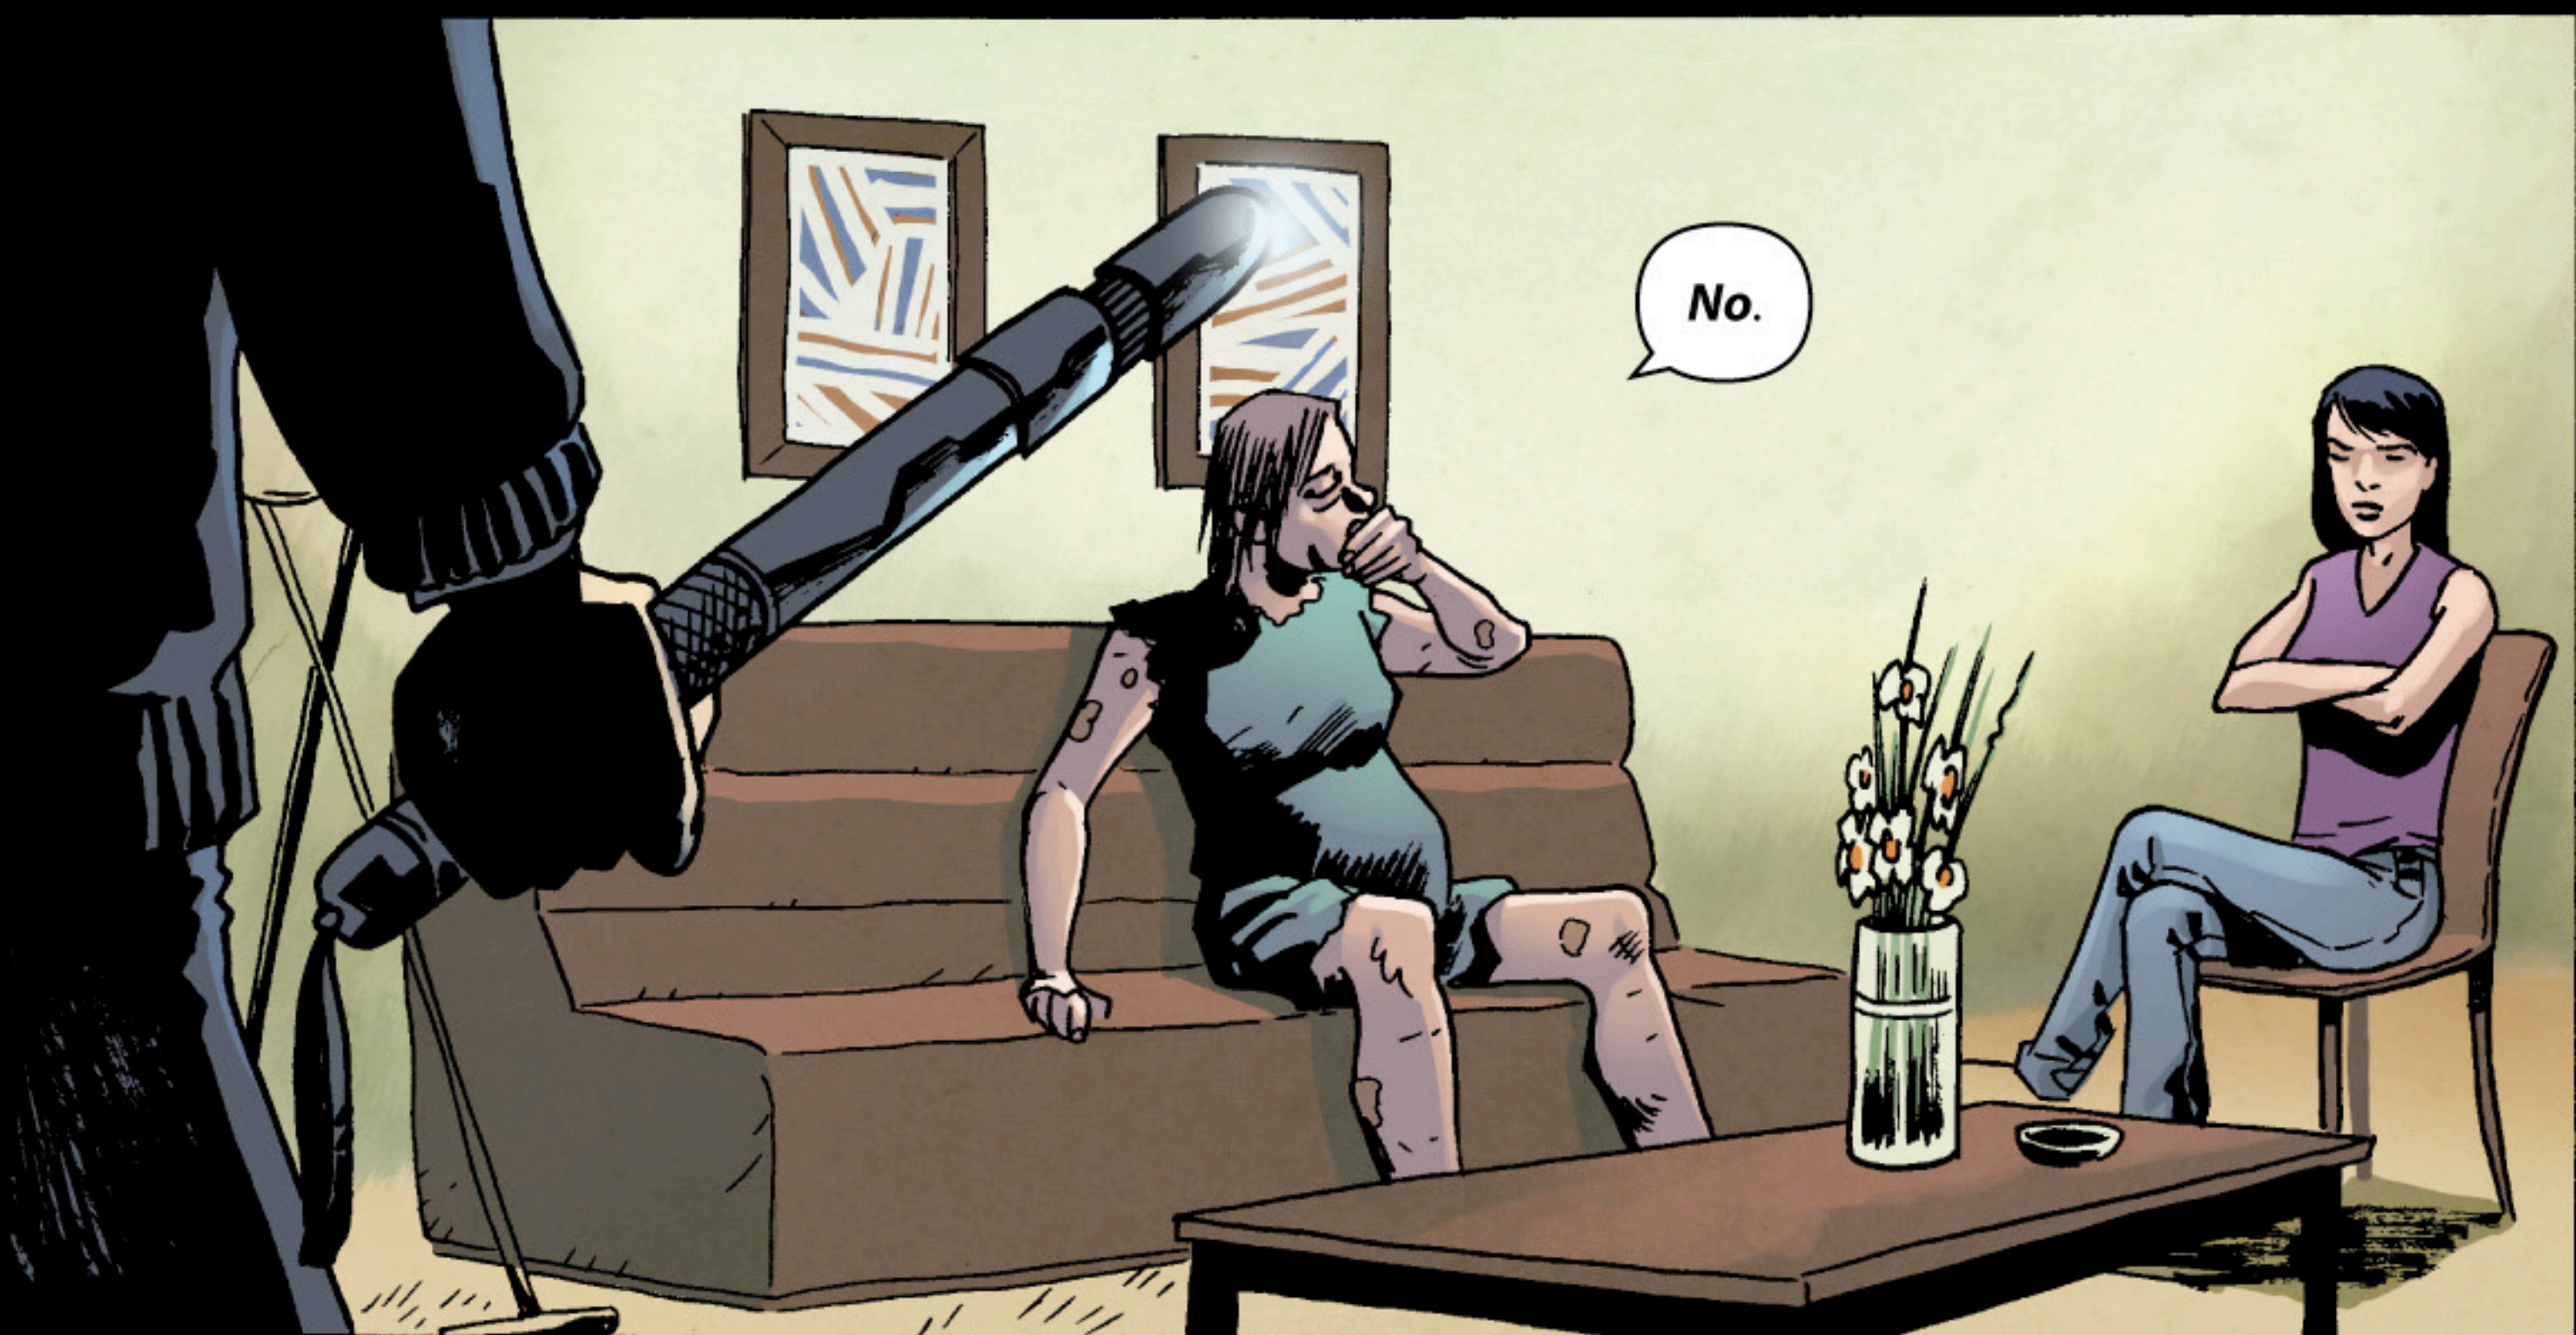

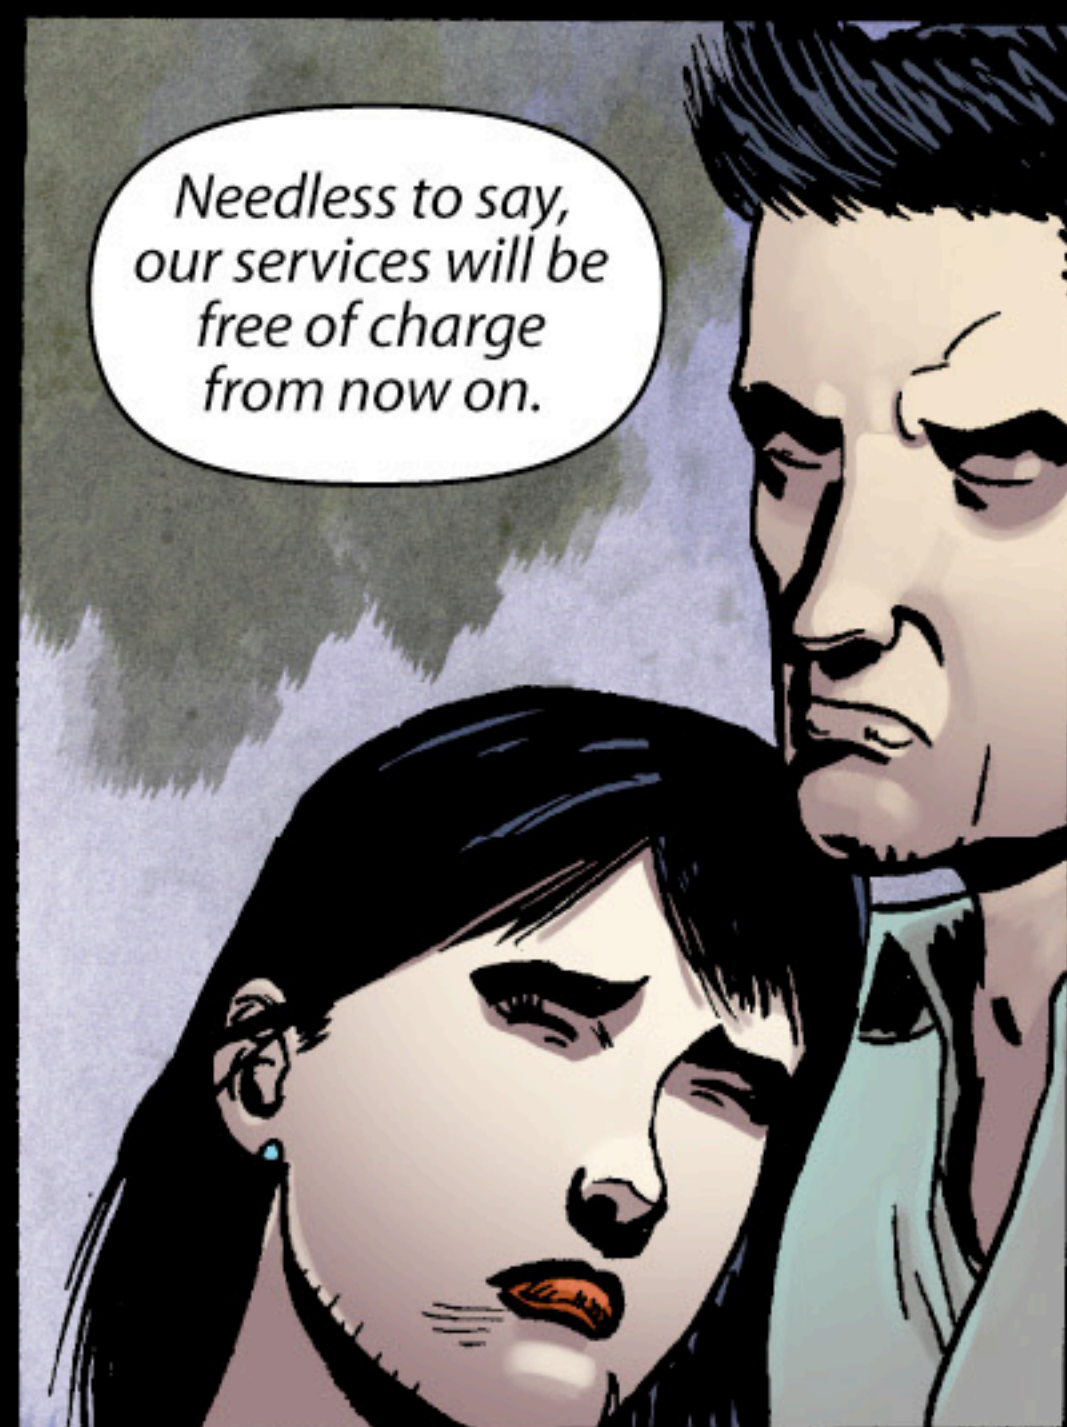

My name is Domod Dvorak.

We're sorry you had to deal with such an uncomfortable situation.

Needless to say, our services will be free of charge from now on.

Last one?

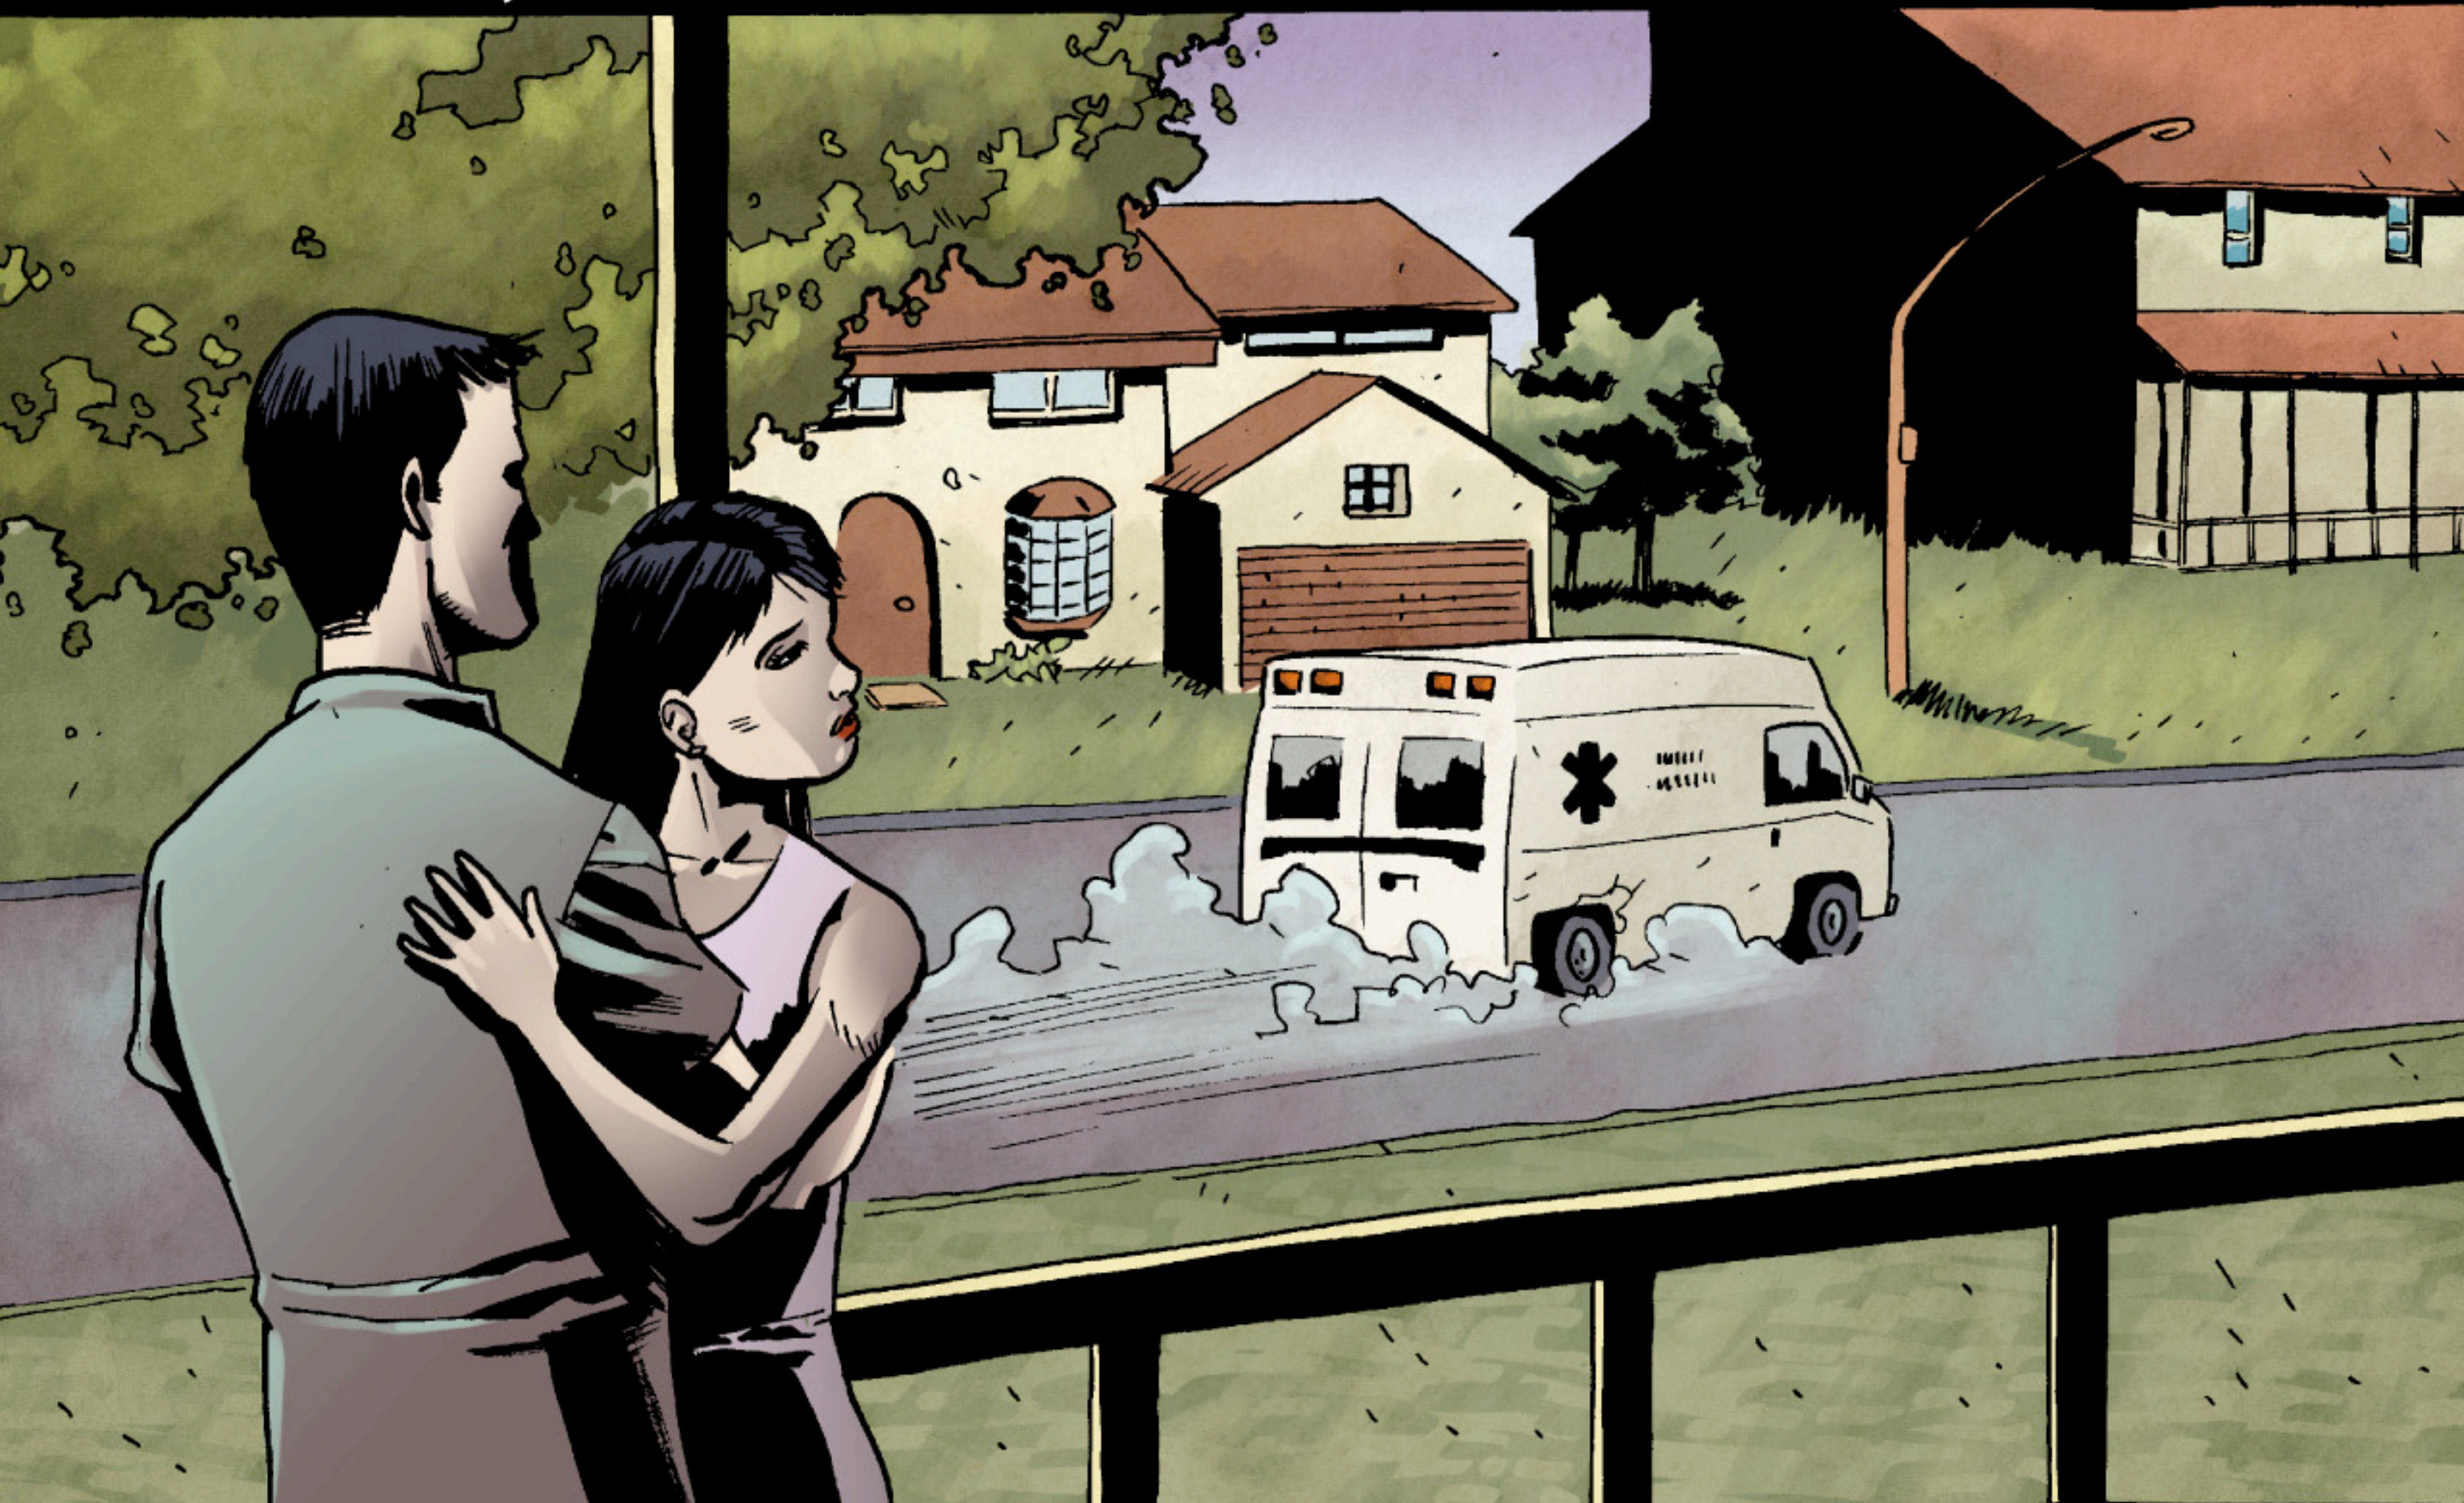

Yeah.

She won't remember anything.

I don't care.

*Just take her away.*
